*May is* **BIKE MONTH**

May is the month to get outside and enjoy riding bikes!

You're invited to create a profile on [mayisbikemonth.com](http://mayisbikemonth.com) and create your own Team to help motivate others, earn points for riding, and win amazing prizes. Invite your friends, family, co-workers, dance class, book club - you name it!

### **How does it work?**

- Teams are limited to a max of 10 riders
- Rack up points to climb your pool's leaderboard
- Earn points for riding your bike and encouraging other people
- The more points you have, the more prize entries you gain
- New rider on your team? Great! They earn double riding points

### **Did someone say prizes?**

Yes we did, you could win some great prizes just for riding your bike! Check out the prizes page on [mayisbikemonth.com](http://mayisbikemonth.com) for more Info.

And remember, if you register before the Bike Month Challenge begins on May 1st - you'll be entered into the special early bird prize drawing!
