

**RESOLUTION
OF THE BOARD OF EDUCATION
OF THE SACRAMENTO CITY UNIFIED SCHOOL DISTRICT
COUNTY OF SACRAMENTO, STATE OF CALIFORNIA**

RESOLUTION NO. 2715

**RESOLUTION ORDERING SCHOOL BOND ELECTION IN AN AMOUNT
NOT TO EXCEED \$346,000,000 AND AUTHORIZING NECESSARY ACTIONS IN
CONNECTION THEREWITH**

WHEREAS, the Board of Education (the "Board") of the Sacramento City Unified School District (the "District") is authorized to order elections within the District and to designate the specifications thereof, pursuant to Sections 5304 and 5322 of the Education Code of the State of California (the "Education Code"); and

WHEREAS the Board is specifically authorized to order elections for the purpose of submitting to the electors the question of whether bonds of the District shall be issued and sold for the purpose of raising money for the purposes hereinafter specified, pursuant to Education Code Sections 15100 et seq.; and

WHEREAS, pursuant to Section 18 of Article XVI and Section 1 of Article XIII A of the California Constitution, and Section 15266 of the Education Code, school districts may seek approval of general obligation bonds and levy an ad valorem tax to repay those bonds upon a vote of at least 55% of those voting on a proposition for the purpose, provided certain accountability measures are included in the proposition; and

WHEREAS, the Board, deems it necessary and advisable to submit a bond proposition to the electors which, if approved by 55% of the votes cast, would permit the District to issue its bonds; and

WHEREAS, such a bond election must be conducted concurrent with a statewide primary election, general election, or special election, or at a regularly scheduled local election, as required by Section 15266 of the Education Code; and

WHEREAS, on November 6, 2012, a statewide general election is scheduled to be conducted throughout the District; and

WHEREAS, the District is located entirely within the County of Sacramento (the "County") and the Sacramento County Superintendent of Schools has jurisdiction over the District; and

WHEREAS, the District's boundaries have not changed since the November 2, 2010 Election; and

WHEREAS, pursuant to Education Code Section 15270, based upon a projection of assessed property valuation and a proposed schedule of bond issuances, the Board has determined that, if approved by voters, the tax rate levied to meet the debt service requirements of the bonds proposed to be issued will not exceed the statutory limit of \$60 per year per \$100,000 of assessed valuation of taxable property pursuant to Education Code Section 15270; and

WHEREAS, Section 9400 et seq. of the Elections Code of the State of California (the “Elections Code”) requires that a tax rate statement be contained in all official materials, including any ballot pamphlet prepared, sponsored or distributed by the District, relating to the election; and

WHEREAS, the Board of Education now desires to authorize the filing of a ballot argument in favor of the proposition to be submitted to the voters at the election; and

WHEREAS, if the project to be funded by the bonds will require State matching funds for any phase, the sample ballot must contain a statement, in form prescribed by law, advising the voters of that fact, and the Board of Education finds that completion of all or a portion of certain projects listed in the bond project list will not require State matching funds not yet received by the District;

NOW, THEREFORE, THE BOARD OF EDUCATION OF SACRAMENTO CITY UNIFIED SCHOOL DISTRICT DOES HEREBY FIND, RESOLVE, DETERMINE AND ORDER, AS FOLLOWS:

1. Recitals. All of the above recitals are true and correct.

5. Delivery of Order of Election and Tax Rate Statement to County Officers. As soon as practicable following adoption of this Resolution, and in any event no later than August 10, 2012 (which date is not fewer than 88 days prior to the date set for the election), the Secretary of this Board of Education is hereby directed to cause one copy of this Resolution to be filed (1) with the Clerk of the Board of Supervisors of the County, and (2) with the Registrar of Voters of the County. The President of this Board, or any member or members of this Board as the President shall designate, are hereby authorized, but not directed, to prepare and file with the Registrar of Voters a ballot argument in favor of the proposition contained in Exhibit A hereof, within the time established by the Registrar of Voters, which shall be considered the official ballot argument of this Board as sponsor of the proposition.

II. FULL TEXT OF THE MEASURE

BEGINNING OF FULL TEXT OF MEASURE----->>>>>

BOND AUTHORIZATION

By approval of this proposition by at least 55% of the registered voters voting on the proposition, the Sacramento City Unified School District (the “District”) shall be authorized to issue and sell bonds of up to \$346,000,000 in aggregate principal amount to provide financing for the specific school facilities projects listed in the Bond Project List below, and in order to qualify to receive State matching grant funds, subject to all of the accountability safeguards specified below.

