Mission

We design thinkers. New Tech focuses on individual students, developing independent responsibility and creativity, culminating in a collaborative culture that values learning at high levels.

Description

SNTHS promotes academic achievement through:

- Research and standards-based Project Based Learning curriculum.
- 4-year Design Pathway includes courses in Digital Media, Visual Communications and Web Design.
- Courses meet University A-G requirements.
- 260 credits required for graduation including Community College Coursework.
- Advisory to guide students' to success.
- Interventions for students below grade level in math or reading.
- Career and College Readiness through internships, career conversations and college visits.

Jesse Lambert's art is a representation of New Tech's Design Pathway and its Critical Pedagogy: Agency, Language Empowerment, SNTHS as an Idea Hub, & Engagement

"This piece exemplifies the learning outcomes our school strives to achieve: agency, critical thinking, and design thinking," states Jesse Lambert class of 2015.

DESIGN PATHWAY LEARNING OUTCOMES

Agency: The ability to develop and reflect on growth mind set as well as demonstrate ownership over one's learning.

Knowledge and Thinking: The ability to reason, problem-solve, develop sound arguments or decisions and create new ideas by applying the knowledge and skills of a discipline.

Collaboration: The ability to be a productive member of diverse teams through strong interpersonal communication, a commitment to shared success, leadership and initiative.

Written Communication: The ability to express oneself clearly to various audiences in multiple genres and subject areas.

Oral Communication: The ability to express oneself verbally through a logical organization of ideas and information on a particular topic.

WHAT I LIKE
ABOUT **my**
pathway

"No other school is quite like this. New Tech is a **family**, based on **trust, respect and responsibility**"

—Natalie, Student, Class of 2015

"New Tech instills a **sense of pride** in their students. This works because the students **BELIEVE** in New Tech and the principles of New Tech."

—PTSA Parent

"Project Based Learning makes **learning real** and I am able to understand and be successful in class."

—Fatima, Student, Class of 2015

"New Tech sells you a dream and teachers **support** you in **achieving that dream.**"

—Emma, Class of 2014
