Recommendation: Conduct a Public Hearing on the proposed 2015-16 Local Control and Accountability Plan (LCAP).

Background/Rationale: Pursuant to Ed Code 52060, on or before July 1, 2015, the governing board of each school district shall adopt a Local Control and Accountability Plan (LCAP) using a template adopted by the State Board of Education. The LCAP is effective for three years with annual updates, must be aligned to SCUSD's budget and will include the district's annual goals in each of the eight specified state priorities.

Financial Considerations: None

LCAP Goals: College and Career Ready Students; Safe, Clean and Healthy Schools; Family and Community Engagement

Documents Attached:

1. Executive Summary
2. Notice of Public Hearing
3. SCUSD 2015-16 Final Draft LCAP with changes highlighted

Estimated Time of Presentation: 15 minutes

Approved by: José L. Banda, Superintendent

Board of Education Executive Summary

Local Control and Accountability Plan (LCAP) Public Hearing
June 4, 2015

I. Introduction:

In July 2013, the state Legislature approved a new funding system for all California public schools. This new funding system, Local Control Funding Formula (LCFF), requires that on or before the start of the new fiscal year every school district adopt a Local Control and Accountability Plan (LCAP) and budget.

The LCAP is the funding formula's vehicle for transparency and engagement. It must describe for each school district, and each school within the district, the annual goals and specific actions to achieve those goals for all students and subgroups of students identified in Education Code 52052, including students with disabilities. Through the LCAP, districts must describe the specific actions that are planned to achieve the goals it has identified, with budget details that show the type of state expenditure made to support these actions.

II. Driving Governance:

According to Ed Code 52060 on or before the end of the fiscal year, the Governing Board of each school district shall adopt a Local Control and Accountability Plan (LCAP) using a template adopted by the State Board of Education (SBE), effective for three years with annual updates. It will include the district's annual goals for all students and for each subgroup in regard to the eight state priorities and any local priorities, as well as the plans for implementing actions to achieve those goals. The LCAP requires school districts to describe specific annual goals and note actual progress towards those goals in its annual updates. Progress must be based on identified metrics, which may be either qualitative or quantitative.

There are at least two public meetings where the LCAP is shared, along with the district's budget. The first meeting is a public hearing that allows for recommendations and comments from the public about the LCAP and budget. The second meeting is when the LCAP and budget are adopted.

III. Goals, Objectives and Measures:

Districts will be required to show that they have increased and improved services for the following targeted students:

- English Language Learners
- Pupils eligible for free and reduced price meals program
- Foster Youth
- Special Education

Districts are asked to engage with broad segments of the community around the LCAP, describe which stakeholder groups were consulted while developing and revising the plan, and share how feedback was used to inform the plan.

Board of Education Executive Summary

Local Control and Accountability Plan (LCAP) Public Hearing
June 4, 2015

With the 2015-16 plan (and every year thereafter), districts shall complete an Annual Update to the LCAP to include:

- An assessment of the prior year's LCAP metrics and actions and a description of any changes to those specific actions based on the assessment;
- A comparison of the actions and expenditures that were listed in the prior year's LCAP and the actions and expenditures that actually were implemented.

IV. Outreach and Engagement Plan:

Following presentation of the Draft LCAP to the SCUSD Board of Education on April 23, 2015, the district began a second round of engagement activities specifically designed to solicit and gather feedback on the draft version of the plan. A second survey was distributed broadly to stakeholders, and school sites were asked to share the draft and survey with their community.

The survey was translated into five languages and made available in both hard copy (printed) and online. Staff produced a Community Guide to the LCAP. Paired with the survey, the Community Guide provides an overview of LCFF and LCAP, the state-required metrics used to measure progress, and the stated goals, activities, services and expenditures that are part of the plan. The survey asks stakeholders for their understanding of the plan; whether they believe the plan supports positive student outcomes for the targeted demographic groups and includes an opportunity to provide an open-ended comment.

The full LCAP was translated into Spanish and Hmong this year, as was the Community Guide. All materials are posted online at www.scusd.edu/lcap.

Community Planning Process

To facilitate the survey on the LCAP draft, the district replicated last year's Community Planning Process (CPP), a grass-roots model used to gather authentic input and feedback on important topics such as the LCAP. Community members were empowered with training to become Public Education Volunteers (PEVs), and engaged with their personal and professional networks to share information and gather input.

Many community members and staff volunteered to undertake PEV training and share the survey. Other stakeholder groups both internal (School Climate Committee, Linked Learning Pathways, Youth Engagement Services) and external (the LCAP Advisory Committee, DELAC, CAC and PTA) participated as well. The district received support from many community partners, including, but not limited to: Hmong Innovating Politics, La Familia Counseling Center, Area Congregations Together, Parent/Teacher Home Visit Project and Black Parallel School Board as well.

School Site Engagement

To ensure that the LCAP draft and survey was shared at every school site, SCUSD principals were provided a toolkit of communication materials for facilitating staff and parent meetings at

their respective sites. Weekly updates and reminders were provided through the Principals Bulletin Board, and staff targeted outreach to school sites that were statistically under-represented in the first survey of the year. Principals engaged with parents and staff at standing School Site Council meetings, PTA meetings, English Learner Advisory Council (ELAC) meetings, Collaborative Planning Time (CPT) and staff meetings. At many sites, district staff or PEVs attended the meetings to help facilitate the discussion and communicate the survey details.

Several members of the LCAP Advisory Committee, and the Family and Community Engagement staff were driving forces in reaching out to school sites. In total, more than 1,600 respondents completed the second LCAP survey. A full report of the survey results is located on the district's web site: www.scusd.edu/LCAP.

LCAP Parent Advisory Committee

The board-appointed LCAP Parent Advisory Committee has met bimonthly since January. After a daylong Saturday retreat, the committee identified four themes on which to focus, although not to the exclusion of other topics.

