Health Insurance Enrollment Services at Connect Center

**Promoting learning by supporting the
health and well-being of all students**

Health Matters...

At the Connect Center, we believe every child has the potential to thrive, and that all children should be given that opportunity by having the tools they need for healthy development.

As a parent, enrolling your student in a health insurance program will help ensure a healthy future, and ensure a better chance at learning! A healthy child is a more successful child at home, school and the community.

Family health advocates at the Connect Center are ready to help you enroll your child in a free or low-cost health insurance program. Call (916) 643-2351 to find out if you qualify.
