

# COMMUNITY UPDATE

March 2003

## BOND MEASURES PASS!

**Thank you** to the voters of Sacramento who passed both the state-wide bond (Prop 47) giving public schools \$13 billion and our local general obligation bond (Measure I) providing our district \$225 million for new schools, continued facilities renovation, and educational programmatic needs.

Measure I funds will be issued incrementally over a nine year period. The first issuance is \$80 million and scheduled for release in spring 2003. A special committee was convened to determine the prioritization of Measure I funds. This committee met in January and February and will forward their recommendations to the Superintendent for review and approval. For more information, please contact the Operations Support Services office at 264-4091. Check our web site, [www.scusd.edu](http://www.scusd.edu) (Facilities) for future updates.

<b>Measure I</b>	<b>\$225,000,000</b>
<b>New Construction</b>	<b>\$124,344,000</b>
<ul style="list-style-type: none"> <li>• Two new elementary schools</li> <li>• One new middle school</li> <li>• Six new small high schools</li> </ul>	
<b>Health &amp; Safety</b>	<b>\$3,417,000</b>
<ul style="list-style-type: none"> <li>• ADA compliance</li> <li>• Student drop-off areas</li> </ul>	
<b>Facilities Renovation</b>	<b>\$63,495,000</b>
<ul style="list-style-type: none"> <li>• Fire Alarm Upgrades</li> <li>• Restroom Renovations</li> <li>• Electrical Upgrades</li> </ul>	
<b>Educational / Programmatic</b>	<b>\$22,497,000</b>
<ul style="list-style-type: none"> <li>• Media Centers</li> <li>• New Gymnasium/Auditorium</li> </ul>	

### Measure E Update:

- 28 schools modernized to date (Phase I)
- Nine schools scheduled for modernization, Spring 2003 (Phase II)
- Remaining 35 schools to be modernized are being designed by architects now. Work to begin in 2004 contingent upon availability of state funds.
- Portable replacement - Summer 2003
- Air conditioning installation - Summer/Fall, 2003
- Rosemont High School: Concrete foundation placement in progress. Masonry placement in progress.
