<u>Recommendation</u>: Review and discuss proposed revisions to Board Bylaw 9270, Conflict-of- Interest.

Background/Rationale: The District must review its conflict-of-interest code biennially in even-numbered years. In addition, since the last biannual review the District made changes to its organizational structure that included updating and revising position descriptions, eliminating and/or reclassifying positions. The affected position descriptions were reviewed to determine the need to include the position as a designated filer in the District's Conflict-of-Interest Code, Board Bylaw 9270. The proposed revisions have been reviewed by the Parent Advisory Committee (DAC) and the Student Advisory Committee (DAC), the Superintendent, Cabinet members and legal counsel.

As required, the District notified its code reviewing body, the Sacramento County Board of Supervisors, that a revision of our conflict-of-interest code was needed. The revisions must be adopted by December 30, 2012.

<u>Financial Considerations</u>: The District must comply with Government Code section 87300 et seq. and Fair Political Practice Commission (FPPC) regulations or face court action by the FPPC.

Board of Education Executive Summary

Human Resource Services/Legal Services Board Bylaw 9270, Conflict-of-Interest November 15, 2012

I. OVERVIEW / HISTORY

The Political Reform Act requires every local government agency to review its conflict-ofinterest code biennially in even-numbered years. If amendments to an agency's conflict-ofinterest code are necessary, the amended code must be forwarded to the agency's code reviewing Board (the Sacramento County Board of Supervisors) for approval. An agency's amended code is not effective until it has been approved by the Board of Supervisors.

In addition, since the last biannual review the District made changes to its organizational structure that included updating and revising position descriptions, eliminating and/or reclassifying positions. The Political Reform Act requires public officials of governmental agencies (board/commission members, employees and consultants) to disclose assets and income which may be materially affected by their official actions. Designated positions generally make or participate in making decisions such as, voting on matters, negotiating contracts, or making recommendations on purchases without substantive review. The affected position descriptions were reviewed to determine the need to include the position as a designated filer in the District's conflict-of-interest code, Board Bylaw 9270.

II. DRIVING GOVERNANCE

- The Political Reform Act of 1974 (Gov. Code sections 8100-9104) requires that each state and local government agency adopt and implement a separate conflict-of-interest code.
- Conflict-of-interest codes must be reviewed every two years and when necessary to add or delete designated positions and disclosure categories. This is the biennial review of the District's conflict-of-interest code.

III. BUDGET

The District must comply with Government Code section 87300 et seq. and Fair Political Practice Commission (FPPC) regulations or face compliant action by the FPPC. Compliant action would most likely take the form of a fine.

IV. GOALS, OBJECTIVES, AND MEASURES

The District must keep its conflict-of-interest code accurate and up-to-date and review its code biennially in even-numbered years. There have been changes to the District's organizational structure and some of the designated filer positions already listed in the code have undergone name and/or responsibility changes and the code must reflect these changes.

V. MAJOR INITIATIVES

Board Bylaw

Conflict-of-Interest

BB 9270 Board Bylaws

The Governing Board desires to maintain the highest ethical standards and help ensure that decisions are made in the best interest of the district and the public. In accordance with law, Board members and designated employees shall disclose any conflict-of-interest and, as necessary, shall abstain from participating in the decision.

Conflict-of-Interest Code

The district's conflict-of-interest code shall be comprised of the terms of the 2 CCR 18730 and any amendments to it adopted by the Fair Political Practices Commission, together with an Appendix specifying designated positions and the specific types of disclosure category required for each position. This Bylaw is to work in concert with GC-8, which also addresses Board members' conflict-of-interest concerns.

