The California Department of Education (CDE) recommends as a best practice that School Site Council members receive training for their very important role.

School Site Council (SSC) Training Covers:

- Purpose of School Site Council
- School Site Council Responsibilities
- Single Plan For Student Achievement (formerly called the SDIP)
- School Site Funding and Linking Expenditures to Student Achievement
- Composition and Election of School Site Council
- Rules and Running an Effective Meeting
- SCUSD, California Department of Education (CDE) Requirements
- School Site Council Support

If your School Site Council (SSC) wishes to schedule a training at your school site, please speak with your school administrator and have them contact the Family and Community Engagement Office at (916) 643-7924.
