Guiding the Gifted Child

An on-going series of lectures, guest-speakers, and experiential learning opportunities for parents and guardians of GATE students at all schools in Sacramento City USD.

Featured Guest Speaker:
Lezley Holmes, LEP, MS
Educational/Behavioral Assessment & Consulting

Topic: Common Characteristics, personality traits, and risk factors present in gifted learners. Specific techniques and solutions will be described to help prevent and overcome potential risk factors.

Immediately following the District GATE Advisory Council

Tuesday, April 28th
6:30-7:30 PM

Phoebe Hearst Elementary
1410 60th Street
Sacramento 95819
