The Blue Diamond Growers Foundation, a scholarship fund established in 2010 and in the fourth year of granting scholarships, is now accepting applications for the 2015 - 2016 school year.

The scholarship is open to students living in the almond-producing regions of California who plan to pursue a four-year degree in plant sciences, agricultural engineering, agricultural economics or subjects with relevance to almond production.

The Foundation will select candidates based on the following criteria:

- Academic achievement
- Extra-curricular activity involvement such as FFA or 4H Club
- Financial need

Completed applications must be received by March 31 in order to be eligible for consideration.

Applications can be downloaded from the Growers’ section of the Blue Diamond website at: www.bluediamond.com
