EVALUATION OF WORK PERFORMANCE

Assessment of employees in the certificated supervisory bargaining unit (herein "administrators") shall be on a continuing basis. The evaluation of the work performance of administrators in the bargaining unit shall be done in accordance with the following:

1. Philosophy/Purpose Statement:

We believe that the growth of our professional educators and our commitment to accountability are the keys to improving our schools. Performance evaluation is an important component of our plan to achieve the Sacramento City Unified School District mission. The performance evaluation system serves multiple purposes. It promotes the values, beliefs, and norms we care about. It promotes security, reduces political influences and promotes a sense of fairness. It also promotes caring, teamwork, communication and feedback.

A most important purpose of the evaluation system is to improve employee performance. Performance improvement can best be achieved if we help every employee to succeed by recognizing good performance and by providing coaching, support, and help. We believe that the performance evaluation system is an important vehicle for making decisions about promotion, retention and reassignment. To achieve that end, performance expectations must be clear and feedback on performance must be specific and ongoing. Our system must promote the performance of all employees in management positions and withstand changes in leadership. We must provide appropriate orientation, training, and support and constantly evaluate the system and make necessary revisions to ensure that the evaluation system effectively achieves its objectives.

2. <u>Basis of Evaluation:</u>

The evaluation shall be based upon the job responsibilities of the administrator and two or three objectives related to the site.

3. <u>Performance Standards</u>:

Examples of performance standards to be used in the administrator evaluation are listed in Appendix "C," attached hereto and incorporated by reference as a part of this "Agreement."

4. Evaluation Instruments:

The evaluation instrument to be used for administrators assigned to school and non-school sites is described in Appendix "A" attached hereto and incorporated by reference as part of this "Agreement."

Both parties agree to establish an Evaluation Committee to review the current evaluation instrument. The committee will consist of two (2) members of UPE and two (2) members of the administrative staff. The committee will be in effect through December 31, 2006.

5. Sequence of Evaluation:

a. New Administrators in the Bargaining Unit.

b. Other Administrators in the Bargaining Unit.

All administrators in the bargaining unit prior to July 1, 1995, shall have their work performance evaluated either in the school year 1996-97 or 1997-98, according to an alternating schedule to be developed and mutually agreed to by the parties. After the initial evaluation, the administrators shall be evaluated at least every two- (2) years thereafter while in the same position.

c. Effect of Transfer or Reassignment on Evaluation.

If an administrator is assigned to a different job classification he/she shall be evaluated during the first fiscal/school year he/she holds the new position, then at least every two (2) years thereafter while in that same position.

d. Non-evaluation Years.

The parties agree that in non-evaluation years, an informal feedback, coaching, recognition, and support process will be utilized between the administrator and the immediate supervisor.

The evaluator shall review with the administrator being evaluated all contract procedures and associated relevant material, including the evaluation schedule, and instrument that will be used in evaluating the administrator's work performance; a copy of all such material shall be provided to the administrator at this meeting by the evaluator. The evaluator and administrator shall mutually agree upon the specific objectives to be used for the evaluation. Should no mutual agreement be reached, the administrator may note this on the evaluation. If applicable, a Professional Improvement Plan will be discussed and developed.

(3) Evaluation Format

By September 30, or the initial meeting (whichever is later), the requirements of the initial meetings will be completed.

b. Intermediate Conference(s)

At least one (1) intermediate conference will occur to address the progress of the evaluation.

c. Completion of Evaluation

(1) Transmission of Evaluation.

Except as follows, the administrator being evaluated shall be provided the summative (final) evaluation not later than thirty (30) calendar days before the last school day of the school calendar in which he/she is being evaluated. In the case of twelve-month employees, the evaluation shall be transmitted by June 30.

(2) Evaluation Contents.

