UNIFORM COMPLAINT

Uniform Complaint
(Williams Case)

Sacramento City Unified School District
Compliance Officers
The Governing Board designates the following compliance officers to receive and investigate complaints and ensure district compliance with law:

   Chief Human Resources Officer
   5735 - 47th Avenue
   Sacramento, CA  95824
   (916) 643-9050

The Chief Human Resource Services Officer shall ensure that employees designated to investigate complaints are knowledgeable about the laws and programs for which they are responsible. Such employees may have access to legal counsel as determined by the Superintendent or designee.

Uniform complaint procedures shall also be used when addressing complaints alleging failure to comply with applicable state and/or federal laws and regulations and/or alleging discrimination in adult education, consolidated categorical aid programs, migrant education, career technical education and training programs, child care and development programs, child nutrition programs, special education programs, and federal school safety planning requirements. (Title 5 California Code of Regulations (T5CCR) 4610)

The District shall follow uniform complaint procedures when addressing complaints alleging unlawful discrimination based on, actual or perceived sex, sexual orientation, gender, ethnic group identification, race, ancestry, national origin, religion, color, or mental or physical disability, or age, or on the basis or a person’s association with a person or group with one or more of these actual or perceived characteristics, or any program or activity that receives or benefits from state financial assistance. [Government Code 11135, Education Code 200, Education Code 220, T5CCR 4610]

The District shall have the primary responsibility to insure compliance with applicable state and federal laws and regulations. [T5CCR 4620]

The District shall investigate complaints alleging failure to comply with applicable state and federal laws and regulations and/or alleging discrimination, and seek to resolve those complaints in accordance with the District’s Uniform Complaint Procedures. [T5CCR 4610, 4620, and 4621]

There will be annual dissemination of a written notice of the District’s complaint procedures to students, employees, parents or guardians of its students, school and district advisory committees, appropriate private school officials or representatives, and other interested parties. [T5CCR 4622]

Additionally, the district shall use uniform complaint procedures to address complaints regarding insufficiency of instructional materials, emergency or urgent facilities conditions that pose a threat to the health and safety of pupils or staff, and/or teacher vacancy or misassignment issues as provided in Administrative Regulation 1312.4.
Notifications

The Chief Human Resource Services Officer shall meet the notification requirements of Title 5 California Code of Regulations 4622, including the annual dissemination of district complaint procedures and information about available appeals, civil law remedies and conditions under which a complaint may be taken directly to the California Department of Education. The Chief Human Resource Services Officer shall ensure that complainants understand that they may pursue other remedies, including actions before civil courts or other public agencies.

Complainants will receive written acknowledgement identifying the person(s), employee(s), or agency position(s), or unit(s) responsible for receiving complaints, investigating complaints and ensuring District compliance. The written acknowledgement will also include a statement that ensures that such person(s), employee(s), position(s), or unit(s) responsible for compliance and/or investigation shall be knowledgeable about the laws/programs that he/she is assigned to investigate. [T5CCR 4621, 4631]

Procedures

The following procedures shall be used to address all complaints which allege that the district has violated federal or state laws or regulations governing educational programs. Compliance officers shall maintain a record of each complaint and subsequent related actions, including all information required for compliance with the Title 5 California Code of Regulations 4632.

All parties involved in allegations shall be notified when a complaint is filed, when a complaint meeting or hearing is scheduled and when a decision or ruling is made.

Step 1: Filing of Complaint

Any individual, public agency or organization may file a written complaint of alleged noncompliance by the district.

Complaints alleging unlawful discrimination may be filed by a person who alleges that he/she personally suffered unlawful discrimination or by a person who believes that an individual or any specific class of individuals has been subjected to unlawful discrimination. The complaint must be initiated no later than six months from the date when the alleged discrimination occurred or when the complainant first obtained knowledge of the facts of the alleged discrimination. [T5 CCR 4630]

The complaint shall be presented to the compliance officer who shall maintain a log of complaints received, providing each with a code number and a date stamp.

If a complainant is unable to put a complaint in writing due to conditions such as illiteracy or other disabilities, district staff shall help him/her to file the complaint. [T5 CCR 4600]

Step 2: Mediation

The Board recognizes that a neutral mediator can often suggest a compromise that is agreeable to all parties in a dispute. In accordance with uniform complaint procedures, whenever all parties to a complaint agree to try resolving their problem through mediation, the Superintendent or designee shall initiate mediation. The Superintendent or designee shall ensure that mediation results are consistent with state and federal laws and regulations.

Within three days of receiving the complaint, the compliance officer may informally discuss with the complainant the possibility of using mediation. If the complainant agrees to mediation, the compliance officer shall make all arrangements for this process.

