Recommendation: Approve Resolution No. 3343 – Estimate Gann Appropriation
Limitation for 2023-24 and the Gann Amendment Calculation for 2022-23.

Background/Rationale: The Gann Limit (named for Paul Gann, the author of Proposition No. 4, which amended the State Constitution to establish this limit), is intended to constrain the growth in state and local government spending by linking year-to-year changes in expenditures to changes in inflation and population. Inflation for these purposes is currently the annual percentage change in California per capita personal income. For school agencies, change in Average Daily Attendance is used as a measurement of the change in population. Established in 1979 following the enactment of Proposition 13 and subsequently amended by Proposition 111, the Gann Limit applies to the state of California, cities, counties and special districts as well as to school districts and county offices of education.

One of the provisions included in the Gann Limit (Proposition No. 4), is notification to the public prior to the adoption of the Gann Limitation for this district. This agenda item is official notice of the Board of Education's intent to adopt a resolution on September 21, 2023. Also, included with this agenda is Resolution No. 3343 relative to the 2023-24 Gann Appropriation Limitation and the worksheets for identifying the appropriation limitation.

Financial Considerations: Provide detailed calculations for Gann Appropriation Limitation.

LCAP Goal(s): Family and Community Engagement; Operational Excellence
