2016 Student Drawing Contest

INSTRUCTIONS FOR SECONDARY SCHOOL and ACE STUDENT PARTICIPANTS

1. At www.sacramentoheritage.org download and complete the Drawing Contest application for Secondary/High School and ACE students.
2. Select a building or place from one of the walking tours at the SHI Walking Tours website: http://www.sacramentoheritage.org/-!walking-tours/cl3g or use the Sacramento Register of Historic and Cultural Resources website: http://www.cityofsacramento.org/Community-Development/Planning/Urban Design/Preservation/Sacramento Register to select a historic building, house, monument or park in the city.
3. Before drawing your selection, research about the architecture, the designer/builder of the place and the historic significance associated with it.
4. Draw your selected historic structure or place to scale on an 11” x 17” white paper (portrait layout) with half-inch black borderline around. Drawing may be hand-drawn to scale in pencil or ink or it can be a CAD drawing. The drawing may include feature annotations, people and cars to scale.
5. Print the name of your historic location and the scale directly under your drawing. Sign your name above the borderline.
6. In the application section, write a maximum 100-word description about the architecture and historic importance of the place you drew.
7. Do not fold or bend your drawing. Attach your application to your drawing with a paper clip.
8. Roll and insert your drawing and application into a paper tube. (A paper towel tube is perfect for this!) Deliver your finished drawing to your principal’s office by April 15, 2016.
9. For questions, contact: info@SacramentoHeritage.org.