To provide safe, modern facilities and equipment needed for career and technology education classes so students within the District are prepared for college and good paying jobs in fields like science, technology, and skilled trades, funds from the sale of general obligation bonds issued by the District would be used to finance the design, construction, acquisition, improvement, installation, restoration, rehabilitation, modernization and improvement of school sites, school facilities and support facilities of the District and to provide facilities improvements, upgrades, and related facilities and facilities costs as further described below.

ACCOUNTABILITY SAFEGUARDS

The provisions in this section are specifically included in this proposition in order that the District’s voters and taxpayers may be assured that their money will be spent wisely to address specific facilities needs of the District, all in compliance with the requirements of Article XIII A, Section 1(b)(3) of the State Constitution, and the Strict Accountability in Local School Construction Bonds Act of 2000 (codified at Education Code Sections 15264 and following).

Evaluation of Needs. The Board of Education hereby certifies that it has evaluated the facilities needs of the District, and the priority of addressing each of these needs. In the course of its evaluation, the Board of Education took safety, class size reduction and information technology needs into consideration while developing the Bond Project List.

Limitation on Use of Bond Proceeds. The State of California does not have the legal authority to take locally approved school district bond funds for any State purposes. The Constitution allows proceeds from the sale of bonds authorized by this proposition to be used only for the construction, reconstruction, rehabilitation, or replacement of school facilities listed in this proposition, including the furnishing and equipping of school facilities, or the acquisition or lease of real property for school facilities, and not for any other purpose, including teacher and administrator salaries and other school operating expenses. Proceeds of the bonds may be used to pay or reimburse the District for the cost of District staff only when performing work on or necessary and incidental to the bond projects.

Independent Citizens’ Oversight Committee. The Board of Education shall establish an independent Citizens’ Oversight Committee (pursuant to Education Code Section 15278 and

following), to ensure bond proceeds are spent only for the school facilities projects listed in the Bond Project List. The committee shall be established within 60 days of the date on which the Board of Education enters the election results on its minutes.

Annual Performance Audits. The Board of Education shall conduct an annual, independent performance audit to ensure that the bond proceeds have been expended only on the school facilities projects listed in the Bond Project List.

Annual Financial Audits. The Board of Education shall conduct an annual, independent financial audit of the bond proceeds (which shall be separate from the District's regular annual financial audit) until all of those proceeds have been spent for the school facilities projects listed in the Bond Project List.

Special Bond Proceeds Account; Annual Report to Board. Upon approval of this proposition and the sale of any bonds approved, the Board of Education shall take actions necessary pursuant to Government Code Section 53410 and following to establish an account in which proceeds of the sale of bonds will be deposited. As long as any proceeds of the bonds remain unexpended, the Superintendent or the Chief Business Officer of the District (or such other employee as may perform substantially similar duties) shall cause a report to be filed with the Board no later than December 31 of each year, commencing December 31, 2012, stating (1) the amount of bond proceeds received and expended in that year, and (2) the status of any project funded or to be funded from bond proceeds. The report may relate to the calendar year, fiscal year, or other appropriate annual period as such officer shall determine, and may be incorporated into the annual budget, audit, or other appropriate routine report to the Board.

FURTHER SPECIFICATIONS

Specific Purposes. All of the purposes enumerated in this proposition shall be united and voted upon as one single proposition, pursuant to Education Code Section 15100, and shall constitute the specific purposes of the bonds, and proceeds of the bonds shall be spent only for such purposes, pursuant to Government Code Section 53410.

Joint Use. The District may enter into agreements with the County of Sacramento or other public agencies or nonprofit organizations for joint use of school facilities financed with the proceeds of the bonds in accordance with Education Code Section 17077.42 (or any successor provision). The District may seek State grant funds for eligible joint-use projects as permitted by law, and this proposition hereby specifies and acknowledges that bond funds will or may be used to fund all or a portion of the local share for any eligible joint-use projects identified in the Bond Project List or as otherwise permitted by California State regulations, as the Board of Education shall determine.

Rate of Interest. The bonds shall bear interest at a rate per annum not exceeding the statutory maximum, payable at the time or times permitted by law.

Term of Bonds. The number of years the whole or any part of the bonds are to run shall not exceed the legal limit, though this shall not preclude bonds from being sold which mature prior to the legal limit.

