<b><u>ACADEMIC OFFICE</u></b>		
SA16-00093 Generation Ready	<p>8/7/15 – 6/30/16: Continued implementation of Common Core State Standards in Mathematics (CCSSM). During the 2014-15 school year, SCUSD continued to focus the CCSSM professional learning on building teacher and leader capacity in learning the three major components of the standards (Standards for Mathematical Practice, Instructional Shifts, and the Content Standards) using an inquiry-based collaborative design methodology. This model afforded teachers and leaders the opportunity to: a) collaborate quarterly to build a common understanding of the standards, b) strengthen instructional practice with coaching and feedback from district training specialists, and c) continuously assess the impact of their instruction on student learning through examining student work. As a result, changes in both teacher practice and student learning are evident.</p> <p>Supporting the district’s implementation is a mathematics professional development grant. A condition of the math grant is to collaborate with an external technical support provider. As a result of a robust and comprehensive Request for Proposal (RFP) process, the district began its partnership with Generation Ready, formerly, Editure Professional Development, in 2013. As the implementation continues in 2015-16 all teachers in grades K-8 will participate in a four-part series of district professional learning (October, December, February, and April). During these times, as a community of practice, they will deepen their understanding of the math content standards and Standards for Mathematical Practice. During two of the four sessions, teachers will have the opportunity to collaborate with their peers to design lessons, observe classrooms, debrief instruction, examine student work, and determine implications for teaching and learning. Likewise, site leaders will engage in monthly professional learning sessions designed to build their knowledge of the CCSSM and expand their professional toolkits for leading the</p>	<p>\$250,000 S.D. Due to the magnitude of the required change in practice and belief, both teachers and site leaders will receive on-going support from district mathematics training specialists and our Generation Ready partners who will provide coaching, demonstration lessons, feedback, and resources for instructional planning.

## PROFESSIONAL SERVICES AGREEMENT

**THIS PROFESSIONAL SERVICES AGREEMENT** (the "Agreement") is made as of August 6, 2015, by and between Generation Ready Inc. ("Generation Ready"), a New York corporation formerly known as Editure Professional Development Inc. , and Sacramento City Unified School District ("School" or "School District"). Generation Ready and the School District may be collectively referred to herein as the "parties" or individually as a "party."

### **RECITALS**

The School District desires to retain the services of Generation Ready for the purpose of providing educational consulting, training services, and materials, and desires to enter into an agreement with Generation Ready for the performance and provision of such services and materials.

In consideration of the promises and mutual covenants contained herein, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereby agree as follows:

1. **Term.** The School District shall retain Generation Ready as educational consultants, trainers, and service providers for the period beginning August 6, 2015, through June 30th, 2016 (the "Term"). This "term" may be modified or extended only by mutual, written agreement of the parties covering length of any extended term, scope of additional work, fee and such other terms as either party may require.
2. **Scope of Services.** During the Term, Generation Ready shall perform the services described. Such services shall be performed in a competent and professional manner, and in compliance with the terms and specifications set forth in this Agreement. Any change to the delivery schedule for the services set forth in the Work Plan, attached in Exhibit "A", must be requested by the School District in writing at least 30 days prior to the delivery date, in which event Generation Ready shall use all reasonable efforts to accommodate the request. Failure to provide 30 days' notice of a requested change will cause the School District to forfeit that service and will entitle Generation Ready to invoice the School District as though Generation Ready had delivered that service as originally scheduled in the Work Plan. If a timely request by the School District cannot be accommodated by Generation Ready, the parties will consult with each other in good faith to determine another change date that is mutually acceptable.
3. **Fee.** The fee shall be \$250,000, payable over the Term of the project. Generation Ready will submit monthly invoices for services rendered and the School or School District will pay the invoices within 30 days of receipt of the invoice. To the extent the School District disputes the accuracy of any invoice or request for payment, the School District shall pay the undisputed balance promptly and as described in this paragraph, and will provide in writing and within 10 days of the refusal for payment the specific reasons that any invoice or invoice entry is disputed, together with the payment of any undisputed amount. The parties will work in good faith to resolve any billing or payment issues. Generation Ready reserves the right to add interest at an annual rate of 8% (or if less, the highest rate permitted by applicable law) to any payments that become more than 60 days overdue.
4. **Confidentiality and Proprietary Protection.** The School District acknowledges that if Generation Ready provides it with any proprietary methods, training aids, materials and documents, including via proprietary software (collectively, the "IP") the School District acknowledges that Generation Ready owns the exclusive rights to the IP and other items Generation Ready uses in and for its educational consulting and training services. All IP and any other information generated or provided to the School District by Generation Ready shall be used by School District only in connection with the educational purposes or mission of the School District, and shall not be used for any other purpose or disclosed to any other party unless specifically authorized in writing by Generation Ready. The School District acknowledges that any violation of this paragraph by the School District or any improper use or distribution of any proprietary materials by the

