

Our Mission

Capitol Collegiate Academy is a charter school founded on the firm belief that **all** students, regardless of race, home language, family education level, or socio-economic status, are entitled to an excellent education

Our Program

Cohesive Culture: Creating a Community of Learning

In having a strong, supportive, and pervasive culture of achievement and caring, Capitol Collegiate will ensure that we are able to maximize the instructional time that we have with every student attending our school as well as build their self-esteem.

Rigorous Curriculum: Ensuring Students are on a College Prep Track

The curriculum at Capitol Collegiate is designed to be both challenging and developmentally appropriate. Students are pushed to achieve at the highest levels and teachers and staff are there to support them every step of the way.

We work for 100% of our students to be on grade-level.

What is a Capitol Collegiate Education?

A college-preparatory curriculum and culture, beginning in Kindergarten, including annual field trips to area universities.

An intensive focus on literacy, including four hours of literacy instruction daily.

High-level academic content that engages students in real-world applications of mathematics, science, and social studies.

Individualized instruction and extra support to meet each student's learning needs.

Music and art enrichment classes every day in grades K-8.

Character education programs to teach students peaceful problem solving and responsible decision-making.

Partnership with families including daily and weekly communication from teachers about student progress.

How can your child enroll?

Eligibility

There are no academic, financial, or other requirements for admission.

Open Enrollment

Complete an enrollment form for your child and submit it any of the following ways:

By mail: 2118 Meadowview Rd, Sacramento, 95832

By email: info@capitolcollegiate.org

In Person: at any information session.

You will receive a postcard confirming receipt of your enrollment form.

We will be accepting enrollment forms until April 7th.

If we receive more enrollment forms that we have spaces for students, we will hold a public random drawing on that date to determine which students will be offered enrollment. All other students will be placed on a waiting list.
