## Mission

The mission of the Criminal Justice & Community Service Academy is to strive, through teamwork, to promote higher academic achievement, develop marketable career skills, encourage continued education and enhance the quality of life in our community.

## Description

The Criminal Justice Academy at C. K. McClatchy High School is a partnership between the Sacramento City Unified School District and the Sacramento Police Department. The district provides a full-time, credentialed teacher to lead classroom instruction in a challenging course of study. The Police Department provides a fulltime police officer, Officer Goodpaster, to mentor, counsel, and lead the students to prepare them for careers in law enforcement and related jobs. In addition, a qualified physical education teacher instructs Physical Training classes which are designed to build strength, agility, and endurance.
