**MEMORANDUM**

**TO:** SCUSD Administrators

**FROM:** Legal Services

**SUBJECT:** Policies For Review

**DATE:** September 5, 2017

---

With the start of a new school year, Legal Services would like to refer administrators to review some of the critical District policies, including new and revised policies. Some important policies and regulations which are available for your viewing through the District's website link to the Gamut on-line system at <http://www.scusd.edu/board-policies> include:

- Non-Discrimination and Discipline Policies related to Students –
  - BP/AR 5145.3, Nondiscrimination/Harassment (revised 2017)
  - BP/AR 5145.4, Anti-Bullying
  - BP/AR 5145.7, Sexual Harassment
  - BP 5145.31, Transgender
  - BP/AR 5144, Student Discipline
  - BP/AR 5144.1, Suspension and Expulsion/Due Process
- Uniform Complaint Procedures, BP/AR 1312.3 (revised 2017)
- Gifts, Grants, and Bequests, BP 3290 (revised 2017)
- Physical Education, AR 6142.7 (revised 2017)
- Wellness, BP 5030 (revised 2017 to be published on Gamut in a matter of weeks)
- Currently pending approval is BP 1340, District Records. This revision clarifies that all employee emails and cell phone text messages, whether on a District or a private account or device, are presumptively public records if they involve District business and meet the other criteria for a public record.

Feel free to contact Legal Services if you would like to discuss any District policies.
