Any employee that Contractor assigns to provide services directly to, or have any contact with, pupil(s) of the District shall have undergone the background check required in §45125(b)&(c), including response by DOJ, before any service or contact with pupil(s) of the District is allowed.

Pursuant to Education Code §45125.1, Contractor shall provide a complete list to the District of all employees cleared by the DOJ who will provide services under this Agreement (or MOU) and shall certify in writing to the District that Contractor has no information that any of its employees who are required to have their fingerprints submitted to the Department of Justice (DOJ), and who may come in contact with pupils, have been convicted of a “violent or serious felony” as defined in §45122.1 or that they have been advised of any such arrest by the DOJ.

Contractor shall continuously monitor through DOJ, and obtain subsequent arrest notification from DOJ, regarding any individual whose fingerprints were submitted pursuant to §45125.1 and who is or will be providing service directly to, or has contact with, pupil(s) of the District. Upon receipt of a subsequent arrest notification from DOJ, Contractor shall, within 24 hours, notify the District of such arrest notification and prohibit the employee from having any further contact with any pupil(s) of the District until such time as the employee’s arrest has been determined to not involve a “violent or serious felony” as defined in §45122.1 or the notification has been withdrawn by DOJ. If an employee is disqualified from working for the District pursuant to the requirements of the California Education Code, even if only temporarily, Contractor agrees to provide a replacement employee within 15 days of receiving notification that the previous employee has been disqualified.

Contractor further agrees and certifies that any employee providing services directly to any pupil(s) of the District whether qualifying as a Mandated Reporter as defined by California Penal Code §11165.7(a), or not, shall be provided annual training on child abuse and mandated reporting of child abuse or neglect utilizing an evidence-based training method which includes training on how to recognize conduct of adults which may trigger reasonable suspicion of abuse of children, i.e., “red-flag” or “grooming” behaviors.

GENERAL AGREEMENT FOR NONSECTARIAN, NONPUBLIC SCHOOL/AGENCY SERVICES
2021-2022

AUTHORIZATION FOR MASTER CONTRACT AND GENERAL PROVISIONS

1. MASTER CONTRACT

This Master Contract (or "Contract") is entered into on July 1, 2021, between the Sacramento City Unified School District (hereinafter referred to as the local educational agency "LEA" or "District"), a member of the Sacramento City Unified School District SELPA, and Change Academy at Lake of the Ozarks (CALO) (nonpublic, nonsectarian school or agency), hereinafter referred to as NPS/A or "CONTRACTOR" for the purpose of providing special education and/or related services to students with exceptional needs under the authorization of California Education Code sections 56157, 56361 and 56365 *et seq*. and Title 5 of the California Code of Regulations section 3000 *et seq*., AB490 (Chapter 862, Statutes of 2003) and AB1858 (Chapter 914, Statutes of 2004). It is understood that this agreement does not commit LEA to pay for special education and/or related services provided to any student, or CONTRACTOR to provide such special education and/or related services, unless and until an authorized LEA representative approves the provision of special education and/or related services by CONTRACTOR.

Upon acceptance of a student, LEA shall submit to CONTRACTOR an Individual Services Agreement (hereinafter referred to as "ISA"). Unless otherwise agreed in writing, these forms shall acknowledge CONTRACTOR's obligation to provide all relevant services specified in the student's Individualized Education Program (hereinafter referred to as "IEP"). The ISA shall be executed within ninety (90) days of a student's enrollment. LEA and CONTRACTOR shall enter into an ISA for each student served by CONTRACTOR. As available and appropriate, the LEA shall make available access to any electronic IEP system and/or electronic database for ISA developing including invoicing.

Unless placement and/or services is made pursuant to an Office of Administrative Hearings (hereinafter referred to as "OAH") order, a lawfully executed settlement agreement between LEA and parent or authorized by LEA for a transfer student pursuant to California Education Code section 56325, LEA is not responsible for the costs associated with NPS placement or NPS/A services until the date on which an IEP team meeting is convened, the IEP team determines that a NPS placement is appropriate, and the IEP is signed by the student's parent.

