Recommendation: Approve Resolution No. 2725: Resolution Designating Chief Business Officer as Senior Management of the Classified Service.

Background/Rationale: After completing their probationary period, classified employees become permanent employees with rights to their positions except in the event of layoff (with statutory reemployment rights) or termination for cause.

If approved, Resolution No. 2725 preserves the management prerogative to renew, on an annual basis, or to release designated classified management employees. Such management employees would be subject to the same annual cycle of renewal or release as certificated management employees who also have no permanent job rights to their management positions.

The Resolution designates the Chief Business Officer as a senior classified management position who, upon commencement of employment, would have no permanent job rights to this position. In all other respects, this classified employee would have all the rights, benefits and obligations of other employees in the District's classified service.

Financial Considerations: None.
