Recommendation: Discuss and approve the Budget Calendar for the 2017-18 Adopted Budget time line.

Background/Rationale: While the 2016-17 budget is currently balanced, there are unknowns regarding the final budget for this fiscal year and, until the Governor's budget is provided, the impact on the 2017-18 and 2018-19 budgets are unknown as well. The attached calendar reflects estimated time lines for major activities to ensure a balanced budget on or before July 1, 2017.

Financial Considerations: Education Code section 42127 requires that a balanced budget is submitted on or before July 1 of each fiscal year.

LCAP Goal(s): Family and Community Empowerment; Operational Excellence

Budget Calendar 2017-18

December 8, 2016

I. OVERVIEW/HISTORY:

In October 1991, Governor Wilson signed into law Assembly Bill 1200 which became effective on January 1, 1992, allowing school districts to choose one of two methods for the approval of their local budgets. Our district has selected the single budget adoption process which requires a school district to conduct its public hearing and adopt its final budget on or before July 1 of each year. The selection of the single budget adoption process further requires a district to make available for public review, within 45 days of the Governor's signing of the State Budget, revisions in revenue and expenditures that reflect the funding made available by the State Budget Act.

The process of developing a school district budget is an ongoing function that must be addressed by the Board and administration throughout the school year. In order to effectively develop a fiscal document that reflects the goals and objectives of the school district in the Local Control Accountability Plan (LCAP), the budget process must include a well-defined budget calendar outlining when specific activities will be completed.

Although there are numerous deadlines used in the development of the 2017-18 budget, the calendar highlights the main steps, specifically those involving the Board.

II. Driving Governance:

- Education Code section 42126 states that each budget shall be made on the number of forms or in the format prescribed by the Superintendent of Public Instruction.
- Education Code section 42127 requires that on or before July 1 of each year, the Governing Board of each school district shall hold a public hearing on the budget, adopt a budget and, within five days, file that budget with the county superintendent of schools.

III. Budget:

While the 2016-17 budget is currently balanced, the state budget is based on uncertainty. Out year budgets will gain clarity as the January Governor's budget is released and the May Revise is issued. The budget calendar will guide timelines for specific activities that need to take place once state budget information is known.
