Background/Rationale: The Gann Limit (named for Paul Gann, the author of Proposition No. 4, which amended the State Constitution to establish this limit), is intended to constrain the growth in state and local government spending by linking year-to-year changes in expenditures to changes in inflation and population. Inflation for these purposes is currently the annual percentage change in California per capita personal income. For school agencies, change in Average Daily Attendance is used as a measurement of the change in population. Established in 1979 following the enactment of Proposition 13 and subsequently amended by Proposition 111, the Gann Limit applies to the state of California, cities, counties and special districts as well as to school districts and county offices of education.

One of the provisions included in the Gann Limit (Proposition No. 4), is notification to the public prior to the adoption of the Gann Limitation for this district. This agenda item is official notice of the Board of Education’s intent to adopt a resolution on October 4, 2012. Also, included with this agenda is Resolution No. 2720 relative to the 2012-13 Gann Appropriation Limitation and the worksheets for identifying the appropriation limitation.

Financial Considerations: Provide detailed calculations for Gann Appropriation Limitation.

WHEREAS, the Board of Education finds that the proposed appropriations of the 2012-13 budget do not exceed the Gann Limitation;

NOW, THEREFORE, BE IT RESOLVED that the Sacramento City Unified School District Board of Education resolves the following:

1. Provide public notice that the attached Gann Appropriation Limitation calculations are made in accordance with the law and that this board does hereby declare that the proposed appropriation of the 2011-12 and 2012-13 actuals and budget does not exceed the limitations imposed by Proposition No. 4 of 1979.
