

FACT Professional Development Survey

Over the next few months we will be providing professional development during our Support Provider meetings. We will begin with the following:

Inquiry into Teaching and Learning

Overview

Step 1: Determine the Focus of the Inquiry

Step 2: Developing the Action Plan

Step 3: Preparing for Instruction

Step 4: Observation

Step 5: Summative Assessment

Step 6: Reflection and Application

After we have completed these trainings we will move onto the other modules.

Please prioritize the following modules (1-3) by importance for you to receive more training. (1 being the most important; 3 being the least).

3 Context for Teaching:

Collecting and Reviewing Information

1 Contextualizing and Extending Information

1 Assessment:

Teacher Preparation and Induction Conversation

Initial Classroom/Assignment Observation

Assessment Completion

2 Closure Conversation

2 Summary:

Reflective Conversations

Written Reflections

Sharing Key Insights
