Educational Employee Mortgage Loan

Schools Financial Credit Union is a locally-based lender offering some of the lowest mortgage rates in the industry.

We now offer a mortgage loan with special benefits for educational employees¹ at the same great rates as our regular 30-year fixed mortgage.

⇒ Loan benefits:

- ▶ **1% back²** toward closing costs or to take as cash at closing
- ▶ As little as **3% down³**
- ▶ **No hidden closing fees**
- ▶ Close in as few as **21 days**
- ▶ **No origination fees** for first-time buyers⁴
- ▶ **Save an average of \$18,000** over a similar FHA loan⁵
- ▶ Same low rates as our regular 30-year fixed mortgage loans

Apply online at schools.org, or over the phone at 916-569-5400 or 800-962-0990.

Banking for EveryoneSM

¹ Teachers, administrators, classified staff, district employees, Department of Education employees and government-sponsored educational program employees.

² 1% back from total loan amount funded.

³ Limited to 97% maximum loan to value for one-unit properties. 90% maximum loan to value for two-unit properties. Example: A \$400,000 home purchase with a minimum down payment of \$12,000 (3%) required, with a resulting loan amount of \$388,000. At 4.50% APR, the payment on a \$388,000 loan for 30 years would be \$1,994.86 plus taxes, property insurance and mortgage insurance.

⁴ First-time homebuyer defined as a borrower who has not owned a home within the past three years. Origination fee of \$695 waived for first-time buyers.

⁵ Based on the comparison of cost over the life of a \$388,000 30-year fixed FHA mortgage loan versus a Schools Educational Employee Mortgage loan.
