School Description and Mission Statement

Vision:
Nicholas Elementary will provide a rigorous, standards-based curriculum and instruction that enables all students to meet and exceed measures of success. Through the establishment of a cultural opportunities, high expectations, and support, Nicholas students will remain actively engaged in the learning process as they acquire the skills and knowledge necessary to become responsible, contributing citizens within the local, state, and world community.

Mission:
Nicholas Elementary will provide a rigorous, standards-based curriculum and instructional program that enables all students to meet and exceed established measures of success. We will ensure that all teaching and learning is effective, meets the needs of all students, and promotes individual student’s growth. We will empower students to make good decisions and enable them to achieve their life potential. Students and teachers will be reflective and evaluative practitioners, regularly engaging in active and open communication reflecting our commitment to develop and improve student achievement. Teachers will consistently use data to guide curriculum and instructional practices. We will include parents, students and community as active members of the school community in the decision making process.

Opportunities for Parental Involvement

Picture Day
Assisting with fundraising opportunities through PTO
Open House/Back to School Night
Classroom Assistance
Box Tops for Education & Campbell Soup (Collections)
Field trips
Family Nights throughout the year focusing on academics and performing arts
Parent-Teacher Organization (PTO)
Monthly Parent Meeting in the Parent Resource Room

For more information, contact Rachel Lane, Principal at (916) 433-5076.
About the SARC

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1 of each year. The SARC contains information about the condition and performance of each California public school.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC webpage at http://www.cde.ca.gov/ta/ac/sa/.
- For additional information about the school, parents and community members should contact the school principal or the district office.

School Climate

School Safety Plan

This section provides information about the school’s comprehensive safety plan, including the dates on which the safety plan was last reviewed, updated, and discussed with faculty; as well as a brief description of the key elements of the plan.

The Comprehensive Safe School Plan (CSSP) was updated in September 2011 and shared with staff on October 6, 2011. The CSSP includes assessing the current status of school crime committed on the school campus and at school-related functions. It identifies appropriate strategies and programs that provide or maintain a high level of school safety and address the school’s procedures for complying with existing laws related to school safety, which include the development of the following:

Child abuse reporting procedures
Disaster procedures, routine and emergency
Fire drills
Earthquake emergency procedure system
Campus intruder “lock down”
Flood, evacuation of the site
Parent/student reunification
Policies on suspension, expulsion, or mandatory expulsion recommendations
Procedures to notify teachers of dangerous pupils
Discrimination and harassment policy
School-wide dress code
Procedures for safe ingress and egress of pupils, parents, and school employees to and from school
Safe and orderly environment conducive to learning
Rules and procedures on school discipline
Hate crime reporting procedures
Suspensions and Expulsions

<table>
<thead>
<tr>
<th></th>
<th>School</th>
<th>District</th>

</tr>
<tr>
<td>Expulsions</td>
<td>0</td>
<td>0</td>
</tr>
</tbody>
</table>

* The rate of suspensions and expulsions is calculated by dividing the total number of incidents by the total enrollment (and multiplying by 100).

School Facilities

School Facility Conditions and Planned Improvements
This section provides information from the most recent Facility Inspection Tool (FIT) data (or equivalent), including:

- Description of the safety, cleanliness, and adequacy of the school facility
- Description of any planned or recently completed facility improvements
- The year and month in which the data were collected
- Description of any needed maintenance to ensure good repair

Month and year in which data were collected: August 2011

The main campus was built in 1962. This school has 13 permanent classrooms which include a multipurpose room, a library, and an administrative building. The school also has 15 portables. During the 2004 and 2005 modernization, renovations and upgrades were made in the following areas: site interior, plumbing, HVAC, and miscellaneous upgrades.

The district takes great efforts to ensure that all schools are clean, safe, and functional. District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. The district governing board has adopted cleaning standards for all the schools in the district. A summary of these standards is available at the school office, or at the district operations office. The principal works directly with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

The State Legislature established the Deferred Maintenance Fund (DMF) in 1980 to assist districts in maintaining facilities and sites. The District has participated in the Deferred Maintenance Program since its inception. The program requires both the local district and the State of California to share equally in the cost of major deferred maintenance projects, with the maximum contribution from the State limited to approximately one-half of one percent of the District’s General Fund and Adult Education Fund operating budgets. For fiscal years 2008-09 through 2012-13, the Deferred Maintenance Program has been included in the State’s Tier III Flexibility Program. Therefore, DMF funds received by the District are deposited in the General Fund, and are unrestricted. Due to state budget cuts for 2010-11 these unrestricted funds have not been designated to deferred maintenance purposes. The funds were used as part of the Tier III recommendations approved by the Board on the May 6, 2010 Board Meeting.

School Facility Good Repair Status
This section provides information from the most recent Facility Inspection Tool (FIT) data (or equivalent), including:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair

</table>

* "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

** "Vacant Teacher Positions" refer to positions not filled by a single designated teacher assigned to teach the entire course at the beginning of the school year or semester.

Instructional Planning and Scheduling

Professional Development

This section provides information on the number of days provided for professional development and continuous professional growth in the most recent three year period. Questions that may be answered include:

- What are the primary/major areas of focus for staff development and specifically how were they selected? For example, was student achievement data used to determine the need for professional development in reading instruction?
- What are the methods by which professional development is delivered (e.g., after school workshops, conference attendance, individual mentoring, etc.)?
- How are teachers supported during implementation (e.g., through in-class coaching, teacher-principal meetings, student performance data reporting, etc.)?

To realize the vision of Sacramento City Unified School District, which is to fully prepare all students for college and career, it is imperative that the district provides numerous opportunities to expand the professional repertoire of its administrators and teachers.