The evaluation shall include commendations as appropriate. The evaluation shall also include recommendations, if necessary, as to areas of improvement in the performance of the administrator. 15. <u>Short-Term Personal Leave</u>:

Short-term personal leaves without pay may be granted for the personal convenience of employees at any time. 16. <u>Long-Term Leaves of Absence</u>:

Requests for such leave shall be made through the Personnel Director for submission to the Board for approval, and shall be for a period of not less than three consecutive months and not more than twelve consecutive months. Such leave may be extended subject to the request and approval process described herein, not to exceed a total of twenty-four consecutive months. If the leave is extended for a second year, the employee may be placed on unassigned status.

18. Foreign Educational Employment Leave:

Permanent employees may be granted unpaid foreign educational leave by the "District" Board of Education, when the purpose of such leave is to provide the employee an opportunity to accept full-time foreign educational employment. Pursuant to Section 44967 of the California Education Code, employees may be granted an unpaid leave of absence for public service by the Board of Education of the "District," including for election to public office which requires full-time service, as well as Peace Corps and Vista Service. The granting of such leave shall be for one year, and shall be extended a second year if the employee continues in such service. Year for year salary credit shall be granted if the experience is properly verified to be primarily in a job classification similar to that to which the employee returns. All applications for such leave shall be submitted through the Personnel Director for processing to the Board for approval.

22. Sabbatical Leave:

Employees may be granted sabbatical leave by the Board of Education of the "District" upon recommendation of the superintendent for the purpose of advanced study. In order to qualify, an employee shall have served in the "District" no less than five consecutive years. For purposes of determining length of service, leaves of any extended nature granted by the "District," other than sabbatical leaves shall not be considered a break in continuity of service in the determination of eligibility for subsequent sabbatical leaves. In addition:

- a. Such leaves shall be granted for not longer than a fiscal year. Two such leaves may be taken in separate periods provided both are commenced and completed within a five year period; in such cases, service intervening between the two periods shall comprise a part of the service required for a subsequent sabbatical leave;
- b. No sabbatical leave may commence during a school semester, and return from such leave shall always coincide with the beginning of a school semester or half of a fiscal year, whichever is appropriate to the employee's regular assignment, i.e., school site or central office;
- c. Application for the leave shall be made in writing to the Director of Personnel on forms provided by the "District" for this purpose, and shall include:
 - (1) a statement of the length and purpose of the leave and a description of the applicant's plans for fulfilling these purposes;

 - (4) if for travel, the itinerary and expected outcome;
 - (5) if for independent study or research, a certification by a member of the faculty of an accredited four-year college or university that the work contemplated is equivalent in effort and content to eight graduate semester units per semester;
 - (6) if the application fulfills the requirements listed above, the Personnel Director shall submit it to the Supervisory Professional Improvement Committee which is responsible for ranking applications received on the basis of: (a.) the contribution to the needs of students and schools of the district, with preference given to those wishing to pursue formal programs of advanced study; (b.) likelihood of continued service beyond the minimum of two years; (c.) length of service to the "District"; and (d.) history of leaves granted the applicant;
 - (7) no such leave shall be granted to applicants whose most recent work performance evaluation was rated overall as less than satisfactory;

