2023-24 School Description and Mission Statement

I. NEW JOSEPH BONNHEIM COMMUNITY CHARTER VISION STATEMENT: "Our NJB vision is to create a quality education program through a variety of learning intelligences to prepare scholars for the 21st Century."

1. Improve academic and social outcomes through ethical practices.

- 2. Create a school culture that emits social and educational responsibility and involves parents, scholars and staff.
- 3. Foster communication and positive relationships between school personnel, scholars, parents and community.
- 4. All persons will take personal responsibility and accountability for their actions and the actions of others.

5. Have a school climate in which every scholar, parent, and teacher is willing to help one's neighbor, respectful of all people around them, and is willing to be the light in the darkness.

II. NEW JOSEPH BONNHEIM COMMUNITY CHARTER MISSION STATEMENT: Our mission is to develop responsible, respectful, and proactive citizens to become caretakers of our community, our state, our country, and our planet. This begins with our concept for the New Joseph Bonnheim (NJB) being centered on agriculture and on the very community it serves. To succeed in accomplishing our mission, we will abide by our NJB Standards, utilizing the Five B's, implementing a positive character education program, and creating a scholar- centered learning environment.

III. NEW JOSEPH BONNHEIM COMMUNITY CHARTER STANDARDS:

1. Commitment--- We will uphold a commitment to high academic and social expectations for all scholars.

We will encourage a positive school climate and a strong sense of community.

We will create an environment of trust and respect.

2. Duty---We will work diligently with school personnel, parents and scholars to reinforce our vision.

We will report improper conduct with procedural fairness and due process.

3. Equity---We will strive for fairness and equity.

We will consider the rights and needs of all parties affected.

4. Integrity---We will remind those facing an ethical decision about the impact of its outcome, while at the same time provide them with the courage and support to make difficult decisions.

We will uphold confidentiality.

5. Ethical Responsibility---We will model appropriate ethical behavior(s) that will have an impact in the lives of others.

We will abide by policies, procedures and school rules.

2023-24 School Description and Mission Statement

6. Respect---We will recognize and acknowledge the worth of our school community members and remember to value them through what we say and do.

We will maintain appropriate relationship with staff, scholars and parents/guardians.

IV. NJB: Our 5 B's (Basic School Rules)

- 1. Be Safe,
- 2. Be Productive
- 3. Be Attentive, Listen and Follow Staff Directions
- 4. Be Respectful and Responsible to Everyone and Their Property
- 5. Be Kind to Other People

The Joseph Bonnheim School Mission: As New Joseph Bonnheim Community Charter educators, we will provide standardsbased curriculum and instruction that supports the learning of all students so that they meet or exceed grade level expectations.

NJB is an excellent neighborhood charter school that is centered on agriculture and science, and on the very community it serves. With a dedicated and caring team of highly qualified teachers, support staff, wonderful children, involved and supportive parents, and partnerships, our mission is to develop responsible, respectful, and proactive citizens to become caretakers of our community, our state, our country, and our planet.

NJB is deeply committed in all aspects of our scholars' learning by providing a quality education using the Highly Effective Teaching model, LIFESKILLS to promote positive relationships, and implementing the Common Core State Standards. At NJB, scholars are fully engaged in their thinking and demonstrate mastery of learning effectively. Our goal is to guide children to become fully participating citizens by giving them a strong academic education in a nurturing environment that recognizes diversity, promotes healthy choices, positive mindset, and embraces community involvement.

Our scholars receive a challenging and rigorous academic curriculum that is thematic and based in science and agriculture. Our project based learning and inquiry is supported with enrichment activities, hands-on and real-life experiences, community resources, and active parent participation and involvement. Parent and community partnerships are encouraged and continue to provide vital assistance to our educational program.

In addition to instruction in the core curriculum and units of study in science, scholars are provided learning opportunities in our community garden, library, art and music, sports, technology, and various after school and enrichment programs. NJB also has smaller class sizes to support learning and every grade level has a bi-lingual teacher. To further optimize our scholars' learning and development of staff, this year we are utilizing a year-round calendar designed to support a high level of on-going professional development without interfering with the instructional day.

Other staff members at NJB provide support and are instrumental in helping scholars with their academic and social and emotional needs. These services include a speech and language specialist, resource specialist, counseling services and mentoring, and school psychologist.