1. School Climate
2. After School Programs
3. Counselors
4. Support for all subgroups

The LCAP Parent Advisory Committee submitted comments on the draft to the Superintendent on each of the three goals in the LCAP.

District English Learner Advisory Committee (DELAC)

The DELAC received information about LCAP at their regularly-scheduled meetings in February, March and May. A subcommittee of self-selected DELAC members met twice to review the LCAP for the purpose of submitting comments on the draft. Their report has been submitted to the Superintendent.

Responses to Questions

LCFF specifically requires districts to respond, in writing, to questions from their Parent Advisory Committee and District English Learner Advisory Committee prior to the LCAP's adoption. Responses will be compiled and posted online within the next two weeks.

V. Revisions to Plan:

As a result of the feedback and input from stakeholders on the draft plan, as well as input from the County Office of Education, the Final Draft LCAP was adjusted. *Note that the changes have been highlighted on the attached document.*

Section 1: Stakeholder Engagement

Section 1 of the Final Draft LCAP was updated to reflect additional engagement activities and

meetings. More detail was also added for additional context, as well as detail about the involvement around the Annual Update.

Section 2: Goals, Actions, Expenditures and Progress Indicators

Section 2 was updated to include significantly more data than the first draft, including the school sites that are using supplemental and concentration funds. Feedback from stakeholders indicated a strong desire to make the LCAP a “data rich” document. The Final Draft LCAP reflects that feedback.

The Governor’s May Revise resulted in additional funding to the district, which is reflected in the Final Draft. While the LCAP is only required to specifically address expenditures of LCFF Supplemental and Concentration grant funds, input from stakeholders indicated a desire to include more of the complete picture of expenditures dedicated to addressing the goals laid out in the plan. However, all expenditures from all funding sources are not included in the LCAP.

Sections 3A and 3B have been updated as they were not included at the time the draft LCAP was issued. The detailed Minimum Proportionality Percentage (MPP) formula is included. Because SCUSD’s student population is more than 55% Free and Reduced Lunch, LCFF allows for Supplemental and Concentration Grant dollars to be used to support district-wide expenditures.

VI. Major Initiatives:

Community meetings, stakeholder survey(s), and development of the LCAP and toolkit of communications materials for principals and PEVs. Simultaneously working with Budget team to receive budget updates, and Assessment, Research and Evaluations to receive updates on metrics.

VII. Results:

Public Hearing on the 2015-16 Local Control and Accountability Plan.

VIII. Next Steps:

- June 18 - Present 2015-16 Local Control and Accountability Plan to SCUSD Board of Education for approval.
- Following SCUSD Board approval, the 2015-16 Local Control and Accountability Plan will be sent to SCOE for approval within five days.
- June through August - Review process, structures and timelines associated with LCAP, specifically with regards to alignment to Single Plan for Student Achievement (SPSA) and Budget calendar and reconciling expenditures both at district and site level.

Local Control and Accountability Plan and Annual Update Template

The Local Control and Accountability Plan (LCAP) and Annual Update Template shall be used to provide details regarding local educational agencies' (LEAs) actions and expenditures to support pupil outcomes and overall performance pursuant to Education Code sections 52060, 52066, 47605, 47605.5, and 47606.5. The LCAP and Annual Update Template must be completed by all LEAs each year.

For school districts, pursuant to Education Code section 52060, the LCAP must describe, for the school district and each school within the district, goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, for each of the state priorities and any locally identified priorities.

For county offices of education, pursuant to Education Code section 52066, the LCAP must describe, for each county office of education-operated school and program, goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, who are funded through the county office of education Local Control Funding Formula as identified in Education Code section 2574 (pupils attending juvenile court schools, on probation or parole, or mandatorily expelled) for each of the state priorities and any locally identified priorities. School districts and county offices of education may additionally coordinate and describe in their LCAPs services provided to pupils funded by a school district but attending county-operated schools and programs, including special education programs.

Charter schools, pursuant to Education Code sections 47605, 47605.5, and 47606.5, must describe goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, for each of the state priorities as applicable and any locally identified priorities. For charter schools, the inclusion and description of goals for state priorities in the LCAP may be modified to meet the grade levels served and the nature of the programs provided, including modifications to reflect only the statutory requirements explicitly applicable to charter schools in the Education Code.

The LCAP is intended to be a comprehensive planning tool. Accordingly, in developing goals, specific actions, and expenditures, LEAs should carefully consider how to reflect the services and related expenses for their basic instructional program in relationship to the state priorities. LEAs may reference and describe actions and expenditures in other plans and funded by a variety of other fund sources when detailing goals, actions, and expenditures related to the state and local priorities. LCAPs must be consistent with school plans submitted pursuant to Education Code section 64001. The information contained in the LCAP, or annual update, may be supplemented by information contained in other plans (including the LEA plan pursuant to Section 1112 of Subpart 1 of Part A of Title I of Public Law 107-110) that are incorporated or referenced as relevant in this document.

For each section of the template, LEAs shall comply with instructions and should use the guiding questions as prompts (but not limits) for completing the information as required by statute. Guiding questions do not require separate narrative responses. However, the narrative response and goals and actions should demonstrate each guiding question was considered during the development of the plan. Data referenced in the LCAP must be consistent with the school accountability report card where appropriate. LEAs may resize pages or attach additional pages as necessary to facilitate completion of the LCAP.

State Priorities

The state priorities listed in Education Code sections 52060 and 52066 can be categorized as specified below for planning purposes, however, school districts and county offices of education must address each of the state priorities in their LCAP. Charter schools must address the priorities in Education Code section 52060(d) that apply to the grade levels served, or the nature of the program operated, by the charter school.

