What does Hmong as a world language mean?
Hmong is recognized as a language that is spoken worldwide. Hmong language courses fulfill the high school graduation and college admission requirements. These courses meet the A thru G requirements for UC admission.

The College Preparation Program
We offer four levels of Hmong language in sequential, starting with the first level being an introduction to Hmong literacy in the RPA writing system. Subsequent courses focus on speaking, writing, speed reading, history, culture, grammar, vocabulary development, comprehension, academic language, etc.

Moving Toward IB Hmong
Luther Burbank High School is an International Baccalaureate (IB) school. The IB Program is an academically challenging and balanced program that prepares students for success in higher education and beyond. We are moving toward IB Hmong courses. This means students will soon be able to take Hmong IB classes, take the IB test and earn college credit.