School District constitutes cause for Generation Ready to obtain immediate injunctive relief to stop such violation or breach, and that the ability to obtain injunctive relief in such a situation does not limit in any way Generation Ready's other rights and remedies, including indemnification for any losses arising out of breach of School District's obligations under this Section 4 or any claim that Generation Ready's use of any information or materials that the School District furnishes to Generation Ready infringes the rights of a third party. The parties agree that Generation Ready shall own all rights to any intellectual property that is developed in the course of performing services for the School District, except that the School District shall be granted a non-exclusive, royalty-free license, without the right of sub-license, to use any information that is unique to the School District and not of general application in Generation Ready's business.

5. **Termination; Limitations on Damages.** This Agreement shall be terminated upon the happening of any of the following events:
- a. Upon mutual agreement, in writing, signed by the parties to this Agreement;
  - b. Upon refusal of prompt and timely payment by the School District; however, such refusal does not excuse or forgive payment by the School District of all amounts owed and that would have been owed to Generation Ready over the remainder of the Term;
  - c. For material breach of performance of either party's obligations under this Agreement; provided, however, that the party asserting breach shall give written notice of the alleged breach and the reasons therefor and shall provide 30 days for the other party to cure the alleged breach; or
  - d. For failure of the School District to provide needed and requested materials that are required for Generation Ready to perform the services mentioned in Exhibit A attached hereto, or in this Agreement.

If a breach described in subparagraph (c) above occurs and is cured within the thirty (30) day period, this Agreement shall not be terminated for such breach. In the event such breach is not cured, this Agreement shall be terminated thirty (30) days from the date the notice of breach was provided. Upon termination of this Agreement, Generation Ready shall be entitled to receive the compensation accrued but unpaid as of the date of termination, plus, in the event that Generation Ready is not the breaching party, all amounts that would have been owed over the remainder of the Term.

Notwithstanding anything to the contrary contained in this Agreement (i) Generation Ready shall have no liability arising in whole or in part from an act or omission or the gross negligence of, or a specification or other information furnished by or on behalf of, the District, and (ii) the aggregate liability of Generation Ready and the sole remedy of the School District for breach of contract or warranty, indemnification or otherwise, shall be limited to amounts paid to Generation Ready by the School District pursuant to this Agreement, plus the actual proceeds of any Generation Ready insurance policy that responds."

6. **Relationship Between the Parties.** The relationship of Generation Ready to the School is that of an independent contractor or consultant. Nothing contained in this Agreement shall be construed to create a joint venture, partnership, association, or other affiliation or like relationship between the parties, it being specifically agreed that their relationship is and shall remain that of independent parties to a contractual relationship as set forth in this Agreement. Neither party shall have any claim under this Agreement or otherwise against the other for employee benefits of any kind, including but not limited to, health and accident insurance plans and retirement plans sponsored by a party for the benefit of its employees. In the event the Internal Revenue Service or any other governmental agency should question or challenge the independent contractor status of a party, the parties hereby agree that both the School and Generation Ready shall have the right to participate in any discussion or negotiation occurring with such agency or agencies.
7. **Notice.** All notices, demands and requests which may or are required to be given by any party to another shall be in writing, and each shall be deemed to have been properly given when served personally on an officer or principal of the party to whom such notice is to be given, or when sent postage prepaid by first class mail, registered or certified, return receipt requested, as follows:

