

Calendar Change Community Forums

SCUSD is considering moving up the start of school to August next year to be in alignment with all other districts in the region and most districts in the state. The number of school days would remain the same: School would start earlier and end earlier.

SCUSD is now gathering feedback from the community on this issue at seven community forums listed below and with an online survey that can be taken at www.scusd.edu/calendar-survey. All SCUSD families and staff are welcome to attend.