- (8) based on the aforesaid ranking of applicants and limitations thereof as described above, the Director of Personnel shall present the names of successful applicants to the Board of Education for approval; if any applicant granted a leave later cancels it, the next ranking applicant shall be recommended;
- (9) not more than two percent of the total certificated supervisory staff shall be on sabbatical leave at any one time;
- (10) following the granting of the leave a contract of agreement shall be completed, giving all essential details such as effective beginning and terminating dates, number of semester units of credit to be earned or other purposes to be fulfilled, name of institution where work is to be done, if any, salary and method of payment, agreement to serve the "District" upon return for a period of two fiscal/school years, whichever is appropriate regarding the employee's regular work assignment, central office or school site, agreement to notify the "District" of intentions regarding no later than thirty days prior to termination of the leave, agreement to submit required reports upon return as required herein, and agreement to refund sabbatical salary as prescribed herein if conditions of the leave are not fulfilled. The signing of the contract of agreement shall be in lieu of furnishing a bond;
- (11) payment of salary to the employee on the leave shall be made at the end of each calendar month the leave is in effect, less any mandatory or employee authorized deductions. If illness, injury, or death prevents fulfillment of the leave by the employee, the proportionate part of the salary not earned shall be returned in the same manner as in the case of an employee on full-time service. If an employee does not serve the "District" for the period required after completing the leave, he/she shall refund to the "District" an amount which bears the same proportion to the total compensation received while on leave as the amount of time which was not served bears to the total amount of time agreed upon;
- (12) employees who are granted sabbatical leave shall receive salary compensation from the "District" at the rate to be determined through UPE meeting and negotiating with the District;
- (13) the "District" shall continue all its fringe benefit contributions for all employees who are granted sabbatical leave for the duration of the leave on paid-leave status;
- (14) after the initial approval of an application for sabbatical leave the Director of Personnel shall provide full information to the applicant about the compensation to be paid him/her while on the leave. The applicant shall have ten working days upon receipt of such financial information to inform the Director of Personnel of his/her intent to accept or reject the leave before final approval of the Board of Education is obtained. Refusal to accept such leave shall not be the basis of denial of subsequent applications by the employee for sabbatical leave;

- (15) time spent on sabbatical leave shall count toward earned salary increments in the same manner as regular service. Any special grants or salary increase allowed other employees in the "Bargaining Unit" while the employee is on sabbatical leave shall be allowed the employee when he/she returns from such leave;
- (16) at the expiration of the sabbatical leave the employee, unless otherwise agreed, or unless the particular position shall be have been eliminated, shall be reinstated in the position held at the time such sabbatical leave was entered into;
- upon return from sabbatical leave the employee shall file verification of fulfillment of the purpose(s) of the leave with the Personnel Director, including:

 (a.) transcripts showing completion of the required graduate units of credit earned at accredited four-year colleges or universities, if the purpose of the leave was to study at such institutions; (b.) a letter of certification by a member of the faculty of an accredited four-year college or university describing the nature of the work completed and verifying that it was equivalent in effort and content to the required graduate units of credits, if the leave was for independent study or research; and (c.) a report of not less than fifteen hundred words describing activities and benefits derived while on the leave, if the leave was for travel, prepared on a typewriter or word-processor;
- (18) the Director of Personnel may verify that the purpose(s) of the leave were fulfilled, or if in doubt, shall refer the verification received to the Certificated Supervisors Professional Improvement Committee for a recommendation. If it is concluded the purposes were not fulfilled, the employee may appeal to the Certificated Supervisors Professional Improvement Committee by appearing before it in person. If the appeal is not sustained, the employee shall reimburse the "District" for the salary received while on the leave or such part thereof as the Committee may recommend, subject to review and approval of the Board of Education.
- (19) if an employee on sabbatical leave suffers serious illness or injury which a qualified physician attests would prevent fulfillment of the purpose(s) of the leave, he/she shall notify the "District" of this fact immediately. If the leave must be abandoned, the employee may return to "District" service as soon as a position for which he/she is qualified becomes available, and repayment of sabbatical salary shall be made as described herein. If the employee desires and a physician so recommends, the employee shall be granted a health leave of absence for the length of time recommended by the physician. At the conclusion of the health leave of absence the employee may continue the sabbatical leave or return to service;
- (20) there shall be no restriction placed upon the activities of an employee while on sabbatical leave so long as the purpose(s) of the leave is/are fulfilled. Time spent on sabbatical leave shall count as regular service with the "District" for determining seniority, accumulation of sick leave credits, and eligibility for other fringe benefits;

in all matters not included in the sabbatical leave provisions described herein, the California Education Code shall govern such leaves for the "District," and any amendments thereto affecting these provisions shall be the subject of meeting and negotiating between "UPE" and the "District" within a reasonable time after such amendments are law.