This Agreement sets forth the full understanding of the parties regarding this matter, and other terms and conditions, including those that may be contained in or referred to in any purchase order, shall be of no force or effect.
- 9. **Assignability.** This Agreement shall be binding upon, and shall inure to the benefit of the parties and their subsidiaries and affiliates, together with their successors and assigns. No party may assign or transfer its rights or obligations hereunder without the express written consent of all other parties, except that Generation Ready may assign its rights and obligations to an acquirer of all or substantially all of Generation Ready's assets or business.
- 10. At all times during the Term, as it may be extended or renewed, and for a one year period thereafter, the School shall not:
  - a. Induce, advise, or counsel employees, contractors, representatives, or agents of the Company to leave the employ of the Company or its affiliates, or hire or engage any of the foregoing;
  - b. Otherwise interfere in any way with the relationship between the Company and its customers, employees, representatives, contractors, agents, licensees, or franchisees.

Payment shall be made within 30 days upon submission of periodic invoice(s) to the attention of Raoul Bozio, Legal Services Manager, Sacramento City Unified School District, P. O. Box 246870, Sacramento, California 95824-6870.

### **ARTICLE 4. EQUIPMENT AND FACILITIES.**

District will provide Attorney with access to all needed records and materials during normal business hours upon reasonable notice. However, District shall not be responsible for nor will it be required to provide personnel to accomplish the duties and obligations of Attorney under this Agreement. Attorney will provide all other necessary equipment and facilities to render the services pursuant to this Agreement.

### **ARTICLE 5. WORKS FOR HIRE/COPYRIGHT/TRADEMARK/PATENT**

The Attorney understands and agrees that all matters specifically produced under this Agreement that contain no intellectual property or other protected works owned by Attorney shall be works for hire and shall become the sole property of the District and cannot be used without the District's express written permission. The District shall have the right, title and interest in said matters, including the right to secure and maintain the copyright, trademark and/or patent of said matter in the name of the District.

As to those matters specifically produced under this Agreement that are composed of intellectual property or other protected works, Attorney must clearly identify to the District those protected elements included in the completed work. The remainder of the intellectual property of such completed works shall be deemed the sole property of the District. The completed works that include both elements of Attorney's protected works and the District's protected works, shall be subject to a mutual non-exclusive license agreement that permits either party to utilize the completed work in a manner consistent with this Agreement including the sale, use, performance and distribution of the matters, for any purpose in any medium.

### **ARTICLE 6. INDEPENDENT CONTRACTOR.**

Attorney's relationship to the District under this Agreement shall be one of an independent contractor. The Attorney and all of their employees shall not be employees or agents of the District and are not entitled to participate in any District pension plans, retirement, health and welfare programs, or any similar programs or benefits, as a result of this Agreement.

The Attorney and their employees or agents rendering services under this agreement shall not be employees of the District for federal or state tax purposes, or for any other purpose. The Attorney acknowledges and agrees that it is the sole responsibility of the Attorney to report as income its compensation from the District and to make the requisite tax filings and payments to the appropriate federal, state, and/or local tax authorities. No part of the Attorney's compensation shall be subject to withholding by the District for the payment of social security, unemployment, or disability insurance, or any other similar state or federal tax obligation.

The Attorney agrees to defend, indemnify and hold the District harmless from any and all claims, losses, liabilities, or damages arising from any contention by a third party that an employer-employee relationship exists by reason of this Agreement.

The District assumes no liability for workers' compensation or liability for loss, damage or injury to persons or property during or relating to the performance of services under this Agreement.

#### **ARTICLE 7. FINGERPRINTING REQUIREMENTS.**

Education Code Section 45125.1 states that if employees of any Attorney providing school site administrative or similar services may have any contact with any pupils, those employees shall be fingerprinted by the Department of Justice (DOJ) before entering the school site to determine that they have not been convicted of a serious or violent felony. If the District determines that more than limited contact with students will occur during the performance of these services, Attorney will not perform services until all employees providing services have been fingerprinted by the DOJ and DOJ fingerprinting clearance certification has been provided to the District.

