Recommendation: Approve biennial revision of Board Bylaw 9270

Background/Rationale: The Political Reform Act requires every local government agency to review and update, if necessary, its Conflict-of-Interest bylaw biennially. From a review of Board Bylaw 9270, it is apparent that updates are needed in order to align it with the District's changes to positions and overall organizational structure. Agenda Title: 11.3, Approve Revised Board Bylaw 9270: Conflict of Interest

Date of Board Meeting: December 4, 2014

I. OVERVIEW / HISTORY: The Political Reform Act requires every local government agency to review and revise if necessary, its conflict-of-interest bylaw biennially. On October 1, 2014, the District submitted to the County Board of Supervisors a notice indicating that an amendment is necessary. The amended bylaw must be submitted to the Board of Supervisors for approval within 90 days of filing the notice with the County. As such, the amendment is due by no later than December 30, 2014. After a review of Board Bylaw 9270, it is apparent that updates are needed in order to align it with the District's changes to positions and overall organizational structure. Previous updates to Board Bylaw 9270 have occurred in 2012, and in every even year previous thereto.

II. DRIVING GOVERNANCE: The Political Reform Act, Government Code Section 81000 *et seq.*, requires every local government agency to review and update its conflict-of-interest code biennially.

III. BUDGET: No measurable impact.

IV. GOALS, OBJECTIVES, AND MEASURES: The goal of this action is to ensure compliance with the Political Reform Act's requirements that public agency decision makers disclose any potential conflicts of interest. In light of the District's Departmental re-organization and new positions that have been created over the previous two years, the amendment is necessary in order to ensure that required employees comply with the annual, as well as taking and leaving office, disclosure requirements of potential conflict of interests. Completing this revision will maintain the District as a transparent entity that is in compliance with California public entity laws.

BB 9270

Board Bylaws

The Governing Board desires to maintain the highest ethical standards and help ensure that decisions are made in the best interest of the district and the public. In accordance with law, Board members and designated employees shall disclose any conflict-of-interest and, as necessary, shall abstain from participating in the decision.

Conflict-of-Interest Code

The district's conflict-of-interest code shall be comprised of the terms of the 2 CCR 18730 and any amendments to it adopted by the Fair Political Practices Commission, together with an Appendix specifying designated positions and the specific types of disclosure category required for each position. This Bylaw is to work in concert with GC-8, which also addresses Board members' conflict-of-interest concerns.

Upon direction by the code reviewing body, the Board shall review the district's conflict-of-interest code in even-numbered years. If no change in the code is required, the district shall submit by October 1 a written statement to that effect to the code reviewing body. If a change in the code is necessitated by changed circumstances, the district shall submit an amended code to the code reviewing body. (Government Code 87306.5)

When a change in the district's conflict-of-interest code is necessitated by changed circumstances, such as the creation of new designated positions, amendments or revisions, the changed code shall be submitted to the code reviewing body within 90 days. (Government Code 87306)

When reviewing and preparing the district's conflict-of-interest code, the Superintendent or designee shall provide officers, employees, consultants and members of the community adequate notice and a fair opportunity to present their views. (Government Code 87311)

(cf. 9320 – Meetings and Notices)

Board members and designated employees shall annually file a Statement of Economic Interest/Form 700 in accordance with the disclosure categories specified in the district's conflict-of-interest code. A Board member who leaves office or a designated employee who leaves district employment shall, within 30 days, file a revised statement covering the period of time between the closing date of the last statement and the date of leaving office or district employment. (Government Code 87302, 87500) A newly elected or appointed Board

member or a newly hired employee in a designated position shall, within 30 days, file an Assuming Office statement covering the 12 months prior to the date the assuming office or position date. These statements shall be available for public inspection and reproduction. (Government Code 81008)

Upon receiving the statements from designated employees, the district shall make and retain copies and shall forward the originals to the appropriate county agency.

Financial Interest

Board members and designated employees shall not be financially interested in any contract made by the Board or in any contract they make in their capacity as Board members or designated employees. (Government Code 1090)

A Board member shall not be considered to be financially interested in a contract if his/her interest includes, but is not limited to, any of the following: (Government Code 1091.5)

1. That of an officer who is being reimbursed for his/her actual and necessary expenses incurred in the performance of an official duty
2. That of a recipient of public services generally provided by the public body or board of which s/he is a member, on the same terms and conditions as if he/she were not a member of the Board
3. That of a landlord or tenant of the contracting party if such contracting party is the federal government or any federal department or agency, this state or an adjoining state, any department or agency of this state or an adjoining state, any county or city of this state or an adjoining state, or any public corporation or special, judicial or other public district of this state or an adjoining state unless the subject matter of such contract is the property in which such officer or employee has such interest as landlord or tenant in which even his/her interest shall be deemed a remote interest within the meaning of, and subject to, the provisions of Government Code 1091
4. That of a spouse of an officer or employee of a public agency if his/her spouse's employment or office holding has existed for at least one year prior to his/her election or appointment
5. That of a nonsalaried member of a nonprofit corporation, provided that such interest is disclosed to the Board at the time of the first consideration of the contract, and provided further that such interest is noted in its official records
6. That of a noncompensated officer of a nonprofit, tax-exempt corporation which, as one of its primary purposes, supports the functions of the district and its Board and provided further that such interest is noted in its official records
7. That of a person receiving salary, per diem, or reimbursement for expenses from a

governmental entity, unless the contract directly involves the department of the governmental entity that employs the officer or employee, provided that such interest is disclosed to the Board at the time of consideration of the contract, and provided further that such interest is noted in its official records