A. Conditions of Learning:

Basic: degree to which teachers are appropriately assigned pursuant to Education Code section 44258.9, and fully credentialed in the subject areas and for the pupils they are teaching; pupils have access to standards-aligned instructional materials pursuant to Education Code section 60119; and school facilities are maintained in good repair pursuant to Education Code section 17002(d). (Priority 1)

Implementation of State Standards: implementation of academic content and performance standards and English language development standards adopted by the state board for all pupils, including English learners. (Priority 2)

Course access: pupil enrollment in a broad course of study that includes all of the subject areas described in Education Code section 51210 and subdivisions (a) to (i), inclusive, of Section 51220, as applicable. (Priority 7)

Expelled pupils (for county offices of education only): coordination of instruction of expelled pupils pursuant to Education Code section 48926. (Priority 9)

Foster youth (for county offices of education only): coordination of services, including working with the county child welfare agency to share information, responding to the needs of the juvenile court system, and ensuring transfer of health and education records. (Priority 10)

B. Pupil Outcomes:

Pupil achievement: performance on standardized tests, score on Academic Performance Index, share of pupils that are college and career ready, share of English learners that become English proficient, English learner reclassification rate, share of pupils that pass Advanced Placement exams with 3 or higher, share of pupils determined prepared for college by the Early Assessment Program. (Priority 4)

Other pupil outcomes: pupil outcomes in the subject areas described in Education Code section 51210 and subdivisions (a) to (i), inclusive, of Education Code section 51220, as applicable. (Priority 8)

C. Engagement:

Parental involvement: efforts to seek parent input in decision making at the district and each schoolsite, promotion of parent participation in programs for unduplicated pupils and special need subgroups. (Priority 3)

Pupil engagement: school attendance rates, chronic absenteeism rates, middle school dropout rates, high school dropout rates, high school graduations rates. (Priority 5)

School climate: pupil suspension rates, pupil expulsion rates, other local measures including surveys of pupils, parents and teachers on the sense of safety and school connectedness. (Priority 6)

Section 1: Stakeholder Engagement

Meaningful engagement of parents, pupils, and other stakeholders, including those representing the subgroups identified in Education Code section 52052, is critical to the LCAP and budget process. Education Code sections 52060(g), 52062 and 52063 specify the minimum requirements for school districts; Education Code sections 52066(g), 52068 and 52069 specify the minimum requirements for county offices of education, and Education Code section 47606.5 specifies the minimum requirements for charter schools. In addition, Education Code section 48985 specifies the requirements for translation of documents.

Instructions: Describe the process used to consult with parents, pupils, school personnel, local bargaining units as applicable, and the community and how this consultation contributed to development of the LCAP or annual update. Note that the LEA's goals, actions, services and expenditures related to the state priority of parental involvement are to be described separately in Section 2. In the annual update boxes, describe the stakeholder involvement process for the review, and describe its impact on, the development of the annual update to LCAP goals, actions, services, and expenditures.

Guiding Questions:

- 1) How have applicable stakeholders (e.g., parents and pupils, including parents of unduplicated pupils and unduplicated pupils identified in Education Code section 42238.01; community members; local bargaining units; LEA personnel; county child welfare agencies; county office of education foster youth services programs, court-appointed special advocates, and other foster youth stakeholders; community organizations representing English learners; and others as appropriate) been engaged and involved in developing, reviewing, and supporting implementation of the LCAP?
- 2) How have stakeholders been included in the LEA's process in a timely manner to allow for engagement in the development of the LCAP?
- 3) What information (e.g., quantitative and qualitative data/metrics) was made available to stakeholders related to the state priorities and used by the LEA to inform the LCAP goal setting process? How was the information made available?
- 4) What changes, if any, were made in the LCAP prior to adoption as a result of written comments or other feedback received by the LEA through any of the LEA's engagement processes?
- 5) What specific actions were taken to meet statutory requirements for stakeholder engagement pursuant to Education Code sections 52062, 52068, and 47606.5, including engagement with representatives of parents and guardians of pupils identified in Education Code section 42238.01?
- 6) What specific actions were taken to consult with pupils to meet the requirements 5 CCR 15495(a)?
- 7) How has stakeholder involvement been continued and supported? How has the involvement of these stakeholders supported improved outcomes for pupils, including unduplicated pupils, related to the state priorities?

Involvement Process	Impact on LCAP

The survey was designed to reconnect with community stakeholders by asking for direct feedback on the LCAP goals, through open-ended response options. Each school was encouraged to ask parents to take the LCAP Survey as a method of informing their School Site Council of stakeholder priorities. The survey only reached a small number of district participants, but widely confirmed that the district is on the right track with our stated goals.</p>	<p>The model for the Parent Advisory Committee is different this year. Community Meetings

As a practice, stakeholders are invited to all events by multiple methods: email, autodial phone reminders, flyers, web, media, and social media. Staff personally invited parents, Parent Leadership Pathway participants, district advisory committees, as well as other community partners and groups. Translation and childcare are provided.

February 17 Community Meeting

This meeting included an overview of the impact of last year’s engagement in the creation of the LCAP, and a recap of the outreach. In small groups, including one group facilitated in Spanish, and one group in Hmong, and one of students, staff shared the existing goals and the actions that support each goal.

March 26 Community Meeting

At the March meeting, Chief Business Officer Gerardo Castillo shared a Budget presentation with a recap of the prior year, and updated projections for 2015-2016, including challenges that the district faces with increased utilities, retirement, and health care costs. The Annual Update metrics were shared with small groups as part of the facilitated discussion.

May 14 Community Meeting

The draft LCAP (published in English, Spanish and Hmong) was shared in an "open house" format, with bilingual staff available to discuss the programs supported under each of the three district goals, and answer questions. Laptop computers were available for participants to take the online survey that night. Paper surveys were also available.

February 17 Community Meeting:

Facilitators recorded responses for each goal on what is working at their school sites, and what could be expanded or added to support student success. For each goal, a gradient voting method was used so that each person could indicate their approval of each goal from Agree Completely to Disagree.