District has determined that services performed under this Agreement will result in limited contact with pupils. Attorney is required to comply with the conditions listed in Exhibit A, Certification of Compliance. If the Attorney is unwilling to comply with these requirements, the Attorney's employees may not enter any school site until the Attorney provides the certification of fingerprinting clearance by the DOJ for employees providing services. These requirements apply to self-employed Attorneys.

#### **ARTICLE 8. MUTUAL INDEMNIFICATION.**

Each of the Parties shall defend, indemnify and hold harmless the other Party, its officers, agents and employees from any and all claims, liabilities and costs, for any damages, sickness, death, or injury to person(s) or property, including payment of reasonable attorney's fees, and including without limitation all consequential damages, from any cause whatsoever, arising directly or indirectly from or connected with the operations or services performed under this Agreement, caused in whole or in part by the negligent or intentional acts or omissions of the Parties or its agents, employees or consultants.

It is the intention of the Parties, where fault is determined to have been contributory, principles of comparative fault will be followed and each Party shall bear the proportionate cost of any damage attributable to fault of that Party. It is further understood and agreed that such indemnification will survive the termination of this Agreement.

## **ARTICLE 9. GENERAL LIABILITY INSURANCE.**

Prior to commencement of services and during the life of this Agreement, Attorney shall provide the District with a certificate of insurance reflecting its comprehensive general liability insurance coverage in a sum not less than \$1,000,000 per occurrence naming District as an additional insured. Such insurance as is afforded by this policy shall be primary, and any insurance carried by District shall be excess and noncontributory. If insurance is not kept in force during the entire term of the Agreement, District may procure the necessary insurance and pay the premium therefore, and the premium shall be paid by the Attorney to the District.

### **ARTICLE 9(a). PROFESSIONAL LIABILITY INSURANCE**

Prior to the commencement of services under this Services Agreement, the Attorney shall furnish to the District satisfactory proof that the Attorney has purchased professional liability coverage, on a claims made basis, extending protection to Attorney in an amount no less than Five Million Dollars (\$5,000,000) per claim, and Five Million Dollars (\$5,000,000) in the annual aggregate.

Each of Attorney's consultants shall, to the extent available, have errors and omissions insurance for their services as required or approved by the District. The District may, at its discretion and according to the circumstances, approve a variation in the foregoing insurance requirement, upon a determination that the coverage, scope, limits, and/or forms of such insurance are not commercially available.

## **ARTICLE 10. TERMINATION.**

The District may terminate this Agreement without cause upon giving the Attorney thirty days written notice. Notice shall be deemed given when received by Attorney, or no later than three days after the day of mailing, whichever is sooner.

The District may terminate this Agreement with cause upon written notice of intention to terminate for cause. A Termination for Cause shall include: (a) material violation of this Agreement by the Attorney; (b) any act by the Attorney exposing the District to liability to others for personal injury or property damage; or (c) the Attorney confirms its insolvency or is adjudged a bankrupt; Attorney makes a general assignment for the benefit of creditors, or a receiver is appointed on account of the Attorney's insolvency.

Ten (10) calendar days after service of such notice, the condition or violation shall cease, or satisfactory arrangements for the correction thereof be made, or this Agreement shall cease and terminate. In the event of such termination, the District may secure the required services from another Attorney. If the cost to the District exceeds the cost of providing the service pursuant to this Agreement, the excess cost shall be charged to and collected from the Attorney. The foregoing provisions are in addition to and not a limitation of any other rights or remedies available to the District. Written notice by the District shall be deemed given when received by the other party or no later than three days after the day of mailing, whichever is sooner.