Scholars receive special recognition in monthly Leader in Me assemblies, Perfect Attendance assemblies (monthly, trimester, and year-long), recognition for achieving benchmarks on periodic benchmark assessments in English Language Arts and Mathematics, and grade level standards in English Language Arts, Mathematics and Science based on the I-ready, Benchmark (ELA) and Go Math(MATH) SBAC, Science CST, and various data. Scholars' academic improvement is also acknowledged and highlighted throughout the school year.

Our school's Steering Committee, PTA, and other site committees are very active and highly committed to supporting and improving the educational program and school environment through its involvement with the school and its many planned school and family activities.

New Joseph Bonnheim Community Charter is a wonderful neighborhood school establishing a tradition of curious intellectual learners, high scholar achievement and academic success for all scholars, and outstanding parent and community involvement. We believe in our scholars and their educational success is our priority.

2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

To realize the vision of Sacramento City Unified School District, which is to fully prepare all students for college and career, it is imperative that the district provides numerous opportunities to expand the professional repertoire of its administrators and teachers. To that end, the district has crafted a high-quality professional learning program that is focused on Literacy (including ELA Common Core Standards), English Language Learners, Mathematics, Science, Physical Education, and Visual and Performing Arts. The learning opportunities afforded through this program deeply align with the needs of our individual schools, as well as our Local Control Accountability Plan, and connect to every aspect of school practice: thinking curriculum, intentional instructional practices, assessment for learning, and lesson design. Professional learning opportunities are offered during school hours and outside of contracted hours. In addition to on-site coaching and regular professional learning opportunities, a designated collaborative Thursday time provides the opportunity for teachers to engage in collaborative professional learning at their respective schools focusing on deepening their content knowledge, strengthening their instructional repertoire, improving their assessment strategies, and fostering a shared sense of responsibility.

School Facility Conditions and Planned Improvements

New Joseph Bonnheim received a Facility Inspection Tool (FIT) overall rating score of Good on their most recent inspection. During the summer of 2023, New Joseph installed a shade structure as part of their playground.

The district governing Board has adopted cleanliness standards for all district schools to ensure that all schools are clean, safe, and functional. The district Operations Department takes great pride in following a work order process that provides efficient and timely services to all the sites. The principal works directly with the site custodial staff to develop cleaning schedules to ensure that the school is clean and safe.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

- 1. Smarter Balanced Summative Assessments and CAAs for ELA in grades three through eight and grade eleven.
- 2. Smarter Balanced Summative Assessments and CAAs for mathematics in grades three through eight and grade eleven.
- 3. California Science Test (CAST) and CAAs for Science in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Fiscal Year 2022-23 Types of Services Funded

SCUSD and district schools provide supplemental programs and services through categorical funds and other sources to support the needs of all students, including GATE, students with disabilities, and English learners. Programs and services such as enrichment programs, family engagement activities, supplemental instructional materials, and academic, social, and emotional support programs help our students achieve grade-level readiness, mastery of the California Common Core State Standards (CCSS), and college and career readiness.

New Joseph Bonnheim and district supplemental programs and services include:

- Supplemental instructional materials and books in mathematics, reading/language arts, and ELD
- Extended Day/Year/ Summer school
- Enrichment programs
- Parent Education/Family Nights
- Student/Family Primary Language Support
- Translation for Home-School Communication
- Special Education
- Professional Development
- Support Staff, such as nurses, instructional assistants, parent advisors, and counselors
- Supplemental Education Services
- * Before and After School Care
 - School Choice

Please check with your child's principal to receive information regarding the services that are specific to your child's school.

Professional Development

To realize the vision of Sacramento City Unified School District, which is to fully prepare all students for college and career, it is imperative that the district provides numerous opportunities to expand the professional repertoire of its administrators and teachers. To that end, the district strives to provide staff with professional learning opportunities that focus on ensuring that all students have access to culturally responsive high-quality instruction and support through Universal Design for Learning and anti-bias/anti-racist practices in a robust multi-tiered system of support. District experts also provide professional learning specifically focused on Literacy, English Learners, Mathematics, Science, Educational Technology, Physical Education, the Visual and Performing Arts, and Social-Emotional Learning. The learning opportunities afforded through district professional learning deeply aligns with the needs of our individual schools, as well as our Local Control Accountability Plan, and connect to every aspect of school practice: thinking curriculum, intentional instructional practices, assessment for learning, and lesson design. Professional learning opportunities are offered during school hours and outside of contracted hours. In addition to onsite coaching and regular professional learning opportunities, a designated collaborative Thursday time provides the opportunity for teachers to engage in collaborative professional learning at their respective schools focusing on deepening their content knowledge, strengthening their instructional repertoire, improving their assessment strategies, and fostering a shared sense of responsibility.