The gradient voting results showed this level of agreement with the goals:

- Goal 1 (College and Career Ready Students) 70% Agree/Mostly Agree
- Goal 2 (Safe, Clean, Healthy Schools) 81% Agree/Mostly Agree
- Goal 3 (Family and Community Engagement) 82% Agree/Mostly Agree

March 26 Community Meeting

Following Mr. Castillo’s presentation, the participants broke up into groups for discussions around the prompt, “Should additional discretionary funds become available, what programs or services would you like to see expanded or added?” District staff framed the conversation around the existing goals of the LCAP.

Responses from both community meetings were recorded and the input used to inform the draft plan.

May 14 Community Meeting

The attendees were able to have an in-depth conversation with district staff and members of the LCAP Parent Advisory Committee, The meeting room was set in "stations" depicting Stakeholder Engagement, Goals 1, 2, and 3. Other tables held laptop computers so that attendees could take the LCAP draft survey, and copies of the full document as well as the translated "Community Guide to the LCAP."

District English Learners Advisory Committee (DELAC)

Meeting Dates:

- February 13 - Impact of Engagement on LCAP; Goals, Activities and Services
- March 13 - Annual Update
- April 27 (subcommittee to draft comments)
- May 14 - LCAP Draft and Survey presentation
- May 18 (subcommittee to finalize comments)
- June 3 - Final report on LCAP

Student Advisory Council (SAC)

Staff attended and presented information for the district's Student Advisory Council. Students outside of the SAC were surveyed in 7th period classes in partnership with expanded learning providers.

Meeting Dates:

- February 10 - Introduction to LCAP
- February 17 - Participated in Community Meeting
- March 12 - Provided feedback on student engagement
- April 28 - Presentation of the draft, Community Guide/Annual Update and survey
- May 4 - Additional information on the LCAP survey

DELAC members were presented with the gradient method to vote on LCAP goals:

- Goal 1 (College and Career Ready Students) 79% Agree/Mostly Agree
- Goal 2 (Safe, Clean, Healthy Schools) 88% Agree/Mostly Agree
- Goal 3 (Family and Community Engagement) over 94% Agree/Mostly Agree

Charted responses from the DELAC committee were used to inform the draft plan.

The DELAC subcommittee on LCAP was self-selected to compose comments for the superintendent on the draft. The subcommittee was comprised of parents, community members, a principal and a district administrator.

Their comments highlighted concerns for student support in several areas:

- High-quality ELD instruction time and professional learning for teachers
- Academic supports for EL students
- Elementary arts instruction
- Translation and interpretation services
- Additional counselors, nurses, custodians, bilingual instructional assistants
- Increased parent engagement opportunities

The Student Advisory Council is comprised of representatives from all 13 high schools. They provided feedback on the goals at the community meeting and also the engagement process. The student trustee to the Board of Education also attended one LCAP Parent Advisory Committee meeting.

The SAC strongly expressed their desire to impact these areas of the LCAP:

- Course access, Student Engagement: Interest in more culturally relevant curriculum - particularly adding Ethnic Studies to the high school curriculum as a graduation requirement.
- Student Achievement, Other student outcomes: More resources in expanded learning around technology including more supports for students exploring college and career.
- School Climate and Student Engagement, including increased staff training.

Collective Bargaining Groups / District Staff

Staff presented information to the district's bargaining partners throughout the year. The district's website has a permanent link to LCAP Resources on the home page, and frequent articles in the "e-Connection" and staff newsletter advised of progress.

December/January - Participation in Survey # 1
February 10 - Notification of Community Meeting

Presentation of Annual Update, LCAP draft and Survey #2 for feedback

Community Planning Process and LCAP Survey # 2

To gather input on the LCAP draft, the district again relied on the Community Planning Process (CPP), a grass-roots model utilized to gather authentic input and feedback on important topics such as the LCAP. It relies on key community-organizing strategies: empowering community members as Public Education Volunteers (PEVs) to engage with their personal and professional networks to share information and gather input. The PEVs who were part of the process last year were invited to help again by personal invitation. Other stakeholder groups such as the LCAP Advisory Committee, DELAC, CAC and PTA were invited to training as well.

Training Dates at the District Office:

- April 24
- April 29
- May 1

An additional PEV training was offered for 15 staff members at La Familia Counseling Center.

All divisions of staff, particularly certificated, were strongly represented in the survey process, advocating for class size reduction and increases in FTEs for nurses, custodians and counselors.

Members of SCTA and Teamsters provided informational presentations to the LCAP Advisory Committee.

The Community Planning Process information gathering through Survey # 2 was during April and May, 2015. To date, more than 1,700 respondents completed the second LCAP survey.

Survey results to date include these priorities, the majority of which have been expanded and enhanced in this year's LCAP:

Goal 1 - College and Career Ready Students

- Class size reduction, before- and after-school opportunities, Common Core-aligned teacher training

Goal 2 - Safe, Clean and Healthy Schools

- Nurses, psychologists, social workers, programs to improve climate and culture

Goal 3 - Family and Community Engagement

- Parent outreach and training, translation services

The survey included a rating of stakeholder interest in the LCAP. A full report of the survey results will be available on the district's web site: www.scusd.edu/LCAP.

School Site Engagement

Authentic community engagement cannot just happen at the Central Office or at district-level settings. Parents, staff, students and community members have expressed a comfort level in holding meetings at the school-site level as well.

Staff produced a Community Guide that captures the key sections of the LCAP: Goals, Actions, Services and Expenditures and the Annual Update metrics.

Paired with the survey, the Community Guide provides an overview of LCFF and LCAP, the state-required metrics used to measure progress in our Annual Update, and the stated goals, activities, services and expenditures that are part of the plan. The survey is designed to ask stakeholders for their understanding of the plan, whether they believe our plan supports positive student outcomes in our district, and will give an opportunity to comment on the document while in draft form.