BOND PROJECT LIST

The Bond Project List below describes the specific projects the Sacramento City Unified School District proposes to finance with proceeds of the bonds. Listed projects will be completed as needed at a particular school site according to Board-established priorities, and the order in which such projects appear on the Bond Project List is not an indication of priority for funding or completion. The final cost of each project will be determined as plans are finalized, construction bids are awarded, and projects are completed. While the District will actively pursue additional revenue sources to leverage the proceeds of the bond, certain construction funds expected from non-bond sources, including State grant funds for eligible projects, Federal grants, corporate, non-profit and private grants, have not yet been secured. Until all project costs and funding sources are known, the Board of Education cannot determine the amount of bond proceeds available to be spent on each project, nor guarantee that the bonds will provide sufficient funds to allow completion of all listed projects. Completion of some projects may be subject to further government approvals by State officials and boards, to local environmental review, and to input from the public. For these reasons, inclusion of a project on the Bond Project List is not a guarantee that the project will be funded or completed. The Board of Education may make changes to the Bond Project List in the future consistent with the projects specified in the proposition.

For any project involving renovation, modernization, remodeling or rehabilitation of a building or the major portion of a building, the District may proceed with new replacement construction instead (including any necessary demolition), if the Board of Education determines that replacement and new construction is more practical than rehabilitation and renovation, considering the building's age, condition, expected remaining life, comparative cost, and other relevant factors.

The Bond Project List shall be considered a part of this ballot proposition, and shall be reproduced in any official document required to contain the full statement of the bond proposition.

EXHIBIT B

TAX RATE STATEMENT

An election will be held in the Sacramento Unified School District (the "District") on November 6, 2012, on the question of whether to authorize up to \$346,000,000 in bonds to be issued by the District to finance school facilities as described in the ballot measure. If the bonds are approved, the District expects to sell the bonds in four series over time. Principal and interest on the bonds will be paid from taxes levies on the taxable property in the District. The information contained in numbered paragraphs 1 – 3 below is provided in compliance with Sections 9400-9404 of the Elections Code of the State of California. This information is based on the best estimates and projections presently available from official sources, experience within the District and other demonstrable factors.

1. The best estimate of the tax which would be required to be levied to fund this bond issue during the first fiscal year after the sale of the first series of bonds, based on estimated assessed valuations available at the time of filing of this statement, is 4.4¢ per \$100 (\$44.00 per \$100,000) of assessed valuation in fiscal year 2013-14.

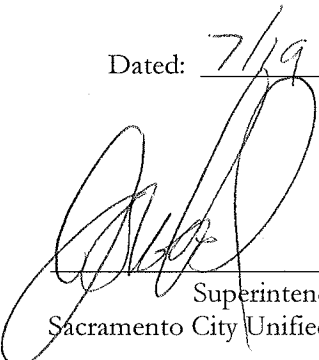

2. The best estimate of the tax rate which would be required to be levied to fund this bond issue during the first fiscal year after the sale of the last series of bonds, based on estimated assessed valuations available at the time of filing of this statement, is 4.4¢ per \$100 (\$44.00 per \$100,000) of assessed valuation in fiscal year 2022-23.

3. The best estimate of the highest tax rate which would be required to be levied to fund this bond issue, based on estimated assessed valuations available at the time of filing of this statement, 4.4¢ per \$100 (\$44.00 per \$100,000) of assessed valuation in fiscal year 2022-23.

Approval of the ballot measure authorizes the issuance of bonds under certain conditions, and is not approval of a specific tax rate or a specific bond issuance plan. The tax rate estimates in this statement reflect the District's current projection of future assessed values and of future debt service payments, which are based on certain assumptions. The actual tax rates and the years in which they will apply may vary from those presently estimated, due to variations from these estimates in the timing of bond sales, the amount and repayment structure of bonds sold, market interest rates at the time of each sale, and actual assessed valuations over the term of repayment of the bonds. The dates of sale of the bonds and the amount and repayment structure of bonds sold at any given time will be determined by the District based on its need for construction funds, its intention to meet the tax rate targets stated above, the legal limitations on bonds approved by a 55% vote, and other factors. The actual interest rates at which the bonds are sold will depend on the bond market at the time of each sale. Actual future assessed valuation will depend upon the amount and value of taxable property within the District as determined by the County Assessor in the annual assessment and the equalization process.

Voters should note that the estimated tax rates are based on the ASSESSED VALUE of taxable property in the District as shown on the County's official tax rolls, not on the property's market value. Property owners should consult their own property tax bills to determine their property's assessed value and any applicable tax exemptions.
