Dear Families of Joseph Bonnheim Elementary School,

I would like to personally invite you to be our guest at several functions and activities taking place at Earl Warren Elementary School in the next few weeks. I believe your attendance would provide all of us an opportunity to continue getting to know each other, and also to introduce you to some of the important school activities supported by the Earl Warren community. It would also give you an opportunity to ask questions and see our staff, classrooms, students and campus first hand.

I have attached several flyers to this letter and look forward to your attendance!

Sincerely,

Carolyn Olsen, Principal