---

**ARTICLE 11. ASSIGNMENT.**

This Agreement is for personal services to be performed by the Attorney. Neither this Agreement nor any duties or obligations to be performed under this Agreement shall be assigned without the prior written consent of the District, which shall not be unreasonably withheld. In the event of an assignment to which the District has consented, the assignee or his/her or its legal representative shall agree in writing with the District to personally assume, perform, and be bound by the covenants, obligations, and agreements contained in this Agreement.

**ARTICLE 12. NOTICES.**

Any notices, requests, demand or other communication required or permitted to be given under this Agreement shall be in writing and shall be deemed to have been duly given on the date of service if served personally on the party to whom notice is to be given, or on the third day after mailing if mailed to the party to whom notice is to be given, by first class mail, registered or certified, postage prepaid, or on the day after dispatching by Federal Express or another overnight delivery service, and properly addressed as follows:

There are no promises, terms, conditions or obligations, oral or written, between or among the parties relating to the subject matter of this Agreement that are not fully expressed in this Agreement. This Agreement may not be modified, changed, supplemented or terminated, nor may any obligations under this Agreement be waived, except by written instrument signed by the party to be otherwise expressly permitted in this Agreement.

**ARTICLE 14. CONFLICT OF INTEREST.**

The Attorney shall abide by and be subject to all applicable District policies, regulations, statutes or other laws regarding conflict of interest. **EXHIBIT A**

**CERTIFICATION of COMPLIANCE**

**Fingerprinting:** Education Code section 45125.1 provides that any contractor providing school site administrative or similar services to a school district must certify that employees who may come into contact with pupils have not been convicted of a serious or violent felony as defined by law. Those employees must be fingerprinted and the Department of Justice (DOJ) must report to the Contractor if they have been convicted of such felonies. No person convicted may be assigned to work under the contract. Depending on the totality of circumstances including (1) the length of time the employees will be on school grounds, (2) whether pupils will be in proximity of the site where the employees will be working and (3) whether the contractors will be working alone or with others, the District may determine that the employees will have only limited contact with pupils and neither fingerprinting nor certification is required.

The District has determined that section 45125.1 is applicable to this Agreement, and that the employees assigned to work at a school site under this Agreement will have only limited contact with pupils, provided the following conditions are met at all times:

1. Employees shall not come into contact with pupils or work in the proximity of pupils at any time except under the direct supervision of school district employees.
2. Employees shall use only restroom facilities reserved for District employees and shall not use student restrooms at any time.
3. Attorney will inform all employees who perform work at any school or District site of these conditions and require its employees, as a condition of employment, to adhere to them.
4. Attorney will immediately report to District any apparent violation of these conditions.
5. Attorney shall assume responsibility for enforcement of these conditions at all times during the term of this Agreement.

If, for any reason, the Attorney cannot adhere to the conditions stated above, the Attorney shall immediately so inform the District and shall assign only employees who have been fingerprinted and cleared for employment by the Department of Justice. In that case, the Attorney shall provide to the District the names of all employees assigned to perform work under this Agreement. Compliance with these conditions, or with the fingerprinting requirements, is a condition of this Agreement, and the District reserves the right to suspend or terminate the Agreement at any time for noncompliance.

If any provisions of this Agreement are held to be contrary to law by final legislative act or a court of competent jurisdiction inclusive of appeals, if any, such provisions will not be deemed valid and subsisting except to the extent permitted by law, but all other provisions will continue in full force and effect.

I. Applicable Law/Venue. This Agreement shall be governed by and construed in accordance with the laws of the State of California. If any action is instituted to enforce or interpret this Agreement, venue shall only be in the appropriate state or federal court having venue over matters arising in Sacramento County, California, provided that nothing in this Agreement shall constitute a waiver of immunity to suit by the District.

J. Assignment. This Agreement is made by and between SCCSC and the District and any attempted assignment by them, their successors or assigns shall be void unless approved in writing by all parties.

K. Entire Agreement. This Agreement constitutes the entire agreement between SCCSC and District with respect to the subject matter hereof and supersedes all previous negotiations, proposals, commitments, writings advertisements publications and understandings of any nature whatsoever with respect to the same subject matter unless expressly included in this Agreement.