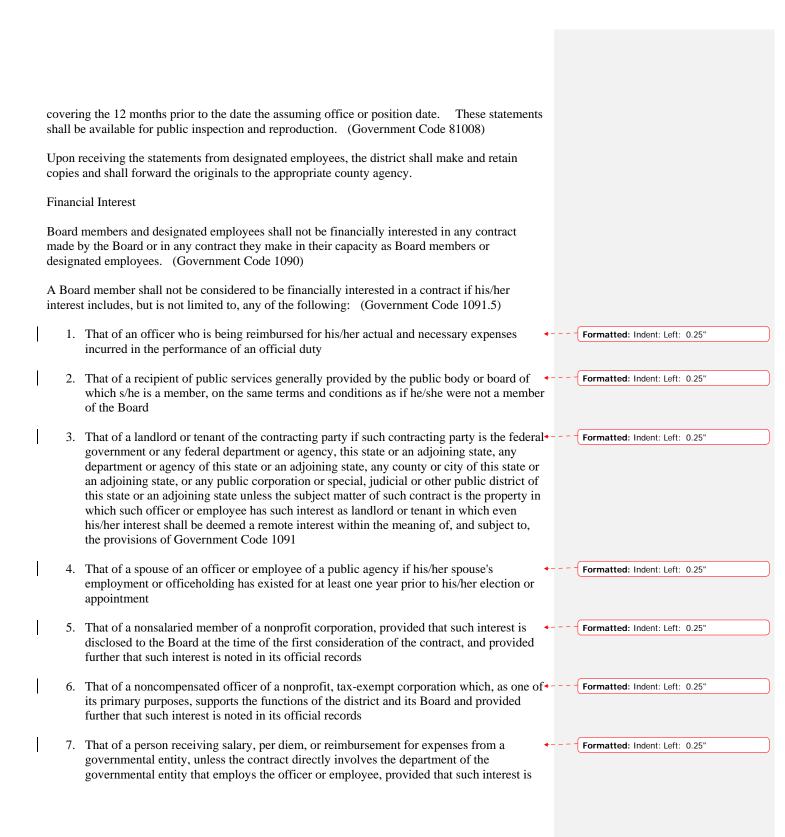

Upon direction by the code reviewing body, the Board shall review the district's conflict-of-interest code in even-numbered years. If no change in the code is required, the district shall submit by October 1 a written statement to that effect to the code reviewing body. If a change in the code is necessitated by changed circumstances, the district shall submit an amended code to the code reviewing body. (Government Code 87306.5)

When a change in the district's conflict-of-interest code is necessitated by changed circumstances, such as the creation of new designated positions, amendments or revisions, the changed code shall be submitted to the code reviewing body within 90 days. (Government Code 87306)

When reviewing and preparing the district's conflict-of-interest code, the Superintendent or designee shall provide officers, employees, consultants and members of the community adequate notice and a fair opportunity to present their views. (Government Code 87311)

(cf. 9320 - Meetings and Notices)

Board members and designated employees shall annually file a Statement of Economic Interest/Form 700 in accordance with the disclosure categories specified in the district's conflict-of-interest code. A Board member who leaves office or a designated employee who leaves district employment shall, within 30 days, file a revised statement covering the period of time between the closing date of the last statement and the date of leaving office or district employment. (Government Code 87302, 87500) A newly elected Board member or a newly hired employee in a designated position shall, within 30 days, file an Assuming Office statement

disclosed to the Board at the time of consideration of the contract, and provided further that such interest is noted in its official records

8. That of an attorney of the contracting party or that of an owner, officer, employee or agent of a firm which renders, or has rendered, service to the contracting party in the capacity of stockbroker, insurance agent, insurance broker, real estate agent, or real estate broker, if these individuals have not received and will not receive remuneration, consideration, or a commission as a result of the contract and if these individuals have an ownership interest of less than 10 percent in the law practice or firm, stock brokerage firm, insurance firm or real estate firm

In addition, a Board member or employee shall not be deemed to be interested in a contract made pursuant to competitive bidding under a procedure established by law if his/her sole interest is that of an officer, director, or employee of a bank or savings and loan association with which a party to the contract has the relationship of borrower or depositor, debtor or creditor. (Government Code 1091.5)

A Board member shall not be deemed to be financially interested in a contract if he/she has only a remote interest in the contract and if the remote interest is disclosed during a Board meeting and noted in the official Board minutes. The affected Board member shall not vote or debate on the matter or attempt to influence any other Board member to enter into the contract. Remote interests are specified in Government Code 1091(b); they include, but are not limited to, the interest of a parent in the earnings of his/her minor child. (Government Code 1091)

A Board member may enter into a contract if the rule of necessity or legally required participation applies as defined in Government Code 87101.

Even if there is no prohibited or remote interest, a Board member shall abstain from voting on personnel matters that uniquely affect a relative of the Board member. A Board member may vote, however, on collective bargaining agreements and personnel matters that affect a class of employees to which the relative belongs. "Relative" means an adult who is related to the person by blood or affinity within the third degree, as determined by the common law, or an individual in an adoptive relationship within the third degree. (Education Code 35107)

A relationship within the third degree includes the individual's parents, grandparents and great-grandparents, children, grandchildren and great-grandchildren, brothers, sisters, aunts and uncles, nieces and nephews, and the similar family of the individual's spouse unless the individual is widowed or divorced.

Disgualification for Board Members Who Manage Public Investments

A Board member who manages public investments pursuant to Government Code 87200 and who has a financial interest in a decision shall, upon identifying a conflict or potential conflict-of-interest and immediately prior to the consideration of the matter, do all of the following:

If the item is on the consent calendar, the Board member must recuse himself/herself from discussing or voting on that matter, but the Board member is not required to leave the room during the consent calendar. (2 CCR Section 18702.5)

A Board member who has recused himself/herself from participating in a matter may speak on the matter during the time that the general public speaks on the matter. The Board member shall recuse himself/herself from voting on the matter and leave the dais to speak from the same area as members of the public. He/she may listen to the public discussion of the matter with members of the public. (Government Code 87105; 2 CCR 18702.5)

If the Board's decision is made during closed session, the public identification may be made orally during the open session before the Board goes into closed session and shall be limited to a declaration that his/her recusal is because of a conflict-of-interest pursuant to Government Code 87100. The Board member shall not be present when the decision is considered in closed session or knowingly obtain or review a recording or any other non-public information regarding the Board's decision.
