WHO SHOULD ATTEND?

- The training is recommended for participants from all schools, but is especially designed for Title I schools, including districts and schools in Program Improvement, and for development and implementation of Local Control Accountability Plans (LCAPs).
- District and school administrators, Title I staff, parent involvement directors/ coordinators, support staff from district offices and County Offices of Education are encouraged to attend.

TRAINING CONTENT

This Institute will provide schools as well as district and county office support staff with:

- An understanding of how the California Department of Education’s updated Family Engagement Framework can guide family engagement program development at the district level, aimed at improving student achievement
- Information on essential components of family engagement
- Tools for gauging how welcoming your school is
- Ways to create a welcoming school environment for students, families, community and all school staff
- Practical ideas for working with parent leaders and involving more families in school activities aligned with Local Control and Accountability Plans (LCAPs)
- Positive problem solving for difficult situations
- Ways to position your district/school to meet state and federal parental involvement requirements
