School and Student Performance Data

Title III accountability is a series of Annual Measureable Achievement Objectives (AMAO) that LEAs in receipt of Title III funds must meet each year for their EL populations. AMAO 1 measures the percentage of ELs making annual progress on CELDT, based on their previous CELDT performance level. AMAO 2 measures the percentage of ELs who have attained the English proficient level on the CELDT. Targets must be met for two EL cohorts: students in English language instruction educational programs for less than five years (Cohort 1); and students in English language instruction educational programs for five years or more (Cohort 2). AMAO 3 is based on ELA and Math AYP Participation and Performance targets for the EL subgroup.