Core Academic Classes Taught by Highly Qualified Teachers

The Federal Elementary and Secondary Education Act (ESEA), also known as No Child Left Behind (NCLB), requires that core academic subjects be taught by Highly Qualified Teachers, defined as having at least a bachelor's degree, an appropriate California teaching credential, and demonstrated core academic subject area competence. For more information, see the CDE Improving Teacher and Principal Quality webpage at: http://www.cde.ca.gov/nclb/sr/tq/

<table>
<thead>
<tr>

</table>

*One Full-Time Equivalent (FTE) equals one staff member working full-time; one FTE could also represent two staff members who each work 50 percent of full-time.

Data and Access

DataQuest
DataQuest is an online data tool located on the CDE DataQuest webpage at http://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., state Academic Performance Index [API], federal Adequate Yearly Progress [AYP]), test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners.

EdData Partnership Web Site
EdData is a partnership of the CDE, EdSource, and the Fiscal Crisis Management and Assistance Team (FCMAT) that provides extensive financial, demographic, and performance information about California’s public kindergarten through grade twelve school districts and schools.

Internet Access
Internet access is available at public libraries and other locations that are publicly accessible. Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Curriculum and Instructional Materials

Quality, Currency, Availability of Textbooks and Instructional Materials
This section describes whether the textbooks and instructional materials used at the school are from the most recent adoption; whether there are sufficient textbooks and instruction materials for each student; and information about the school’s use of any supplemental curriculum or non-adopted textbooks or instructional materials.

Month and year in which data were collected: November 2011

Textbooks and instructional materials are reviewed and then piloted across the district. Subsequent adoption by the Board of Education is consistent with the cycle of textbook approval by the State, California School Board. Textbooks are chosen for their alignment with California Content Standards, California Frameworks, and appropriateness for Sacramento City Unified School District students. Textbook sufficiency data is collected annually.

Percent Difference: School Site and District -7.5% 0.2%
Percent Difference: School Site and State -24.2% -5.4%

* Supplemental/Restricted expenditures come from money whose use is controlled by law or by a donor. Money that is designated for specific purposes by the district or governing board is not considered restricted.

** Basic/Unrestricted expenditures are from money whose use, except for general guidelines, is not controlled by law or by a donor.

Types of Services Funded

This section provides specific information about the types of programs and services available at the school that support and assists students. For example, this narrative may include information about supplemental educational services related to the school's federal Program Improvement (PI) status.

Each district school receives categorical funding to provide supplemental services to assist students reach grade level proficiency and above, master grade level content standards and successfully graduate from high school. Services throughout the district include:

- Class Size Reduction – Grades K-3
- Tutoring
- Supplemental instructional materials and books in mathematics, reading/language arts and ELD
- Extended Day/Year/ Summer school
- Access to technology
- MESA Programs
- Family Nights
- Student/Family Primary Language Support
- Translation for Home-School Communication
- Special Education - RSP Program, Speech and Language, K-LH Program
- Professional Development
- Support Staff, such as nurses, instructional assistants, community liaison
- School Psychologist
- Articulation Monday

Please check with your child’s principal to receive information regarding the services that are specific to your child’s school.

Student Performance

The Standardized Testing and Reporting (STAR) Program consists of several key components, including:

- California Standards Tests (CSTs), which include English-language arts (ELA) and mathematics in grades two through eleven; science in grades five, eight, and nine through eleven; and history-social science in grades eight, and nine through eleven.
- California Modified Assessment (CMA), an alternate assessment that is based on modified achievement standards in ELA for grades three through eleven; mathematics for grades three through seven, Algebra I, and Geometry; and science in grades five and eight, and Life Science in grade ten. The CMA is designed to assess those students whose disabilities preclude them from achieving grade-level proficiency on an assessment of the California content standards with or without accommodations.
- California Alternate Performance Assessment (CAPA), includes ELA and mathematics in grades two through eleven, and science for grades five, eight, and ten. The CAPA is given to those students with significant cognitive disabilities whose disabilities prevent them from taking either the CSTs with accommodations or modifications or the CMA with accommodations.

The assessments under the STAR Program show how well students are doing in relation to the state content standards. On each of these assessments, student scores are reported as performance levels.

For detailed information regarding the STAR Program results for each grade and performance level, including the percent of students not tested, see the CDE STAR Results Web site at [http://star.cde.ca.gov](http://star.cde.ca.gov).

Accountability

Academic Performance Index

The Academic Performance Index (API) is an annual measure of state academic performance and progress of schools in California. API scores range from 200 to 1,000, with a statewide target of 800. For detailed information about the API, see the CDE API webpage at http://www.cde.ca.gov/ta/ac/ap/.

<table>

* "N/D" means that no data were available to the CDE or LEA to report. "B" means the school did not have a valid API Base and there is no Growth or target information. "C" means the school had significant demographic changes and there is no Growth or target information.

**Adequate Yearly Progress**

The federal ESEA requires that all schools and districts meet the following Adequate Yearly Progress (AYP) criteria:

- Participation rate on the state’s standards-based assessments in ELA and mathematics
- Percent proficient on the state’s standards-based assessments in ELA and mathematics
- API as an additional indicator
- Graduation rate (for secondary schools)

Detailed information about AYP, including participation rates and percent proficient results by student group, can be found at the CDE Adequate Yearly Progress (AYP) webpage at [http://www.cde.ca.gov/ta/ac/ay/](http://www.cde.ca.gov/ta/ac/ay/).

**Federal Intervention Program**

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (ELA or mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP. For detailed information about PI identification, see the CDE PI Status Determinations webpage: [www.cde.ca.gov/ta/ac/ay/tidetermine.asp](http://www.cde.ca.gov/ta/ac/ay/tidetermine.asp).