Before initiating the mediation of a discrimination complaint, the compliance officer shall ensure that all parties agree to make the mediator a party to related confidential information.
If the mediation process does not resolve the problem within the parameters of law, the compliance officer shall proceed with his/her investigation of the complaint.

The use of mediation shall not extend the district's timelines for investigating and resolving the complaint unless the complainant agrees in writing to such an extension of time. [T5 CCR 4631]

**Step 3: Investigation of Complaint**

The compliance officer shall make all reasonable efforts to hold an investigative meeting within five days of receiving the complaint or an unsuccessful attempt to mediate the complaint. This meeting shall provide an opportunity for the complainant and/or his/her representative to repeat the complaint orally.

The complainant and/or his/her representative and the district's representatives shall have an opportunity to present information relevant to the complaint. Parties to the dispute may discuss the complaint and question each other or each other's witnesses. [T5 CCR 4631]

Refusal by the complainant to provide the investigator with documents or other evidence related to the allegations in the complaint, or to otherwise fail or refuse to cooperate in the investigation or engage in any other obstructions of the investigation, may result in the dismissal of the complaint because of lack of evidence to support the allegations. [T5CCR 4631]

Refusal by the District to provide the investigator with access to records and/or other information related to the allegation in the complaint, or to otherwise fail to refuse or cooperate in the investigation or engage in any other obstruction of the investigation, may result in a finding based on evidence collected that a violation has occurred and may result in the imposition of a remedy in favor of the complainant. [T5CCR 4631]

**Step 4: Response**

Within 60 days of receiving the complaint, the compliance officer shall prepare and send to the complainant a written report of the district's investigation and decision, as described in Step #5 below unless the complainant agrees in writing to an extension of time. [T5 CCR 4631]

**Step 5: Final Written Decision**

The report of the district's decision shall be in writing and sent to the complainant. [T5 CCR 4631] The report of the district's decision shall be written in English and in the language of the complainant whenever feasible or required by law. If it is not feasible to write this report in the complainant's primary language, the district shall arrange a meeting at which a community member of the complainants choosing will interpret it for the complainant.

The report will contain the following elements [T5CCR 4631]:

1. The findings of fact based on the evidence gathered.
2. Conclusion of law.
3. Disposition of the complaint.
4. The rationale for such a disposition.
5. Corrective actions, if any are warranted.
6. Notice of the complainant's right to appeal the District’s decision to the California Department of Education (CDE).
7. Procedures to be followed for initiating an appeal to CDE.

If an employee is disciplined as a result of the complaint, this report shall simply state that effective action was taken and that the employee was informed of district expectations. The report shall not give any further information as to the nature of the disciplinary action.
Discretionary complaints shall be investigated in a manner that protects the confidentiality of the parties and the facts. The District ensures that complainants are protected from retaliation and that the identity of a complainant alleging discrimination will remain confidential as appropriate, except to the extent necessary to carry out the investigation or proceedings, as determined by the Superintendent or designee on a case-by-case basis. [T5CCR 4621]

The Board prohibits retaliation in any form for participation in complaint procedures, including but not limited to the filing of a complaint or the reporting of instances of discrimination. Such participation shall not in any way affect the status, grades or work assignments of the complainant.

**Appeals to the California Department of Education**

If dissatisfied with the district's decision, the complainant may appeal in writing to the California Department of Education within 15 days of receiving the district's decision. For good cause, the Superintendent of Public Instruction may grant an extension for filing appeals. [T5 CCR 4652]

When appealing to the California Department of Education, the complainant must specify the reason(s) for appealing the district's decision and must include a copy of the locally filed complaint and the district's decision. [T5 CCR 4652]

The California Department of Education may directly intervene in the complaint without waiting for action by the district when one of the conditions listed in 5 CCR 4650 exists. In addition, the California Department of Education may also intervene in those cases where the district has not taken action within 60 calendar days of the date the complaint was filed with the district.

**Civil Law Remedies**

A complainant may pursue available civil law remedies outside of the district's complaint procedures. Complainants may seek assistance from mediation centers or public/private interest attorneys. Civil law remedies that may be imposed by a court include, but are not limited to, injunctions and restraining orders. For discrimination complaints, however, a complainant must wait until 60 days have elapsed from the filing of an appeal with the California Department of Education before pursuing civil law remedies. The moratorium does not apply to injunctive relief and is applicable only if the district has appropriately, and in a timely manner, apprised the complainant of his/her right to file a complaint in accordance with Title 5 California Code of Regulations 4622.

   b. A pupil does not have access to instructional materials to use at home or after school in order to complete required homework assignments.
   c. Textbooks or instructional materials are in poor or unusable condition, have missing pages, or are unreadable due to damage.