To ensure that the LCAP draft and survey was shared at every school site, SCUSD principals were provided a toolkit of communication materials for facilitating staff and parent meetings at their respective sites. Weekly updates and reminders were provided through the Principals Bulletin Board. All district schools held a meeting in which the LCAP and survey were shared.

Staff targeted outreach to school sites that were statistically under-represented in the first survey of this year. Principals engaged with parents and staff at standing School Site Council meetings, PTA meetings, English Learner Advisory Council (ELAC) meetings, Collaborative Planning Time (CPT) and staff meetings. At many sites, district staff or PEVs attended the meetings to help facilitate the discussion.

Several members of the LCAP Advisory Committee, and the Family and Community Engagement staff were driving forces in reaching out to school sites.

Annual Update:

The Annual Update was shared with the following stakeholder groups:

- LCAP Advisory Committee March 11 and 25
- DELAC March 18
- Community Meeting March 25
- SCUSD Executive Cabinet April 6
- Youth Engagement Services and Foster Youth Services April 6
- Board of Education April 23
- Student Advisory Council April 28
- Service Employees International Union - May 6
- Sacramento City Teachers Association (SCTA) - May 11
- United Professional Educators - May 5, May 19
- Classified Supervisors Association - May 14
- Teamsters - May 21

Annual Update:

Stakeholder involvement around the metrics and expenditures in the Annual Update impacted the draft in several ways:

There was strong feedback from stakeholders to make the LCAP a “data rich” document. They called for more specificity when describing staffing levels, and more detail around services provided. The final draft LCAP reflects that feedback.

Stakeholders called into question some of the targets named as Expected Annual Measurable Outcomes for not being aggressive enough. Adjustments were made to some of the metrics in response.

Feedback from stakeholders resulted in listing which school sites used direct allocations of supplemental/concentration funds.

Because some metrics were not available mid-year, for the next fiscal year, staff will create a schedule for the Annual Update work plan that ensures alignment with the work plan of the departments that help to provide data, report expenditures and actions.

Section 2: Goals, Actions, Expenditures, and Progress Indicators

Instructions:

All LEAs must complete the LCAP and Annual Update Template each year. The LCAP is a three-year plan for the upcoming school year and the two years that follow. In this way, the program and goals contained in the LCAP align with the term of a school district and county office of education budget and multiyear budget projections. The Annual Update section of the template reviews progress made for each stated goal in the school year that is coming to a close, assesses the effectiveness of actions and services provided, and describes the changes made in the LCAP for the next three years that are based on this review and assessment.

Charter schools may adjust the table below to align with the term of the charter school’s budget that is submitted to the school’s authorizer pursuant to Education Code section 47604.33.

For school districts, Education Code sections 52060 and 52061, for county offices of education, Education Code sections 52066 and 52067, and for charter schools, Education Code section 47606.5 require(s) the LCAP to include a description of the annual goals, for all pupils and each subgroup of pupils, to be achieved for each state priority as defined in 5 CCR 15495(i) and any local priorities; a description of the specific actions an LEA will take to meet the identified goals; a description of the expenditures required to implement the specific actions; and an annual update to include a review of progress towards the goals and describe any changes to the goals.

To facilitate alignment between the LCAP and school plans, the LCAP shall identify and incorporate school-specific goals related to the state and local priorities from the school plans submitted pursuant to Education Code section 64001. Furthermore, the LCAP should be shared with, and input requested from, schoolsite-level advisory groups, as applicable (e.g., schoolsite councils, English Learner Advisory Councils, pupil advisory groups, etc.) to facilitate alignment between school-site and district-level goals and actions. An LEA may incorporate or reference actions described in other plans that are being undertaken to meet the goal.

Using the following instructions and guiding questions, complete a goal table (see below) for each of the LEA’s goals. Duplicate and expand the fields as necessary.

Goal: Describe the goal:

When completing the goal tables, include goals for all pupils and specific goals for schoolsites and specific subgroups, including pupils with disabilities, both at the LEA level and, where applicable, at the schoolsite level. The LEA may identify which schoolsites and subgroups have the same goals, and group and describe those goals together. The LEA may also indicate those goals that are not applicable to a specific subgroup or schoolsite.

Related State and/or Local Priorities: Identify the state and/or local priorities addressed by the goal by placing a check mark next to the applicable priority or priorities. The LCAP must include goals that address each of the state priorities, as defined in 5 CCR 15495(i), and any additional local priorities; however, one goal may address multiple priorities.

Identified Need: Describe the need(s) identified by the LEA that this goal addresses, including a description of the supporting data used to identify the need(s).

Schools: Identify the schoolsites to which the goal applies. LEAs may indicate “all” for all schools, specify an individual school or a subset of schools, or specify grade spans (e.g., all high schools or grades K-5).

Applicable Pupil Subgroups: Identify the pupil subgroups as defined in Education Code section 52052 to which the goal applies, or indicate “all” for all pupils.

Expected Annual Measurable Outcomes: For each LCAP year, identify and describe specific expected measurable outcomes for all pupils using, at minimum, the applicable required metrics for the related state priorities. Where applicable, include descriptions of specific expected measurable outcomes for schoolsites and specific subgroups, including pupils with disabilities, both at the LEA level and at the schoolsite level.

The metrics used to describe the expected measurable outcomes may be quantitative or qualitative, although the goal tables must address all required metrics for every state priority in each LCAP year. The required metrics are the specified measures and objectives for each state priority as set forth in Education Code sections 52060(d) and 52066(d). For the pupil engagement priority metrics, LEAs must calculate the rates specified in Education Code sections 52060(d)(5)(B), (C), (D) and (E) as described in the Local Control Accountability Plan and Annual Update Template Appendix, sections (a) through (d).

