2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Vision and Mission

Our purpose will be to tend to the academic, social, physical, and mental health needs of all Baker students. We will serve the community through an equity lens, a trauma-informed lens, and an anti-racist lens. Furthermore, we will make decisions on behalf of students and their best interest. As a staff, we will lean on one another for support, anchoring into our shared understanding that if we are not caring for ourselves first, then we will not be at our best for our students and colleagues. Finally, we will use this time to reimagine and refine school-wide practices and procedures that will improve school safety and campus environment.

Ethel I. Baker is a preschool through sixth grade elementary school. The number of students attending is approximately 680. Baker has a diverse student population, which includes more than 271 English Language Learners, approximately 40% of our student population.

The staff at Ethel I. Baker School is committed to providing all students opportunities to reach high standards, which will prepare them for success in life and work. Our goal is to provide the building blocks students must acquire to move to the next level of their education. We will continue to ensure every child a safe learning environment, which includes an atmosphere of high motivation, focused learning, and opportunities to celebrate success.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

2020-21 Teacher Preparation and Placement

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Teacher Preparation and Placement

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21	2021-22
Permits and Waivers	0.00	0.00
Misassignments	1.00	0.50
Vacant Positions	0.00	0.00
Total Teachers Without Credentials and Misassignments	1.00	0.50

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	1.00	0.00
Local Assignment Options	0.00	0.00
Total Out-of-Field Teachers	1.00	0.00

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Class Assignments

Indicator	2020-21	2021-22
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	3.8	4.3
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	0	0

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

To realize the vision of Sacramento City Unified School District, which is to fully prepare all students for college and career, it is imperative that the district provides numerous opportunities to expand the professional repertoire of its administrators and teachers. To that end, the district has crafted a high-quality professional learning program that is focused on Literacy (including ELA Common Core Standards), English Language Learners, Mathematics, Science, Physical Education, and Visual and Performing Arts. The learning opportunities afforded through this program deeply align with the needs of our individual schools, as well as our Local Control Accountability Plan, and connect to every aspect of school practice: thinking curriculum, intentional instructional practices, assessment for learning, and lesson design. Professional learning opportunities are offered during school hours and outside of contracted hours. In addition to on-site coaching and regular professional learning opportunities, a designated collaborative Thursday time provides the opportunity for teachers to engage in collaborative professional learning at their respective schools focusing on deepening their content knowledge, strengthening their instructional repertoire, improving their assessment strategies, and fostering a shared sense of responsibility.

School Facility Conditions and Planned Improvements

Ethel I. Baker received a Facility Inspection Tool (FIT) overall rating score of good on their most recent inspection.

The district governing Board has adopted cleanliness standards for all district schools to ensure that all schools are clean, safe, and functional. The district Operations Department takes great pride in following a work order process that provides efficient and timely services to all the sites. The principal works directly with the site custodial staff to develop cleaning schedules to ensure that the school is clean and safe.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23
English Language Arts/Literacy (grades 3-8 and 11)	16	14	38	38	47	46
Mathematics (grades 3-8 and 11)	7	8	27	28	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Opportunities for Parent Involvement include service on school committees such as the School Site Council, ELAC, and the Safety Committee. 2023-24

Also, we encourage parent involvement in the following ways:

Informational Meetings

Objective: To provide information to parents

Interaction: By teachers/educators to parents/family (about students or how to assist students in an educational setting and at home)

Parent role: Learner/recipient

Analogy: Direct Instruction

Examples: Back to School Night, Parent-Teacher Conferences, Parent Education Workshops, Helping with Homework, Reading with your Child

Assemblies/Special Events

Objectives: To share and celebrate students' accomplishments

Interaction: By students to parents (educators as narrators)

Parent/ Family Role: Audience

Analogy: Assessment/celebration

Examples: Fall Festival, Spaghetti Dinner, Back To School Night, Open House, Trimester Awards Assemblies, Kindergarten Celebrations, 6th Grade Promotions, Fundraising Opportunities, SHINE, Parent Engagement Workshops offered through the district

Fiscal Year 2022-23 Types of Services Funded

SCUSD and district schools provide supplemental programs and services through categorical funds and other sources to support the needs of all students, including GATE, students with disabilities, and English learners. Programs and services such as enrichment programs, family engagement activities, supplemental instructional materials, and academic, social, and emotional support programs help our students achieve grade-level readiness, mastery of the California Common Core State Standards (CCSS), and college and career readiness.

Ethel I. Baker Elementary and district supplemental programs and services include:

- Supplemental instructional materials and books in mathematics, reading/language arts, and ELD
- Extended Day/Year/ Summer school
- Enrichment programs
- Parent Education/Family Nights
- Student/Family Primary Language Support
- Translation for Home-School Communication
- Special Education
- Professional Development
- Support Staff, such as nurses, instructional assistants, parent advisors, and counselors
- Supplemental Education Services
- School Choice

Please check with your child's principal to receive information regarding the services that are specific to your child's school.

Professional Development

To realize the vision of Sacramento City Unified School District, which is to fully prepare all students for college and career, it is imperative that the district provides numerous opportunities to expand the professional repertoire of its administrators and teachers. To that end, the district strives to provide staff with professional learning opportunities that focus on ensuring that all students have access to culturally responsive high-quality instruction and support through Universal Design for Learning and anti-bias/anti-racist practices in a robust multi-tiered system of support. District experts also provide professional learning specifically focused on Literacy, English Learners, Mathematics, Science, Educational Technology, Physical Education, the Visual and Performing Arts, and Social-Emotional Learning. The learning opportunities afforded through district professional learning deeply aligns with the needs of our individual schools, as well as our Local Control Accountability Plan, and connect to every aspect of school practice: thinking curriculum, intentional instructional practices, assessment for learning, and lesson design. Professional learning opportunities are offered during school hours and outside of contracted hours. In addition to on-site coaching and regular professional learning opportunities, a designated collaborative Thursday time provides the opportunity for teachers to engage in collaborative professional learning at their respective schools focusing on deepening their content knowledge, strengthening their instructional repertoire, improving their assessment strategies, and fostering a shared sense of responsibility.