2. CERTIFICATION AND LICENSES

CONTRACTOR shall be certified by the California Department of Education (hereinafter referred to as "CDE") as a NPS/A. All NPS/A services shall be provided consistent with the area of certification and licensure specified by CDE Certification and as defined in California Education Code, section 56366 *et seq* and within the professional scope of practice of each provider's license, certification and/or credential. A current copy of CONTRACTOR's NPS/A certification or a waiver of such certification issued by the CDE pursuant to Education Code section 56366.2 must be provided to LEA on or before the date this Agreement is executed by CONTRACTOR. This Master Contract shall be null and void if such certification or waiver is expired, revoked, rescinded, or otherwise nullified during the effective period of this Master Contract. Total student enrollment shall be limited to capacity as stated on CDE certification and in Section 24 of the Master Contract.

In addition to meeting the certification requirements of the State of California, a CONTRACTOR that operates a program outside of this State shall be certified and all staff persons providing services to pupils

shall be certified and/or licensed by that state to provide, respectively, special education and related services and designated instruction and related services to pupils under the federal Individuals with Disabilities Education Act (20 U.S.C. Sec. 1400 et seq.).

If CONTRACTOR is a licensed children's institution (hereinafter referred to as "LCI"), CONTRACTOR shall be licensed by the state, or other public agency having delegated authority by contract with the state to license, to provide nonmedical care to children, including, but not limited to, individuals with exceptional needs. The LCI must also comply with all licensing requirements relevant to the protection of the child, and have a special permit, if necessary, to meet the needs of each child so placed. If the CONTRACTOR operates a program outside of this State, CONTRACTOR must obtain all required licenses from the appropriate licensing agency in both California and in the state where the LCI is located.

With respect to CONTRACTOR's certification, failure to notify the LEA and CDE in writing of any changes in: (1) credentialed/licensed staff; (2) ownership; (3) management and/or control of the agency; (4) major modification or relocation of facilities; or (5) significant modification of the program may result in the suspension or revocation of CDE certification and/or suspension or termination of this Master Contract by the LEA.

3. COMPLIANCE WITH LAWS, STATUTES, REGULATIONS

During the term of this Master Contract, unless otherwise agreed, CONTRACTOR shall comply with all applicable federal, state, and local statutes, laws, ordinances, rules, policies and regulations. CONTRACTOR shall also comply with all applicable LEA policies and procedures unless, taking into consideration all of the surrounding facts and circumstances, a policy or policies or a portion of a policy does not reasonably apply to CONTRACTOR. CONTRACTOR hereby acknowledges and agrees that it accepts all risks and responsibilities for its failure to comply with LEA policies and shall indemnify LEA under the provisions of Section 16 of this Agreement for all liability, loss, damage and expense (including reasonable attorneys' fees) resulting from or arising out of CONTRACTOR's failure to comply with applicable LEA policies (e.g., those policies relating to; the provision of special education and/or related services, facilities for individuals with exceptional needs, student enrollment and transfer, student inactive status, corporal punishment, student discipline, and positive behavior interventions).

CONTRACTOR acknowledges and understands that LEA may report to the CDE any violations of the provisions of this Master Contract; and that this may result in the suspension and/or revocation of CDE nonpublic school/agency certification pursuant to California Education Code section 56366.4(a).

4. TERM OF MASTER CONTRACT

The term of this Master Contract shall be from July 1, 2021 to June 30, 2022 (Title 5 California Code of Regulations section 3062(a)) unless otherwise stated. Neither the CONTRACTOR nor the LEA is required to renew this Master Contract in subsequent contract years. The parties acknowledge that any subsequent Master Contract is to be re-negotiated prior to June 30, 2022. In the event the contract negotiations are not agreed to by June 30th, the most recently executed Master Contract will remain in effect for 90 days. (Title 5 California Code of Regulations section 3062(d)) No Master Contract will be offered unless and until all of the contracting requirements have been satisfied. The offer of a Master Contract to a CONTRACTOR is at the sole discretion of the LEA.

