**Wednesday, January 24
6:00 - 7:30 p.m.**

Lisbon Elementary School Multipurpose Room

- The meeting opened with welcome and Introductions by Glenda Golobay, Principal, of the School of Engineering and Sciences. In attendance were:
 - Max Medina, WLC Architects
 - William West, Assistant Superintendent, Facilities, SCUSD
 - Dave Taxara, Project Manager, SCUSD
 - Dwayne Gray, Regents Developers
 - Chris Flores, Congresswoman Matui's Office
 - Patricia Clark, Office of Council Member Robbie Waters
 - Lois Ross, Sacramento Library Authority
 - Bethany Carter, Interim Office Manager/Registrar of SES
- Information and requests for participation in the Pocket Library Survey was brought forth by Pat Clark and Lois Ross. Surveys were made available at the meeting with on-line access available @www.saclibrary.org. Community members were encouraged to complete the application on site but given the option of on-line access with a deadline of February 20, 2007, for consideration of their input.
- The meeting proceeded with Glenda updating the community on the progress of recruitment efforts (i.e., cards, brochures, site visits, etc.), supplemental funding sources (grants and commitments of monetary support from partners), and an appeal for subcommittee participation. The Open Enrollment deadlines and opportunities were also discussed. The community was advised that we are still accepting enrollment for 9th grade students by calling and visiting our office. If you signed up for subcommittees– we will start meeting
- The floor was opened for Bill West to present his Interim Campus Progress Report at which time he disclosed that there was nothing concrete to report pending further Board review and approval at the upcoming February 15 meeting. An invitation to attend the meeting was extended to the community. Bill introduced the lead architect, Max Medina, at which time Max took the floor and presented a detailed, in-depth discussion and review of the most current site plan which he states meets almost all of the needs of all stakeholders. As there were no questions, Bill West relinquished the Floor, opening the meeting for questions.