Action/Services: For each LCAP year, identify all annual actions to be performed and services provided to meet the described goal. Actions may describe a group of services that are implemented to achieve the identified goal.

Scope of Service: Describe the scope of each action/service by identifying the schoolsites covered. LEAs may indicate “all” for all schools, specify an individual school or a subset of schools, or specify grade spans (e.g., all high schools or grades K-5). If supplemental and concentration funds are used to support the action/service, the LEA must identify if the scope of service is districtwide, schoolwide, countywide, or charterwide.

Pupils to be served within identified scope of service: For each action/service, identify the pupils to be served within the identified scope of service. If the action to be performed or the service to be provided is for all pupils, place a check mark next to “ALL.”

For each action and/or service to be provided above what is being provided for all pupils, place a check mark next to the applicable unduplicated pupil subgroup(s) and/or other pupil subgroup(s) that will benefit from the additional action, and/or will receive the additional service. Identify, as applicable, additional actions and services for unduplicated pupil subgroup(s) as defined in Education Code section 42238.01, pupils redesignated fluent English proficient, and/or pupils subgroup(s) as defined in Education Code section 52052.

Budgeted Expenditures: For each action/service, list and describe budgeted expenditures for each school year to implement these actions, including where those expenditures can be found in the LEA's budget. The LEA must reference all fund sources for each proposed expenditure. Expenditures must be classified using the California School Accounting Manual as required by Education Code sections 52061, 52067, and 47606.5.

Guiding Questions:

- 1) What are the LEA's goal(s) to address state priorities related to "Conditions of Learning"?
- 2) What are the LEA's goal(s) to address state priorities related to "Pupil Outcomes"?
- 3) What are the LEA's goal(s) to address state priorities related to parent and pupil "Engagement" (e.g., parent involvement, pupil engagement, and school climate)?
- 4) What are the LEA's goal(s) to address any locally-identified priorities?
- 5) How have the unique needs of individual schoolsites been evaluated to inform the development of meaningful district and/or individual schoolsite goals (e.g., input from site level advisory groups, staff, parents, community, pupils; review of school level plans; in-depth school level data analysis, etc.)?
- 6) What are the unique goals for unduplicated pupils as defined in Education Code sections 42238.01 and subgroups as defined in section 52052 that are different from the LEA's goals for all pupils?
- 7) What are the specific expected measurable outcomes associated with each of the goals annually and over the term of the LCAP?
- 8) What information (e.g., quantitative and qualitative data/metrics) was considered/reviewed to develop goals to address each state or local priority?
- 9) What information was considered/reviewed for individual schoolsites?
- 10) What information was considered/reviewed for subgroups identified in Education Code section 52052?
- 11) What actions/services will be provided to all pupils, to subgroups of pupils identified pursuant to Education Code section 52052, to specific schoolsites, to English learners, to low-income pupils, and/or to foster youth to achieve goals identified in the LCAP?
- 12) How do these actions/services link to identified goals and expected measurable outcomes?
- 13) What expenditures support changes to actions/services as a result of the goal identified? Where can these expenditures be found in the LEA's budget?

GOAL 2:	Schools will provide students with a clean, healthy, physically and emotionally safe learning environment.		Related State and/or Local Priorities: 1 <input checked="" type="checkbox"/> 2 _ 3 _ 4 _ 5 <input checked="" type="checkbox"/> 6 <input checked="" type="checkbox"/> 7 _ 8 _ COE only: 9 _ 10 _ Local : Specify
Identified Need :	SCUSD believes in a holistic approach to student achievement that fosters student engagement in clean, healthy and safe environments. The loss of custodians and plant managers district wide forced other classified and certificated staff to take on cleaning and maintenance duties taking them from full focus on service to students and parents. Their extra time and effort resulted in a FIT rating of 100%. Data indicates the following needs: * Maintain FTE of custodians and plant managers in order to achieve FIT inspection rating at 100%. * Increase student engagement in schools district wide as indicated by district attendance rate and chronic absence rate. * Decrease number of suspensions. * Decrease number of expulsions. * Decrease cohort drop-out rate and middle school drop-out rate. * Increase positive responses on school safety and climate surveys.		
Goal Applies to:	Schools:	All	
	Applicable Pupil Subgroups:	All	

LCAP Year 1: 2015-16

Expected Annual Measurable Outcomes:

- * Maintain FIT (Facilities Inspection Tool) Inspection rating at 100%.
- * Each school will have at least 4 hours of custodial time (86.5 FTE).
- * Each school will have a Plant Manager (71 FTE).
- * District-wide attendance rates will increase to 96.5% for all, and 97% for Low income, 97% for EL, and 95% for Foster Youth.
- * Chronic Absence rates will decrease to:
 - Elementary: 10.7%
 - K-8: 10.4%
 - Middle: 12.1 %
 - High: 21%
 - Low income: 13.7%
 - EL: 10%
 - Foster Youth: 29.1%
- * High School suspension rate will decrease to 7.5%.
- * Drop out rate will decrease to 4.5% for all, 4.5% for Low income, 8% for EL.
- * Maintain a middle school drop out rate of less than 1 percent
- * Increase percentage of students reporting positive all school climate factors on the CA Healthy Kids Survey.
 - Elementary: + 2%
 - Secondary: + 2%

Annual Update

Annual Update Instructions: For each goal in the prior year LCAP, review the progress toward the expected annual outcome(s) based on, at a minimum, the required metrics pursuant to Education Code sections 52060 and 52066. The review must include an assessment of the effectiveness of the specific actions. Describe any changes to the actions or goals the LEA will take as a result of the review and assessment. In addition, review the applicability of each goal in the LCAP.

