The SCUSD Department of Health Services presents:

Managing Students with Medical Concerns

Monday, September 10th
Monday, September 17th
3:30-5pm
Serna Center

OVERVIEW

This workshop will provide school staff with an understanding of the needs of our students with medical concerns. Participants will learn their role in keeping students safe, and how to handle various medical emergencies, including asthma attacks, undiagnosed seizures, severe reactions to food allergies, management of head injuries, and proper procedures for medication administration.

PRESENTERS:

- Dawn Fox, MS, RN, SCUSD School Nurse
- Jenny Bascafra, RN, SCUSD School Nurse

OPEN TO ALL SCHOOL STAFF

To register, contact Gayle Lotto at 643-9412 or Gayle-Lotto@scusd.edu.