2. Teacher Vacancy or Misassignment
   a. A semester begins and a certificated teacher is not assigned to teach the class.
      Vacancy means a position to which a single designated certificated employee has not been assigned at the beginning of the year for an entire year or, if the position is for a one-semester course, a position to which a single designated certificated employee has not been assigned at the beginning of a semester for an entire semester. (Education Code 33126)
   b. A teacher who lacks credentials or training to teach English learners is assigned to teach a class with more than 20 percent English learner pupils in the class.
   c. A teacher is assigned to teach a class for which the teacher lacks subject matter competency.
      Misassignment means the placement of a certificated employee in a teaching or services position for which the employee does not hold a legally recognized certificate or credential or the placement of a certificated employee in a teaching or services position that the employee is not otherwise authorized by statute to hold. (Education Code 35186)

3. Facilities
   A condition poses an emergency or urgent threat to the health or safety of pupils or staff.
   Emergency or urgent threat means structures or systems that are in a condition that poses a threat to the health and safety of pupils or staff while at school, including but not limited to gas leaks; nonfunctioning heating, ventilation, fire sprinklers, or air-conditioning systems; electrical power failure; major sewer line stoppage; major pest or vermin infestation; broken windows or exterior doors or gates that will not lock and that pose a security risk; abatement of hazardous materials previously undiscovered that pose an immediate threat to pupils or staff; or structural damage creating a hazardous or uninhabitable condition. (Education Code 17592.72 paragraph (1) of subdivision (c))
**Filing of Complaint**

A complaint alleging any condition(s) specified above shall be filed with the principal of the school or his or her designee, in which the complaint arises. The principal or designee shall forward a complaint about problems beyond his/her authority to the Superintendent or designee within 10 working days. (Education Code 35186)

The school shall have a complaint form available for such Williams Complaints. (Education Code 35186(a)(1), Title 5 California Code of Regulations (T5CCR) 4680):

The complainant need not use the Williams Complaint form to file a complaint.

The Williams Complaint form shall identify the place for filing the complaint.

The Williams Complaint form will include a space to indicate whether a response is requested.

The principal or designee shall make all reasonable efforts to investigate any problem within his/her authority. He/she shall remedy a valid complaint within a reasonable time period not to exceed 30 working days from the date the complaint was received. (Education Code 35186)

The Williams complaints may be filed anonymously. If the complainant has indicated on the complaint form that he/she would like a response to his/her complaint, the principal or designee shall report the resolution of the complaint to him/her within 45 working days of the initial filing of the complaint. At the same time, the principal or designee shall report the same information to the Superintendent or designee. (Education Code 35186)

Upon receipt of a written complaint from an individual, public agency or organization, Williams’s complaint procedures shall be initiated. The Superintendent or designee shall distribute full information about these procedures.

Refusal by the complainant to provide the investigator with documents or other evidence related to the allegations in the complaint, or to otherwise fail or refuse to cooperate in the investigation or engage in any other obstructions of the investigation, may result in the dismissal of the complaint because of lack of evidence to support the allegations. (T5CCR 4631)

Refusal by the District to provide the investigator with access to records and/or other information related to the allegation in the complaint, or to otherwise fail to refuse or cooperate in the investigation or engage in any other obstruction of the investigation, may result in a finding based on evidence collected that a violation has occurred and may result in the imposition of a remedy in favor of the complainant. (T5CCR 4631)

The Board recognizes that a neutral mediator can often suggest a compromise that is agreeable to all parties in a dispute. In accordance with Williams’s complaint procedures, whenever all parties to a complaint agree to try resolving their problem through mediation, the Superintendent or designee shall initiate mediation. The Superintendent or designee shall ensure that mediation results are consistent with state and federal laws and regulations.

If a complainant is not satisfied with the resolution of the complaint, he/she may describe the complaint to the Governing Board at a regularly scheduled hearing. (Education Code 35186)

For complaints concerning a facility condition that poses an emergency or urgent threat to the health or safety of pupils or staff as described in item #3 above, a complainant who is not satisfied with the resolution proffered by the principal or Superintendent or designee may file an appeal to the State Superintendent of Public Instruction within 15 days of receiving the report. (T5CCR 4687)

A complainant may add as much text to explain the complaint as he/she wishes. (Education Code 35186)
The Superintendent or designee shall ensure that a notice is posted in each classroom in each school containing the components specified in Education Code 35186.