Guiding Questions:

- 1) How have the actions/services addressed the needs of all pupils and did the provisions of those services result in the desired outcomes?
- 2) How have the actions/services addressed the needs of all subgroups of pupils identified pursuant to Education Code section 52052, including, but not limited to, English learners, low-income pupils, and foster youth; and did the provision of those actions/services result in the desired outcomes?
- 3) How have the actions/services addressed the identified needs and goals of specific schoolsites and were these actions/services effective in achieving the desired outcomes?
- 4) What information (e.g., quantitative and qualitative data/metrics) was examined to review progress toward goals in the annual update?
- 5) What progress has been achieved toward the goal and expected measurable outcome(s)? How effective were the actions and services in making progress toward the goal? What changes to goals, actions, services, and expenditures are being made in the LCAP as a result of the review of progress and assessment of the effectiveness of the actions and services?
- 6) What differences are there between budgeted expenditures and estimated actual annual expenditures? What were the reasons for any differences?

What changes in actions, services, and expenditures will be made as a result of reviewing past progress and/or changes to goals?

Producing college and career-ready students is a long-standing goal for Sacramento City Unified School District, and this goal will continue to guide our work, as has been reinforced by our community stakeholders. At the end of this year (2014-15), we will begin to implement benchmark assessments. With this baseline set, we will be able to establish targets for 2016-17 and 2017-18 school years.

The first LCAP Annual Update has shown us that while we have made some gains with student outcomes, there is still work to be done. We continue the implementation of Common Core State Standards, with integrated and designated professional learning focusing on both domains (Math and ELA) within the framework. The focus on the new California ELD standards will be enhanced with an additional "trailblazer" professional learning cadre in the 2015-16 school year. We are also adding two Training Specialists to facilitate the implementation of the Next Generation Science Standards, and Multilingual Literacy support. All staff will receive professional learning; we will continue to provide it for our instructional assistants, including our bilingual instructional assistants.

Many stakeholders expressed the need for additional counselors at the middle school and high school level, to better prepare students for college and career. There will be five additional counselors added to our district to reduce the ratio of students to counselors. We need to do a better job identifying students in the Pathways and additional counselors will result in improved student monitoring.

The district will also continue to focus on early literacy with an additional site for Early Kindergarten, supported by LCFF.

We found the need to make a data correction in the percent of students completing a-g coursework. The correct calculation is included in the Expected Annual Measurable Outcomes for 2015-16.

<p>What changes in actions, services, and expenditures will be made as a result of reviewing past progress and/or changes to goals?</p>	<p>Ensuring that every student attends a school that is safe, clean and healthy is a top priority for Sacramento City Unified and a goal that is shared by our families, staff, students and community partners. This commitment can be seen in SCUSD’s work to improve the climate at our schools through bullying prevention efforts, our Social Emotional Learning focus, our Men’s Leadership Academies and our Restorative Practices initiative. SCUSD’s Healthy Food Task Force is working to improve the quality of the 50,000 meals Nutrition Services provides to children daily and to promote the planting of school gardens to help children see the link between healthy eating and an improved lifestyle.</p> <p>During the Great Recession, cuts to custodial staff, plant managers and student support workers stretched thin our resources. With direction from the LCAP and with additional funding from LCFF and Proposition 30, many of these critically important positions are being restored. As we continued to hear from stakeholders about the condition of school sites, we plan to increase custodial staff further.</p> <p>Expansion of our nursing staff, social worker staff and mental health services will further our objectives under this LCAP goal.</p> <p>Because the Restorative Justice Practices were not fully implemented as planned, we will carry over the funding in this area to fulfill this intended service. Positive school climate is one of the top priorities for our community, and we have hired an Associate Superintendent of Equity to lead this work, including the development of metrics to show the effects of our expanding Social Emotional Learning programs.</p>

<p>What changes in actions, services, and expenditures will be made as a result of reviewing past progress and/or changes to goals?</p>	<p>Increasing Family and Community Engagement is a top priority for the Sacramento City Unified School District (SCUSD). The work of the district Parent Resource Center staff has been recognized by the California Department of Education as progressive, trending towards innovative, on the State Family Engagement Framework rubric. The focus of the department is to increase the capacity of both parents and staff in best practices of family engagement, so that families feel valued and empowered to be advocates for their students' educational needs.</p> <p>The Parent/Teacher Home Visit Project (PTHVP) is a valued partner of the SCUSD, successfully building relationships with families as they help them to understand how to support their students' academic performance. The Parent/Teacher Home Visit Project team expanded their Academic Parent-Teacher Team (APTT) model this year, but some school sites did not have the capacity to support it. While highly successful, the goals for APTT will be set slightly lower in the next year.</p> <p>This year, the Parents as Partners in Schools workshop series was expanded into the Parent Leadership Pathway (PLP), based on the need to provide additional learning opportunities for parents. The PLP is a three-tiered series offering progressively more sophisticated topics on education and parenting as participants complete each 10 week session. The series is offered at school sites, in the language(s) both verbal and written of that community, at the time determined by the parent participants' site, with childcare and a light snack provided. While number of parent participants in the workshop series did not reach the set goal, due to a staff transfer, the number of EL participants in the program exceeded the target.</p> <p>There are a number of other engagement opportunities within our district for parents. Parents and caregivers are offered other learning activities, such as the monthly Parent Information Exchange luncheon, field trips to CSU Sacramento and Sacramento City College, and parent advisory committees such as the District Advisory Committee, Community Advisory Committee for Special Education, and the District English Learner Advisory Committee. Parent Resource Center staff also provided one- and two-hour workshops at school sites throughout the year for School Site Councils, PTAs, and other parent meetings on a variety of topics, as well as staff training in parent engagement through the Parent Resource Center Collaborative.</p> <p>The activities of the district Parent Resource Center staff and the Parent/Teacher Home Visit Project will continue for the 2015-16 year. However, because Parent Engagement allocations at school sites were not always fully realized, we will track the allocations more closely in 2015-16 with the expectation that sites will utilize the funds that they encumbered.</p>

Complete a copy of this table for each of the LEA's goals in the prior year LCAP. Duplicate and expand the fields as necessary.

