2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Golden Empire Elementary School

The Soaring Golden Eagles!

Our Mission:

We believe in educating the whole student and emphasizing high quality teaching, strong relationships, collaboration, and respect. We guide and prepare students to be involved citizens who work to improve themselves and their community. Our school is a welcoming place of curiosity, enthusiasm, where students learn in a safe, caring, and dynamic environment.

Our Vision:

We guide, inspire, motivate, and provide students the opportunities to achieve high standards of performance and reach their full potential for success in life and work.

About Our School

Nestled in the Rosemont Community, Golden Empire is one of the “best kept secrets” amongst Sacramento schools. The school has built its reputation on excellence in learning through parent and community involvement and highly experienced and skilled teachers and staff. Golden Empire Elementary achieved a growth score of 847 on the 2013 Academic Performance Index (API) and a CDE achievement rating of 10 out of 10 for like schools. We are proud of our school-wide awards. We were awarded the California Businesses for Education Excellence Award for years 2012--2017. In 2008, Golden Empire was selected as a United States Blue Ribbon Award School, 1 of 35 schools selected in the state of California, 1 of 2 schools in Sacramento County. We were again selected for this award for 2010. We were also selected as 1 of 13 schools in the nation for the prestigious 2009 National Center for Urban School Transformation’s Excellence in Education award. The school was also granted the “California Distinguished School Award” in 2008 and the “Title I Achieving School” award by the California State Department of Education in 2004, 2007, 2008, 2009, and again in 2010. Named an “Exemplary School” by the Sacramento City Unified School District, Golden Empire is proud of its many schoolwide academic awards and accomplishments. In 2020 Golden Empire earned and currently holds the distinction of being a Leader in Me Lighthouse School.

2023-24 School Description and Mission Statement

The educational program at Golden Empire stresses incremental learning, collaborative learning, practice time for skill development, interventions for students needing academic review, and extended day for identified students. We have fully implemented the Leader In Me Social-Emotional Learning program, focusing on developing all students as leaders. Our GATE cluster program provides increased academic rigor and pacing to our high achieving and GATE students. Added-value curriculum includes PE and Library. Our band program teaches 4th-6th grade students instrumental music taught by a credentialed music teacher. Our OSEP (On-Site Enrichment Program) provides after-school enrichment programs for students in grades 2-6. We are proud of our 4H Garden Club, composed of students in grades 2-6, who maintain our school garden and earn badges and pins for completing science and gardening projects. A credentialed coach coordinates our football and basketball teams. Our student leadership group draws students in grades 4-6. Also, we are extremely proud of our preschool program, serving 20 three- and four-year-old students and this year we added our transitional kindergarten grade level.

Our active Parent Teacher Organization (PTO) provides assemblies, parent nights, fun and successful community fundraisers, a carnival and numerous evening programs which encourage student and parent involvement. There are other opportunities for parent involvement, especially in the School Site Council (SSC) and our English Language Advisory Committee (ELAC). We also have a monthly informal "Eagle Cafe" for our parents.

Our afterschool, ASES program, offers on-site day care for busy families. Students have vision, hearing, and dental checks during the year.

An outstanding website (goldenempire.scusd.edu), weekly emails and a monthly family newsletter keep everyone up-to-date on school activities. Students receive academic excellence, academic growth, leadership, and Golden Eagle award each trimester at our Awards Ceremonies.

Golden Empire offers students a "Golden Opportunity" for achievement, and a safe, nurturing, and accepting environment for all. Come soar with us at Golden Empire Elementary!