23. Attendance at Professional Meetings and Events:

Employees may be granted leaves of absence with full compensation to attend professional meetings of educational groups by the superintendent, a member of the executive staff, or designee. Where the superintendent or designee believes the District should be represented, leave shall be granted with full pay and may or may not involve reimbursement for necessary expenses. In addition:

- a. Employees may be granted unpaid leave by the "District" to attend meetings, conferences, or conventions of associations or societies composed of persons engaged in education. This type of leave is distinguished from those fully compensated and listed above for attendance at professional meetings and events, as meetings and events solicited by the employee, and do not involve "UPE" officers requesting leave pursuant to paragraph 23b immediately below. Such leaves shall not be granted the first or last week of a school semester at the secondary level, the first and last week of school at the elementary level, or the first or last week of school for central office employees.
- b. The District may provide release time of up to ten days cumulative total to UPE officers for attendance at professional workshops.

SALARY AND HEALTH BENEFITS

1. <u>Benefit Stipend</u>:

- a. Participation in health benefit programs will be required as per current procedures except as follows:
- b. Effective January 1, 1997, or as soon thereafter as administratively practical, an amount equal to the average cost of the health benefit premiums will be added to the salary schedule for each unit member. This will provide unit members with additional STRS credit, subject to STRS approval. Unit members will then pay their healthcare premium through payroll deduction in an Internal Revenue Code Section 125 plan, subject to approval of the health benefit carrier.
- c. No added payment for opting out of the healthcare plan will be made.
- d. The parties agree to participate in a district-wide health and welfare benefits committee.
- 2. Salary and Health Benefits for 2005-2006 and 2006-2007 School Years:
 - a. The CBA will be rolled over in its entirety for 2005-06 through 2007-08, except as modified by the parties.
 - b. For 2005-06, the parties agree to the following considerations:
 - (1) For 2005-06, the salary schedules and appropriate stipends will increase by 2.0% effective May, 2006.

For 2006-2007, the parties agree to the following consideration:

(1) For 2006-07, the salary schedules and appropriate stipends will increase by 3.0% effective July 1, 2006.

3. <u>Salary Schedules</u>:

WORK YEAR

1. Designated Vacation Days For Eleven (11) Month Employees:

- a. Effective school year 1999-2000, the District will be closing an additional 3.5 days for the Winter Break and .5 days for Spring Break.
- b. Current eleven (11) month employees in the UPE bargaining unit will be directed to take the 3.5 days of Winter Break as designated vacation days, thereby reducing their work days from 210.5 to 207 days. They will begin the work year on the official District reporting date and end the work year on the official ending date with adjustments, if necessary, for early reporting for in-service training. For example, if the official reporting day for elementary principals is August 10 but the in-service training is scheduled for August 9, principals will be required to attend the in-service and take a day off sometime after August 9 to compensate for the additional work day.
- c. Effective July 1, 1999, new eleven (11) month employees to the bargaining unit will be directed to take the 3.5 days of Winter Break as designated non-work days. These 11-month employees will be required to work days before the reporting date and/or after the ending date for veteran employees. For example, if the official reporting date for elementary principals is August 9, they may begin work at an earlier date. If their last official workday is June 27, this can be extended to the end of June. Additional workdays are to be arranged with immediate supervisors. As a result, new eleven (11) month employees will continue to work 210.5 days per year. New employees are those UPE bargaining unit employees whose assignment to these classifications is effective July 1, 1999, or thereafter.
- d. In the future, the work schedule shall be established based on 210.5 work days with the understanding that employees falling under paragraph (1.b.) above will work 3.5 days less than the designated 210.5 scheduled days.

2. Designated Vacation Days For Twelve (12) Month Employees:

- a. Effective upon board approval, all UPE bargaining unit employees who are designated as working 223 days will be known as twelve (12) month employees. This change will not result in any adverse effect on employees.
- b. Effective July 1, 1999, the District is designating four (4) additional non-work days for 12 month-classified employees. To align with this configuration, 12 month UPE bargaining unit employees will be directed to take designated vacation days for those four days. Current employees in these classifications will be provided the four days in addition to their current vacation entitlement. New employees will not receive four additional days; they will be required to take the designated days as part of their regular vacation entitlement and will be advanced vacation if not yet earned. New employees are those UPE bargaining unit employees whose assignment to these classifications is effective July 1, 1999, or thereafter.

