Recommendation: To conduct a Public Hearing on the SELPA's Annual Service Delivery Plan and the Annual Budget Plan and to approve the SELPA's Plans.

Background/Rationale: The SCUSD SELPA Local Plan requires a service plan and budget plan be developed and updated annually. The plans are now developed prospectively. The Annual Service Plan describes the full continuum of services provided by the district for students, birth to 22 years of age; including students with low incidence disabilities. The Budget Plan describes those funds received in accordance with EC 56836 and the expenditure of those funds.

The Special Education Department has expanded its focus during the past three years to provide leadership to the District's Inclusive Practices initiative and the improvement of teaching and learning in all programs for students with special needs. A summary of the Department's 2013-2014 initiatives will be shared.

Financial Considerations: The SCUSD SELPA receives \$22,686,395 in state funding, \$10,101,630 in federal funding, \$10,677,725 in Revenue Limit Transfer (generated from ADA) and \$27,475,363 in other grants, entitlements and general funds for a total budget of \$70,941,113.

I. Overview/History of Department or Program

An important step in realizing our district's vision for Pillar One of the Strategic Plan, Career and College Ready Students, is to align our special education services and practices to serve our students in a manner that is equitable, provides access to the general curriculum, meets their unique needs, and closes the achievement gap. The district continues to be committed to educating our students, to the greatest extent possible, in age appropriate general education classroom settings in their neighborhood or choice schools, in order to prepare them for college or career. Our implementation of Inclusive Practices at our Early Implementer sites (Oak Ridge, Jed Smith, Sutterville, Caleb Greenwood K-8, California Middle School and CK McClatchy High School) and Phase II RSP-only sites (Hiram Johnson, John F. Kennedy, Rosa Parks, W.C. Wood, and H.W. Harkness) have shown us that students with special needs are able to and do respond positively to rigorous and relevant instruction tailored to their unique learning needs. Furthermore, the Special Education Department is currently moving forward with Redesign Team Year One recommendations. The recommendation and action outcomes from the design team process will lay a strong foundation that will position our students for success in preschool through grade 12 and beyond, and setting them on a path to develop skills and abilities needed to become responsible, productive citizens in today's global society. These continued efforts will allow the movement toward more inclusive settings aimed at improving the education outcomes for both our special and general education students.

Assembly Bill (AB) 602, Chapter 654, Statutes of 1997, requires the Special Education Local Plan Area (SELPA) to submit an Annual Budget and Service Plan that is adopted at a public hearing. As required in Education Code Section (EC) 56205, these plans must identify expected expenditures, including a description of the services provided and their physical location. The plan must demonstrate that all individuals with special needs have access to services and instruction appropriate to meet their unique learning needs as specified in their Individualized Education Program (IEP). The Annual Service and Budget Plan must now be prospective in nature, adopted by the Board and submitted to CDE on or before June 30, 2013.

The Annual Budget Plan shall identify expected expenditures for all items required including, but not limited to the following:

- Funds received in accordance with Chapter 7.2 (commencing with EC 56836)
- Administrative costs of the plan
- Special education services to pupils with severe disabilities and low incidence disabilities
- Special education services to pupils with nonsevere disabilities
- Supplemental aids and services to meet the individual needs of pupils placed in regular education classrooms and environments
- Regionalized operations and services, and direct instructional support by program specialists in accordance with Article 6 (commencing with EC 56836.23) of Chapter 7.2

Board of Education Executive Summary

Academic Office: Special Education Department

Continuous Improvement of Special Education Services:

2013-2014 Annual Service Plan and Annual Budget Plan

June 20, 2013

t

In April 2013, the district/SELPA was notified that pursuant to the requirements of IDEA and based on the analysis of the district's 2011-2012 data, that it no longer meets the requirement for significant disproportionality and will not be required to set aside 15% of its IDEA funds for 2013-2014.

II. Driving Governance:

The work of the Academic Office is driven by the need to prepare our students for college or career readiness. The Special Education Department has examined its practice and status towards preparing students for this expectation. Approximately 13% of the district's population is students with special needs. It is imperative that students with disabilities are afforded the appropriate and equitable educational opportunities and services in the Least Restrictive Environment (LRE).

Given the continued achievement gap between students with disabilities and students without disabilities, it is imperative that we provide high quality instruction, rich opportunities for learning and accountability in every one of our special education programs. As such, the district has expanded and refined the Inclusive Practices initiative. We believe that the continued expansion of our continuum of services to include Inclusive Practices will help the district provide high quality and rigorous instructional programs for all students by allowing general educators and special education support specialists to work side by side in partnerships to meet the needs of all students. We also believe that the same expectations of high rigor, relevance and accountability apply to every Special Day Class Program we operate and every related service we provide.
