from **Windset Farms**

Santa Maria

331 miles away

Using state-of-the-art technology, responsible growing practices and a gentle hand, Windset Farms® has been delivering fresh produce to consumers for over two decades. Beginning small with a simple bell pepper, they've grown into one of North America's most sustainable suppliers of naturally grown produce.

Every year they ship premium quality tomatoes, cucumbers, peppers and specialty produce across the globe. With greenhouses in Santa Maria, CA - including headquarters in the fertile Fraser Valley - they offer customers delicious, nutrient-rich produce year-round.
