

The SCUSD Department of Student Support and Health Services presents:

Section 504: Overview, Compliance & Implementation

Objective:

Increased awareness and understanding of Section 504 law as it relates to the provision and implementation of educational programming and services to those eligible students.

Tuesday, September 19, 2017
Serna Center: Tennessee/Pennsylvania Rooms
9:00 – 11:00 a.m. OR
1:00 – 3:00 p.m.

***Presenters:* Lozano & Smith, Attorneys at Law**

Workshop will include:

- An overview of Section 504, and its policies and procedures. It is also a refresher for those who attended in September 2017
- A review of current District Board Policy, Administrative Regulations and changes in the law
- A review of District forms procedures
- Home Hospital Instruction Guidelines
- Please bring your 504 handbook with you. Handbooks available for new coordinators

**This workshop is designed for principals, assistant principals, counselors, nurses, psychologists, program specialists, school social workers.
This workshop is mandatory for Section 504 site coordinators.**
