Sun, Fun and Hard Earned Cash

*Spend your summer learning valuable skills, making friends and money!*

The City of Sacramento Department of Utilities is currently looking for excited and motivated high school students to become a part of its summer Utility Worker Program.

You can earn $9 or more per hour and learn about career opportunities in the City while participating in a variety of activities that help to build valuable skills. Work may be in the office or in the field, allowing you to learn about everything from welding to machining to the water treatment process. Best of all, you will be working with great City employees and other high school students who will help make the summer one of your best ever!

If you are interested in becoming a Department of Utilities Utility Worker, please email psanger@cityofsacramento.org for an application. Applications can also be picked up at 1395 35th Ave. between 8 am and 4pm, Monday thru Friday.

**You must be at least 16-years old, a City of Sacramento resident, and a current student returning to high school in the fall of 2014 to qualify. Graduating prior to summer 2014 is not considered a current student. Positions are up to 40 hrs/wk.**

Only the first 30 qualified applications will be accepted.