Section 3: Use of Supplemental and Concentration Grant funds and Proportionality

A. In the box below, identify the amount of funds in the LCAP year calculated on the basis of the number and concentration of low income, foster youth, and English learner pupils as determined pursuant to 5 CCR 15496(a)(5).

Describe how the LEA is expending these funds in the LCAP year. Include a description of, and justification for, the use of any funds in a districtwide, schoolwide, countywide, or charterwide manner as specified in 5 CCR 15496.

For school districts with below 55 percent of enrollment of unduplicated pupils in the district or below 40 percent of enrollment of unduplicated pupils at a schoolsite in the LCAP year, when using supplemental and concentration funds in a districtwide or schoolwide manner, the school district must additionally describe how the services provided are the most effective use of funds to meet the district’s goals for unduplicated pupils in the state and any local priority areas. (See 5 CCR 15496(b) for guidance.)

Total amount of Supplemental and Concentration grant funds calculated:	<u>\$38,968,878</u>
<p>In Sacramento City Unified School District, the percentage of students within the target subgroups is approximately 71% of the overall student population. The estimated supplemental and concentration target funding is \$61,750,643. Out of this amount, approximately \$18,085,000 LCFF supplemental and concentration grant funds were budgeted district-wide for supports such as class size reduction, Linked Learning Career Pathways, professional learning; and additional staff, including custodians, plant managers, counselors, nurses, social workers, librarians, and parent outreach staff and translators. Our student data as well as stakeholder input helped to inform the district that these expenditures are necessary and appropriate for our target subgroups. The table below indicates how expenditures will be used to meet the needs of ELs, low income students, and foster youth.</p> <ul style="list-style-type: none"> - Class size reduction: \$5,000,000 - Expansion of Preschool supports and Early Kindergarten/Transitional Kindergarten: \$1,990,000 - Linked Learning / Career Pathways: \$2,604,000 - An increase in Academic Counselors for middle and high school: \$3,650,000 - Custodial staff: \$4,000,000 - Nursing staff: \$1,080,000 - Social workers: \$230,000 - District librarians: \$1,000,000 - Parent outreach staff: \$315,000 - Translation staff: \$820,000 	

B. In the box below, identify the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all pupils in the LCAP year as calculated pursuant to 5 CCR 15496(a).

Consistent with the requirements of 5 CCR 15496, demonstrate how the services provided in the LCAP year for low income pupils, foster youth, and English learners provide for increased or improved services for these pupils in proportion to the increase in funding provided for such pupils in that year as calculated pursuant to 5 CCR 15496(a)(7). An LEA shall describe how the proportionality percentage is met using a quantitative and/or qualitative description of the increased and/or improved services for unduplicated pupils as compared to the services provided to all pupils.

13.11 %

The calculated percentage by which services must be increased for the unduplicated students is 13.11%.

Increased or improved services are provided to unduplicated pupils in the following areas:

- Academic Counselors in middle school and high school: \$650,000
- Training specialists: \$240,000
- Linked Learning / Career Pathways: \$300,000
- Multilingual Literacy Districtwide support: \$100,000
- Additional Early Kindergarten site: \$60,000
- Assistant Principals: \$399,000
- Foster Youth Services Program Associate: \$88,000
- Custodial staff: \$2,000,000
- Programs to improve school climate: \$650,000
- Nursing staff: \$560,000
- Social workers: \$230,000
- Translators: \$120,000

LOCAL CONTROL AND ACCOUNTABILITY PLAN AND ANNUAL UPDATE APPENDIX

For the purposes of completing the LCAP in reference to the state priorities under Education Code sections 52060 and 52066, the following shall apply:

(a) “Chronic absenteeism rate” shall be calculated as follows:

- (1) The number of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30) who are chronically absent where “chronic absentee” means a pupil who is absent 10 percent or more of the schooldays in the school year when the total number of days a pupil is absent is divided by the total number of days the pupil is enrolled and school was actually taught in the total number of days the pupil is enrolled and school was actually taught in the regular day schools of the district, exclusive of Saturdays and Sundays.
- (2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).
- (3) Divide (1) by (2).

(b) “Middle School dropout rate” shall be calculated as set forth in California Code of Regulations, title 5, section 1039.1.

(c) “High school dropout rate” shall be calculated as follows:

- (1) The number of cohort members who dropout by the end of year 4 in the cohort where “cohort” is defined as the number of first-time grade 9 pupils in year 1 (starting cohort) plus pupils who transfer in, minus pupils who transfer out, emigrate, or die during school years 1, 2, 3, and 4.
- (2) The total number of cohort members.
- (3) Divide (1) by (2).

(d) “High school graduation rate” shall be calculated as follows:

- (1) The number of cohort members who earned a regular high school diploma [or earned an adult education high school diploma or passed the California High School Proficiency Exam] by the end of year 4 in the cohort where “cohort” is defined as the number of first-time grade 9 pupils in year 1 (starting cohort) plus pupils who transfer in, minus pupils who transfer out, emigrate, or die during school years 1, 2, 3, and 4.
- (2) The total number of cohort members.
- (3) Divide (1) by (2).

(e) "Suspension rate" shall be calculated as follows:

- (1) The unduplicated count of pupils involved in one or more incidents for which the pupil was suspended during the academic year (July 1 – June 30).
- (2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).
- (3) Divide (1) by (2).

(f) "Expulsion rate" shall be calculated as follows:

- (1) The unduplicated count of pupils involved in one or more incidents for which the pupil was expelled during the academic year (July 1 – June 30).
- (2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).
- (3) Divide (1) by (2).
