TERMS AND GUIDELINES

“T.A.G YOU’RE I.T.” stands for Teachers Appreciation Gala for Inspiring Teachers. For the purposes of our TAG Awards, we are defining the word “teacher” very broadly to include classroom teachers as well as other personnel such as a reading specialist, counselor, athletic coach, librarian, principal, or office staff. These are all acceptable nominations.

Students can tag any SCUSD teacher from any grade who has inspired them to achieve, dream, persevere, succeed, learn, develop, or find the right pathway.

Tags for a particular teacher may come from an entire class /group or a single student.

When a student nominates a teacher, they are declaring that a particular teacher is inspiring, and they are nominating that teacher for a Teachers Appreciation Award.

ALL TAGS must have a 25 words or less statement as to WHY and HOW a particular teacher is inspiring.

SUEF recognizes that all of our teachers are inspirational in some capacity, but our TAG selection committee will review all student tags and will choose (7) Inspiring Teachers.

This nomination form must be completed and delivered to the front office of your school by May 11, 2018