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

To realize the vision of Sacramento City Unified School District, which is to fully prepare all students for college and career, it is imperative that the district provides numerous opportunities to expand the professional repertoire of its administrators and teachers. To that end, the district has crafted a high-quality professional learning program that is focused on Literacy (including ELA Common Core Standards), English Language Learners, Mathematics, Science, Physical Education, and Visual and Performing Arts. The learning opportunities afforded through this program deeply align with the needs of our individual schools, as well as our Local Control Accountability Plan, and connect to every aspect of school practice: thinking curriculum, intentional instructional practices, assessment for learning, and lesson design. Professional learning opportunities are offered during school hours and outside of contracted hours. In addition to on-site coaching and regular professional learning opportunities, a designated collaborative Thursday time provides the opportunity for teachers to engage in collaborative professional learning at their respective schools focusing on deepening their content knowledge, strengthening their instructional repertoire, improving their assessment strategies, and fostering a shared sense of responsibility.

School Facility Conditions and Planned Improvements

Golden Empire received a Facility Inspection Tool (FIT) overall rating score of Good on their most recent inspection.

The district governing Board has adopted cleanliness standards for all district schools to ensure that all schools are clean, safe, and functional. The district Operations Department takes great pride in following a work order process that provides efficient and timely services to all the sites. The principal works directly with the site custodial staff to develop cleaning schedules to ensure that the school is clean and safe.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

There are many opportunities for parent involvement at Golden Empire:

Volunteers in classrooms are always welcomed.

Committee work to plan special events is ongoing.

Parents plan and participate in fundraisers throughout the year.

The Library Media Center offers many opportunities for parental involvement.

Parents providing classroom tutoring is always encouraged.

Many families enjoy participating in events such as the annual Jog-A-Thon, December Handmade Holiday Night, Pancake Breakfast, Math Night, Reading Night, Science Night, and a monthly informal Eagle Cafe.

The PTO offers many parent involvement activities.

The School Site Council sets policy and plans the budget for the school.

Parents are encouraged to run for a position on the School Site Council and/or the English Learner Advisory Council (ELAC), which plans and budgets for our English Learners.

Golden Empire welcomes all families and community members and encourages participation!

For more information, contact Azarel Sandoval Iniguez, Principal, at 916.395.4580.

Programs and services such as enrichment programs, family engagement activities, supplemental instructional materials, and academic, social, and emotional support programs help our students achieve grade-level readiness, mastery of the California Common Core State Standards (CCSS), and college and career readiness.

Golden Empire and district supplemental programs and services include:

- Supplemental instructional materials and books in mathematics, reading/language arts, and ELD
- Extended Day/Year/ Summer school
- Enrichment programs
- Parent Education/Family Nights
- Student/Family Primary Language Support
- Translation for Home-School Communication
- Gifted and Talented Education (GATE)
- Special Education
- Professional Development
- Support Staff, such as nurses, instructional assistants, parent advisors, and counselors
- Supplemental Education Services
- School Choice

Please check with your child's principal to receive information regarding the services that are specific to your child's school.

Professional Development

To realize the vision of Sacramento City Unified School District, which is to fully prepare all students for college and career, it is imperative that the district provides numerous opportunities to expand the professional repertoire of its administrators and teachers. To that end, the district strives to provide staff with professional learning opportunities that focus on ensuring that all students have access to culturally responsive high-quality instruction and support through Universal Design for Learning and anti-bias/anti-racist practices in a robust multi-tiered system of support. District experts also provide professional learning specifically focused on Literacy, Emergent Bilinguals, Mathematics, Science, Educational Technology, Physical Education, the Visual and Performing Arts, and Social-Emotional Learning. The learning opportunities afforded through district professional learning deeply aligns with the needs of our individual schools, as well as our Local Control Accountability Plan, and connect to every aspect of school practice: thinking curriculum, intentional instructional practices, assessment for learning, and lesson design. Professional learning opportunities are offered during school hours and outside of contracted hours. In addition to on-site coaching and regular professional learning opportunities, a designated collaborative Thursday time provides the opportunity for teachers to engage in collaborative professional learning at their respective schools focusing on deepening their content knowledge, strengthening their instructional repertoire, improving their assessment strategies, and fostering a shared sense of responsibility.
