Recommendation: Approve the 2016-17 First Interim Financial Report with a **Positive Certification**.

Background/Rationale: Education Code Section 42130 requires school districts to prepare Interim Financial Reports each year. The intent of these reports is to provide an “early warning” system to indicate whether a district can meet its current or future year financial obligations. This is the first of two interim financial reports presented to the Board of Education for the 2016-17 year. The report provides financial information as of October 31, 2016.

Financial Considerations: With the approval of Proposition 30 and recent approval of Proposition 55 and Local Control Funding Formula (LCFF), the 2016-17 budget is balanced and the district believes it will end the current year in a positive financial condition. This status indicates that the district certify that it will meet its financial obligations for the current fiscal year and two subsequent years. As required for a “positive” certification by the Sacramento County Office of Education.

The district has not settled agreements with all bargaining units for FY 2016-17, 2017-18 and 2018-19. However the Board action must take on all necessary budget adjustments for 2017-18 and 2018-19 and the district must maintain its required 2% reserve for economic uncertainties. The approval of Proposition 55 in November 2016 will help create some transition funding from Proposition 30 that ends in FY 2017-18.

LCAP Goal(s): Family and Community Empowerment; College, Career and Life Ready Graduates; Operational Excellence

First Interim Financial Report 2016-2017

December 8, 2016

I. OVERVIEW/HISTORY:

School districts are required to file two Interim Financial Reports during the year. The First Interim Report, as of October 31st, requires Board approval by December 15th. The Second Interim Report, as of January 31st, requires Board approval by March 15th.

When interim reports are submitted, a district must designate a certification as to their financial condition. A positive certification would indicate that the district would meet its financial obligations for the current fiscal year as well as the two subsequent fiscal years. A qualified certification means that the district may not meet its financial obligations for the current fiscal year or two subsequent fiscal years. A negative certification would mean that the district is unable to meet its financial obligations for the remainder of the current fiscal year or for the future fiscal year.

With the approval of Proposition 30 and recent approval of Proposition 55 in November elections and Local Control Funding Formula (LCFF), the 2016-17 budget is balanced and the district believes it will end the current year in a positive financial condition. This status indicates the district certifies it will meet its financial obligations for the current fiscal year and two subsequent years. As required for a "positive" certification by the Sacramento County Office of Education, Board action must be taken on all necessary budget adjustments for 2017-18 and 2018-19 and the district must maintain its required 2% reserve for economic uncertainties. Documents attached are primarily state-required reports. Key information includes the budget assumptions, Average Daily Attendance and multi-year projections.

II. DRIVING GOVERNANCE:

- Education Code section 42130 requires the Superintendent to submit two reports to the Board of Education during each fiscal year. The first report shall cover the financial and budgetary status of the district for the period ending October 31st. All reports required shall be in a format or on forms prescribed by the Superintendent of Public Instruction.
- Education Code section 42131 requires the Board of Education to certify, in writing, whether the district is able to meet its financial obligations for the remainder of the fiscal year and, based on current forecasts, for the subsequent fiscal year. Certifications shall be based on the Board's assessment of the district budget. Certifications shall be classified as positive, qualified or negative. This education code section also outlines the role of the County Office of Education.
- Education Code section 42131 (3)(e) directs districts to provide additional reports to the County Office of Education as of June 1 if a Qualified or Negative Certification is reported as of the Second Interim Report.

First Interim Financial Report 2016-2017

December 8, 2016

III. BUDGET:

The budget is a fluid document and while the budget is balanced for 2016-2017, there are many unknowns at this time. In preparing the assumptions for the multi-year projection items such as one-time funds used to balance 2016-2017, increased costs for step and column salary increases as well as health benefit increases must be factored in. Revenue increases based on state projections for LCFF as well as enrollment are included in the multi-year projections. Staff continues to closely monitor enrollment, average daily attendance, state revenue and other areas that could impact the budget in the current or outlying years. The district has not settled agreements with all bargaining units for FY 2016-17, 2017-18 and 2018-19. However, the Board action must take on all necessary budget adjustments for 2017-18 and 2018-19 and the district must maintain its required 2% reserve for economic uncertainties. The First Interim Financial Report includes assumptions and projections made with the best available information.

IV. Goals, Objectives and Measures:

Maintain a balanced budget for FY 2016-17 and continue to follow the timeline to ensure a balanced 2017-2018 budget. It will be important to reduce the reliance of one-time funds used to balance the budget.

V. Major Initiatives:

Use the First Interim Financial Report information to help guide budget development for FY 2017-18 and 2018-19.

VI. Results:

Budget development for FY 2017-18 will follow the calendar approved by the Board. Required Board actions will take place in order to ensure a balanced Adopted Budget is in place on or before July 1, 2017.

VII. Lessons Learned/Next Steps:

- Follow the approved calendar with adjustments made as necessary.
- Continue to monitor the state budget and its impact on the district finances.
- Continue to engage stakeholders in the budget development process through community budget meetings.
- Meet and communicate with bargaining unit partners.
- Ensure compliance with all LCFF and LCAP requirements.

PROPRIETARY FUNDS

Proprietary Funds Definition

Proprietary Funds are used to account for activities that are more business-like than government-like in nature. Business-type activities include those for which a fee is charged to external users or to other organizational units of the LEA, normally on a full cost-recovery basis. Proprietary funds are generally intended to be self-supporting. This classification includes the Retiree Benefits fund and Self-Insurance fund, which includes the Dental/Vision fund.

4. Comments:

The District has established a Self-insurance fund to account for employee vision, dental and worker's compensation benefits. The plans are self-insured and contract with a third party administrator for benefits processing. The District belongs to a Joint Power Association (JPA) that helps manage claims to maintain lower costs.

S8. Status of Labor Agreements

Analyze the status of employee labor agreements. Identify new labor agreements that have been ratified since budget adoption, as well as new commitments provided as part of previously ratified multiyear agreements; and include all contracts, including all administrator contracts (and including all compensation). For new agreements, indicate the date of the required board meeting. Compare the increase in new commitments to the projected increase in ongoing revenues and explain how these commitments will be funded in future fiscal years.

If salary and benefit negotiations are not finalized, upon settlement with certificated or classified staff:

The school district must determine the cost of the settlement, including salaries, benefits, and any other agreements that change costs, and provide the county office of education (COE) with an analysis of the cost of the settlement and its impact on the operating budget.

The county superintendent shall review the analysis relative to the criteria and standards and may provide written comments to the president of the district governing board and superintendent.