8. That of an attorney of the contracting party or that of an owner, officer, employee or agent of a firm which renders, or has rendered, service to the contracting party in the capacity of stockbroker, insurance agent, insurance broker, real estate agent, or real estate broker, if these individuals have not received and will not receive remuneration, consideration, or a commission as a result of the contract and if these individuals have an ownership interest of less than 10 percent in the law practice or firm, stock brokerage firm, insurance firm or real estate firm

In addition, a Board member or employee shall not be deemed to be interested in a contract made pursuant to competitive bidding under a procedure established by law if his/her sole interest is that of an officer, director, or employee of a bank or savings and loan association with which a party to the contract has the relationship of borrower or depositor, debtor or creditor. (Government Code 1091.5)

A Board member shall not be deemed to be financially interested in a contract if he/she has only a remote interest in the contract and if the remote interest is disclosed during a Board meeting and noted in the official Board minutes. The affected Board member shall not vote or debate on the matter or attempt to influence any other Board member to enter into the contract. Remote interests are specified in Government Code 1091(b); they include, but are not limited to, the interest of a parent in the earnings of his/her minor child. (Government Code 1091)

A Board member may enter into a contract if the rule of necessity or legally required participation applies as defined in Government Code 87101.

Even if there is no prohibited or remote interest, a Board member shall abstain from voting on personnel matters that uniquely affect a relative of the Board member. A Board member may vote, however, on collective bargaining agreements and personnel matters that affect a class of employees to which the relative belongs. "Relative" means an adult who is related to the person by blood or affinity within the third degree, as determined by the common law, or an individual in an adoptive relationship within the third degree. (Education Code 35107)

A relationship within the third degree includes the individual's parents, grandparents and great-grandparents, children, grandchildren and great-grandchildren, brothers, sisters, aunts and uncles, nieces and nephews, and the similar family of the individual's spouse unless the individual is widowed or divorced.

Disqualification for Board Members Who Manage Public Investments

A Board member who manages public investments pursuant to Government Code 87200 and who has a financial interest in a decision shall, upon identifying a conflict or potential conflict-of-interest and immediately prior to the consideration of the matter, do all of the

following:

1. Publicly identify the financial interest that gives rise to the conflict or potential conflict-of-interest in detail sufficient to be understood by the public, except that disclosure of the exact street address of a residence is not required. (Government Code 87105)
2. Recuse himself/herself from discussing and voting on the matter, or otherwise acting in violation of Government Code 87100. This Board member shall not be counted toward achieving a quorum while the item is discussed. (Government Code 87105; 2 CCR Section 18702.5)
3. Leave the room until after the discussion, vote and any other disposition of the matter is concluded, unless the matter has been placed on the portion of the agenda reserved for uncontested matters. (Government Code 87105)

If the item is on the consent calendar, the Board member must recuse himself/herself from discussing or voting on that matter, but the Board member is not required to leave the room during the consent calendar. (2 CCR Section 18702.5)

A Board member who has recused himself/herself from participating in a matter may speak on the matter during the time that the general public speaks on the matter. The Board member shall recuse himself/herself from voting on the matter and leave the dais to speak from the same area as members of the public. He/she may listen to the public discussion of the matter with members of the public. (Government Code 87105; 2 CCR 18702.5)

If the Board's decision is made during closed session, the public identification may be made orally during the open session before the Board goes into closed session and shall be limited to a declaration that his/her recusal is because of a conflict-of-interest pursuant to Government Code 87100. The Board member shall not be present when the decision is considered in closed session or knowingly obtain or review a recording or any other non-public information regarding the Board's decision. (2 CCR 18702.5)

(cf. 3430 - Investing)

Incompatible Activities

Board members or employees shall not engage in any employment or activity which is inconsistent with, incompatible with, in conflict with or inimical to the Board member's duties as an officer of the district or with the employee's position in the district. (Government Code 1099, 1126)

(cf. 4136/4236/4336 – Non-school Employment)

Gifts

Board members and designated employees may accept gifts only under the conditions and

limitations specified in Government Code 89503 and 2 CCR 18730.

The limitations on gifts do not apply to wedding gifts and gifts exchanged between individuals on birthdays, holidays and other similar occasions, provided that the gifts exchanged are not substantially disproportionate in value. (Government Code 89503)

Gifts of travel and related lodging and subsistence shall be subject to the prevailing gift limitation except as described in Government Code 89506.

A gift of travel does not include travel provided by the district for Board members and designated employees. (Government Code 89506)

Honoraria

Board members and designated employees shall not accept any honorarium, which is defined as any payment made in consideration for any speech given, article published, or attendance at any public or private gathering, in accordance with law. (Government Code 89501, 89502)

The term honorarium does not include: (Government Code 89501)

1. Earned income for personal services customarily provided in connection with a bona fide business, trade or profession unless the sole or predominant activity of the business, trade or profession is making speeches
2. Any honorarium which is not used and, within 30 days after receipt, is either returned to the donor or delivered to the district for donation into the general fund without being claimed as a deduction from income for tax purposes
