Lourdes Jimenez-Price, President, called the meeting to order at 5:44 p.m.

**Opening**

**Agenda Approval:** Agenda reviewed and approved as set forth.

**Minute Approval:** Minutes for May and June will be provided at next monthly meeting.

**New Business**

Lourdes said more time is needed for planning. Additional 2011-12 DAC Planning meeting dates have been scheduled for July 22 and 29, 2011; 11:30-1:30 at Smud. We will wait until August 2nd to determine next general meeting date.

**Reflect on DAC 2010-2011 Activities**

There was group discussion to reflect on the 2010-11 speakers. Larry Felazzio and Janelle Kubink were good and valuable presentations. It’s a must to have Janelle return to present again. Wanda Shironaka’s presentation of walking us through the allocations was good. It was good for us all to follow along.

**Review the purpose of the DAC**

Provided from the Revision Date June 6, 2010 DAC By Laws purpose is the following:

**ARTICLE II – PURPOSE**

*States why the organization exists.*

The purpose of the DAC shall be to advise the SCUSD Board of Education, Administration and the School Site Councils (SSC) on issues affecting the education of the students in SCUSD including, but not limited to, all matters pertaining to parental involvement in the review, planning and improvement of Title I and State Compensatory Education (SCE) programs.
Olivine Roberts have her speak on curriculum. Graduation rates, data how do we know that

2. Manuel suggested the DAC partner with other groups i.e. Family academy, Leadership, and people in the SSC. Strengthen the SSC. Manuel also spoke about the Project Oversight Committee (POC). All new projects will be presented to the cabinet members and they will approve. The projects should align with the strategic plan. It was suggested the DAC link up with the planned Family Engagement Centers and School Engagement Partnerships. Become trainers of the memberships and initiate phase I in the Fall.

There was discussion on low attendance at DAC general meetings. Believe the principles are not taking DAC seriously. The DAC should take on projects that will project the committee to a higher level.

**Next steps**
Lourdes asked that we all marinate what we talked about and bring thoughts and ideas to July 22nd meeting date and we can determine which ones to tackle.

There was discussion to create a survey and get out to parents. Lourdes needs to know what dates the community rooms are not available. We will be taking nominations for new DAC in March 2012. The DAC needs about five to six clear set of goals, timeline, list of speakers, topics, the setup of agenda for September, and orientation for new members.
