A Garden in Every School Symposium

Saturday, March 14 • 9am–5pm
& Sunday, March 15 • 9am–2pm

Registration, Networking & Breakfast begins each day at 8am

The Met Sacramento High School • 810 V Street
Since parking is limited, we suggest carpool and biking.

$60 per person
Price includes light breakfast, lunch and snacks on both days.
Please note: We are not offering a one-day option.

Space is limited, register now: www.soilborn.org

We’ve planned an inspiring weekend for you! Network with like-minded teachers, parents, garden designers, community leaders, school garden coordinators, and others involved with helping kids make the connection between food, health and the environment. Gardens offer beautiful, dynamic settings to integrate every discipline, including science, math, reading, art, environmental studies, nutrition and health.

By encouraging and supporting a garden in every school, we create opportunities for our children to discover fresh food, to make healthier food choices and to become better nourished. We will nourish you during the symposium with delicious food prepared by Magpie Café, Sacramento Natural Foods Co-op and Chipotle.

Young people increasingly are isolated from the land and deprived of the joys and responsibilities it teaches.

~Alice Waters

We are a project of SOIL BORN FARMS connecting food, health & the environment