RETIREE HEALTH BENEFITS

1. The District will provide retiree medical benefits for unit members as follows:

2. <u>Current Employees</u>:

- b. The retirant must elect to participate in the Medicare Risk Program at age 65 or thereafter if the employee qualifies for Medicare.
- c. The employee must retire at age 55 or thereafter with at least ten (10) consecutive years of regular full-time District service. Years are defined as service in paid status. A leave of absence will not be considered a break in service for the purpose of determining consecutive years of service.
- d. Employees in regular full-time District positions on November 14, 1996, shall also be eligible for lifetime retiree benefits if promoted to UPE positions.

3. <u>Employees New to the District</u>:

- a. This provision shall apply to persons beginning service in the UPE bargaining unit effective November 15, 1996, or thereafter.
- b. The District will provide medical benefits for the employee up to age 65. The employee must retire at or after age 60 with ten (10) consecutive years of service to the District.
- 4. The eligible retirant receiving benefits under the plan may purchase coverage for his or her spouse for participation in the plan.
- 5. The provisions of this program are subject to future negotiations between the parties.
- 6. The provisions of this program are subject to the requirements of the carriers. In the event that carrier requirements are inconsistent with the provisions negotiated, the parties will reopen negotiations regarding the impact of the carrier requirements.

TERM OF AGREEMENT

- 1. This Agreement will be in full force and effect without change from July 1, 2005 through June 30, 2008, except for any agreed upon changes.
- 2. The parties may reopen up to two items in 2006-2007 and 2007-2008.
- 3. The District and UPE agree that, except as called for by this agreement, they have completed negotiations on all items and that they will not submit additional issues for negotiations except as herein specified.
- 4. The parties recognize that this Agreement replaces all District policies and Administrative Regulations concerning the matters herein. The annual salaries shown above are derived by multiplying the number of days of required service in a given year (exclusive of legal and Board-grant holidays and vacation) by the daily rates shown in the following table. For 2006-07, the number of required days of service for each work-vacation schedule are as follows:

Calendar:	A = 12 Months	C = 200.5 Days	F-1 = 197 Days	F-2 = 202 Days
	G4 = 202 Days (AP-Year Round)	T = 210.5 Days	T1 = 210.5 Days (Prin-Year Round)	U-4 = 191 Days

Annual career longevity increments of \$1,433 each are added when a United Professional Educator employee reaches 17, 20 and 23 years of credited service. An annual stipend of \$1,719 is added for the earned doctorate and is prorated if for less than a full year.

This salary schedule reflects a 3.0% increase in compensation. CE = Certificated; CL = Classified

The annual salaries shown above are derived by multiplying the number of days of required service in a given year (exclusive of legal and Board-grant holidays and vacation) by the daily rates shown in the following table. For 2007-08, the number of required days of service for each work-vacation schedule are as follows:

Calendar:	A = 12 Months	C = 200.5 Days	F-1 = 197 Days	F-2 = 202 Days
	G4 = 202 Days (AP-Year Round)	T = 210.5 Days	T1 = 210.5 Days (Prin-Year Round)	U-4 = 191 Days

Annual career longevity increments of \$1,454 each are added when a United Professional Educator employee reaches 17, 20 and 23 years of credited service. An annual stipend of \$1,745 is added for the earned doctorate and is prorated if for less than a full year.

This salary schedule reflects a 1.5% increase in compensation. CE = Certificated; CL = Classified

INSTRUCTIONS to the EMPLOYER: The Family and Medical Leave Act (FMLA) provides that an employer may require an employee seeking FMLA protections because of a need for leave to care for a covered family member with a serious health condition to submit a medical certification issued by the health care provider of the covered family member.
