**DISTINGUISHING CHARACTERISTICS:**

IEP Designated Instructional Paraprofessional I-Special Education is an entry-level career lattice position.

IEP Designated Instructional Paraprofessional II-Special Education positions are filled by advancement from IEP Designated Instructional Paraprofessional I-Special Education, and assists in the preparation, organization, and implementation of short-term classroom projects identified by the instructor in charge. As proficiency develops, the IEP Designated Instructional Paraprofessional II-Special Education functions with a greater degree of independence.

IEP Designated Instructional Paraprofessional III-Special Education positions are filled by advancement from IEP Designated Instructional Paraprofessional II-Special Education, and assumes additional delegated responsibilities for organizing and carrying through projects identified by the instructor in charge. As proficiency develops, the IEP Designated Instructional Paraprofessional III-Special Education functions with a greater degree of independence.

IEP Designated Instructional Teacher Associate-Special Education positions are filled by advancement from IEP Designated Instructional Paraprofessional III-Special Education, and assumes responsibility for identifying areas of learning needs related to program objectives and develops plans to implement the program. The instructor in charge prior to initiation will review the plans. An IEP Designated Instructional Teacher Associate-Special Education may reasonably expect to advance to a Teacher Candidate position upon satisfactory completion of the requirements.

Teacher Candidate positions in this class are filled by advancement from IEP Designated Instructional Teacher Associate-Special Education.
REPRESENTATIVE DUTIES: (Incumbents may perform any combination of the essential functions shown below [E]. This position description is not intended to be an exhaustive list of all duties, knowledge, or abilities associated with this classification, but is intended to accurately reflect the principle job elements.)

IEP Designated Instructional Paraprofessional I and IEP Designated Instructional Paraprofessional II.

Tutor, reinforce, and/or provide instruction and support to individual or small groups of students with special needs in a general education class, special day class, when mainstreamed into a regular classroom, and/or in the community according to established Individual Education Plans (IEP’s); monitor student drills, practices, and related activities. E

Provide support and instructional assistance to students in English Language Arts, Mathematics, Science, Social Studies, and other instructional areas as necessary. E

Assist with lifting students in and out of wheelchairs, braces, and other orthopedic equipment; assist staff members in positioning students and in rendering various forms of personal care, such as toileting and diapering, dressing, undressing, grooming, and feeding; assure the safe use and operation of wheelchairs, prosthetic devices, and other equipment. E

Assist in the preparation and adaptation of a variety of instructional materials, lessons, and learning aids to enhance student performance; rephrase or enlarge materials, and explain instructions and words; review assignments to evaluate student comprehension of concepts presented; maintain records of achievement. E

Monitor and assist students with special learning needs in drill, practice, and study activities; direct students into safe learning activities and functions; assure the health and safety of students by following health and safety practices and procedures; maintain an orderly, attractive, and positive learning environment. E

Provide assistance to students in various areas including cognitive, gross, and fine motor skills, critical life skills, academic learning, social and leisure skills, physical development, behavior and control, and personal hygiene; assist students in developing effective basic life skills they need to live independently. E

Assist teacher in maintaining health and safety of students with physical disabilities by being aware of the environment and the potential hazards of each child's actions; assist students with their physical education program, such as swimming. E

Administer, proctor, and score tests; chart student progress and record grades as directed. E

Supervise students in moving to restrooms and other areas on campus; lead and oversee games and movement education as assigned. E

Supervise students during other school-related activities as needed including assemblies, field trips, and co-curricular activities; may accompany and provide instruction to students on buses while en-route to and from school and during field trips; assist students load and unload buses. E

Assist students with severe eating problems and monitor self-feeding students; take appropriate action when students have difficulty while eating. E

Participate in staff meetings, in-service training programs, home visits, and parent conferences as assigned; perform moderate to heavy lifting of students. E

Operate and assist in the operation of audiovisual, educational training, and specialized equipment; provide support by setting up work areas, displays, and exhibits; operate office equipment including a copier and computer; distribute and collect paper and supplies. E

May supervise students in the absence of the classroom teacher; the teacher shall retain responsibility for instruction and supervision of students in his/her charge (Education Code Section 45344). E

Work with school improvement initiatives that close student achievement gaps between racial, ethnic, and economic groups by working with all of the diverse communities. E

Perform related duties as assigned.
IEP Designated Instructional Paraprofessional III, IEP Designated Instructional Teacher Associate, and Teacher Candidate. Perform all the duties above in addition to the following:

Assist in the development of communication skills with students who experience language disorders; implement and model alternative communication intervention strategies. E

Support implementation of IEPs; assist the teacher with implementation of IEP’s through instruction in a variety of activities; confer with teachers concerning programs and materials to meet individual student needs; utilize appropriate methods of instruction to achieve goals and objectives set forth in the IEP; serve as a connection for all services for students. E

Implement and model social skill development techniques, including social stories, peer facilitation, and peer training. E

Assist in the development and implementation of the behavior support and intervention plan; model specialized strategies and techniques; observe and control behavior of students according to approved procedures; assist in the shaping of social behavior. E

Assist in the implementation of de-escalation strategies, which may include physical restraint in accordance with district procedure. E

Prepare students for mainstreamed classes according to established procedures; accompany students to classes; assist and train students at job sites and in the community. E

Discuss observations and progress of students with instructional staff; maintain student records and files including confidential student records information. E

Gather, compile, and prepare data for statistical and operational reports. E

TRAINING, EDUCATION, AND EXPERIENCE:

Graduation from high school, one year of experience working with individuals or students in an organized setting, and one of the following: completion of at least two years of study (48 semester units) in an institution of higher education, associate’s degree, pass the district paraprofessional test, or be No Child Left Behind (NCLB) compliant. Prefer experience with special needs students. Computer experience is preferred.
