Board Meeting  
March 21, 2019  
Agenda Item 7.3

Vincent Harris, Chief Continuous Improvement, Accountability and Dr. Iris Taylor,  
Chief Academic Officer and African American Achievement Task Force

*Every system is perfectly designed  
to get the results that it gets*

**SCUSD CORE VALUE**

We recognize that our system is inequitable by design and we vigilantly work to confront and interrupt inequities that exist to level the playing field and provide opportunities for everyone to learn, grow and reach their greatness.

**SCUSD GUIDING PRINCIPLE**

All students are given  
an equal opportunity to graduate  
with the greatest number of postsecondary choices  
from the widest array of options

# Academic Achievement Recommendations

*African American students academic achievement disparities are at disproportionately higher rates compared to students of other ethnic groups, therefore,*

***By June 30, 2020 and each year thereafter, SCUSD will...***

- Increase 3<sup>rd</sup> grade SBAC met or exceeded for Black or African American students:
  - In Mathematics from 17% in 2017-18 to 25%\* in 2019-20.
  - In English Language Arts from 18% in 2017-18 to 27%\* in 2019-20.
- Increase 6<sup>th</sup> grade SBAC met or exceeded for Black or African American students:
  - In Mathematics from 15% in 2017-18 to 24%\* in 2019-20.
  - In English Language Arts from 19% in 2017-18 to 27%\* in 2019-20.
- Increase 8<sup>th</sup> grade SBAC met or exceeded for Black or African American students:
  - In Mathematics from 16% in 2017-18 to 24%\* in 2019-20.
  - In English Language Arts from 29% in 2017-18 to 36%\* in 2019-20.

\*The 2018-19 goal represents a reduction of 10 percent of the percent of students who did not achieve the desired goal in the previous year. For example, if 20% met the desired goal previously, a total of 80% did not meet the goal. Ten percent of the 80% that did not meet the goal is 8 percentage points. Adding the 8 percentage points to the 20% who previously met the goal equals a hypothetical new goal of 28% for the current year.

# Academic Achievement Recommendations

*African American students academic achievement disparities are at disproportionately higher rates compared to students of other ethnic groups, therefore,*

***By June 30, 2020 and each year thereafter, SCUSD will...***

- Increase 4-year cohort graduation rate from 74.1% in 2017-18 to 76.7%\* in 2019-20.
- Increase 4-year A-G course completion from 45.9% in 2017-18 to 48.6%\* in 2019-20.
- Adopt and implement curriculum that includes and reflects Black/African American experience.
- Partner with 7<sup>th</sup> grade Black/African American families/guardians to ensure they are equipped to monitor students' academic progress and to advocate for their students' academic success.
- Provide school-to-college and school-to-career experiences utilizing community stakeholders (career training, university shadowing, mentoring and internships, etc.)
- Increase Black/African American teachers from **109** to **150**.
- Implement multiple measures to assess student progress in order to identify students in need of intervention and prioritize resources
- Implement research based intervention and acceleration strategies to close persistent learning gaps.

\*The 2018-19 goal represents a reduction of 10 percent of the percent of students who did not achieve the desired goal in the previous year. For example, if 20% met the desired goal previously, a total of 80% did not meet the goal. Ten percent of the 80% that did not meet the goal is 8 percentage points. Adding the 8 percentage points to the 20% who previously met the goal equals a hypothetical new goal of 28% for the current year.

# *Culture & Climate Recommendations*

*African American students receive discipline referrals and are suspended and expelled at disproportionately higher rates compared to students of other ethnic groups, therefore,*

***By September 30, 2019, SCUSD will...***

- Establish a District-wide Black/African American Parent/Caregiver and Student Advisory Committee
- Divest from future funding for school resource officers
- Provide professional development addressing inequitable disciplinary practices and mandate 100% faculty and staff attendance
- Eliminate willful defiance suspensions
- Eliminate Pre K – 3<sup>rd</sup> grade suspensions
- Require sites with over 5% variance on suspension rate disproportionality to develop plan to reduce suspensions to at least the district average
- Create a District wide study team tasked to review, monitor K-12 special education referral practices

# Task Force Challenges

- Concern that District will fail to implement recommendations
- Need for differentiated recommendations to support diverse African American community
- Legacy of Mistrust of District Intent
- Aggressive Timeline
- Worry about prioritization in the midst of fiscal crisis
- Need for community feedback particularly student engagement

# Next Steps

- Summarize community feedback on recommendations after March 19<sup>th</sup> forum
- Finalize recommendations for board adoption
- Create measurable outcomes
- Define budget impact
  - High Cost/Low Cost
- Establish monitoring/accountability plan
- Set ongoing community communication
