Recommendation: **Approve Resolution #2683: Intention to Terminate Certificated Employees Due to a Reduction of Particular Kinds of Service**

Background/Rationale: The District is facing serious budget reductions for the 2012-13 school year equaling \$28 million dollars. The Board of Education, on February 2, 2012, approved budget reductions for the 2012-13 school year. Included in the budget reductions was the decision to notice certificated employees of a layoff.

Individuals may be laid off when the governing board has reduced particular kinds of services. Resolution #2683 includes reference to Exhibit A which will address positions to be reduced due to reduction of a particular kind of service; and Exhibit B, outlines the definition of "competent" according to Education Code section 44955.

Under state law, school districts must provide notice on or before March 15th to employees who are designated for layoff for the 2012-13 school year. These individuals have the right to request a hearing to challenge the cause for layoff. The final decision for layoffs must occur before the 15th of May.

With adoption of Resolution #2683, the Chief Human Resources Officer and staff will be directed to send notices to affected certificated employees that their services will not be required for the 2012-13 school year, and that said notices should be sent to the appropriate certificated employees in order to effectuate a reduction of the certificated staff in an amount equal to the number of full-time equivalent positions, consistent with the resolution, its attachments and Education Code sections 44949 and 44955.

Financial Considerations: Budget reductions approved by the Board on February 2, 2012.

Board of Education Executive Summary

Human Resource Services – Certificated Layoff -

February 16, 2012

I. Overview/History:

The District is facing serious budget reductions for the 2012-13 school year equaling \$28 million dollars. Due to the financial impact of these budget cuts, the District must prepare for all possibilities including the decision to notice certificated employees of a layoff.

Individuals may be laid off when the governing board has reduced particular kinds of services. In general, the least senior employee(s) will be the employee(s) to receive the notice of layoff. Under state law, school districts must provide notice on or before March 15th to employees who are designated for layoff for the 2012-13 school year. These individuals have the right to request a hearing to challenge the cause for layoff and the final decision for layoffs must occur before the 15th of May.

II. Driving Governance:

- Education Code 44949 – “No later than March 15 and before an employee is given notice by the governing board that his or her services will not be required for the ensuing year for the reasons specified in Section 44955, the governing board and the employee shall be given written notice by the superintendent of the district or his or her designee.”
- Education Code 44955 - “No permanent employee shall be deprived of his or her position for causes other than those specified in Sections 44907 and 44923, and Sections 44932 to 44947, inclusive, and no probationary employee shall be deprived of his or her position for cause other than specified in Sections 44948 to 44949, inclusive.”
- Board Policy – Administrative Regulation 4117.3 – Personnel Reduction – When the district needs to reduce the number of certificated staff, the district shall adhere to the notice, hearing and layoff procedures in Education Code 44949 and 44955.

III. Budget Impact

Budget reductions approved by the Board on February 2, 2012.

IV. Goals, Objectives and Measures:

The Education Code provides the specific reasons and methods to lay off certificated employees under Education Code 44949 and 44955. Reduction of particular kinds of services (PKS) and/or decline in average daily attendance (ADA) are the two methods generally used as a basis for a certificated layoff. A PKS layoff is when the Board of Education decides to eliminate or reduce programs, services or classes (i.e., counseling, nursing, foreign language). The District has determined and identified the particular kinds of services (PKS) to be reduced or eliminated and the number of full time equivalent (FTE) or portion of one FTE to be reduced. That information is contained in Resolution #2683 Intention to Terminate Certificated Employees due to a Reduction of Particular Kinds of Service attached to this summary.

February 16, 2012

V. Major Initiatives:

The attached resolution includes Exhibit A and B. Exhibit A is the recommended reduction in 2012-13 program services and specifically lists the services to be reduced and the number of full time equivalent positions. Exhibit B defines “competent” per Education Code 44955. The exhibit uses the same criteria as last year with the exception of the elimination of (1) year of experience teaching in a credentialed subject area over the last (5) five years.

With the adoption of Resolution #2683 the Chief Human Resources Officer and staff will be directed to send notices to affected certificated employees that their services will not be required for the 2012-13 school year. Notices will be sent to the appropriate certificated employees in order to effectuate a reduction of the certificated staff consistent with the resolution, its attachments and Education Code sections 44949 and 44955.

VI. Results:

The layoff notice must be sent by March 15th to each employee who may be laid off. The packet each person receives will include:

- a) Notice of recommendation that services will not be required.
- b) Copy of signed Board resolution.
- c) Request for hearing, with notification that request must be filed seven days after service of the notice.
- d) Proof of service.

The notice packet must be personally serviced or sent by registered or certified mail.

VII. Next Steps:

Approve Resolution #2683 - Resolution of Intent to Terminate Certificated Employees Due to a Reduction of Particular Kinds of Services and direct staff to issue the appropriate layoff notices to individual employees no later than March 15th.