The provisions of this Master Contract apply to CONTRACTOR and any of its employees or independent contractors. Notice of any change in CONTRACTOR's ownership or authorized representative shall be provided in writing to LEA within thirty (30) calendar days of change of ownership or change of authorized representative.

5. INTEGRATION/CONTINUANCE OF CONTRACT FOLLOWING EXPIRATION OR TERMINATION

This Master Contract includes each ISA and they are incorporated herein by this reference. This Master Contract supersedes any prior or contemporaneous written or oral understanding or agreement. This Master Contract may be amended only by written amendment executed by both parties.

CONTRACTOR shall provide the LEA with information as requested in writing to secure a Master Contract or a renewal.

At a minimum, such information shall include copies of current teacher credentials and clearance, insurance documentation and CDE certification. The LEA may require additional information as applicable. If the application packet is not completed and returned to District, no Master Contract will be issued. If CONTRACTOR does not return the Master Contract to LEA duly signed by an authorized representative within ninety (90) calendar days of issuance by LEA, the new contract rates will not take effect until the newly executed Master Contract is received by LEA and will not be retroactive to the first day of the new Master Contract's effective date. If CONTRACTOR fails to execute the new Master Contract within such ninety-day period, all payments shall cease until such time as the new Master Contract for the current school year is signed and returned to LEA by CONTRACTOR. (California Education Code section 56366(c)(1) and (2)). In the event that this Master Contract expires or terminates, CONTRACTOR shall continue to be bound to all of the terms and conditions of the most recent executed Master Contract between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized students at the discretion of the LEA.

6. INDIVIDUAL SERVICES AGREEMENT ("ISA")

This Agreement shall include an ISA developed for each student to whom CONTRACTOR is to provide special education and/or related services. An ISA shall only be issued for students enrolled with the approval of the LEA pursuant to Education Code section 56366 (a)(2)(A). An ISA may be effective for more than one contract year provided that there is a concurrent Master Contract in effect. In the event that this Master Contract expires or terminates, CONTRACTOR, shall continue to be bound to all of the terms and conditions of the most recent executed ISAs between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized students.

Any and all changes to a student's educational placement/program provided under this Master Contract and/or an ISA shall be made solely on the basis of a revision to the student's IEP or by written agreement between the parent and LEA. At any time during the term of this Master Contract, a student's parent, CONTRACTOR, or LEA may request a review of a student's IEP subject to all procedural safeguards required by law.

Unless otherwise provided in this Master Contract, the CONTRACTOR shall provide all services specified in the IEP unless the CONTRACTOR and the LEA agree otherwise in the ISA. (California Education Code sections 56366(a) (5) and 3062(e)). In the event the CONTRACTOR is unable to provide a specific service at any time during the life of the ISA, the CONTRACTOR shall notify the LEA in writing within five (5) business days of the last date a service was provided. CONTRACTOR shall provide any and all subsequent compensatory service hours awarded to student as a result of lack of provision of services while student was served by the NPS/A.

If a parent or LEA contests the termination of an ISA by initiating a due process proceeding with the OAH, CONTRACTOR shall abide by the "stay-put" requirement of state and federal law unless the parent agrees otherwise or an Interim Alternative Educational Setting is deemed lawful and appropriate by LEA or OAH consistent with Section 1415 (k)(1)(7) of Title 20 of the United States Code. CONTRACTOR shall adhere to all LEA requirements concerning changes in placement.

Disagreements between LEA and CONTRACTOR concerning the formulation of an ISA or the Master Contract may be appealed to the County Superintendent of Schools of the County where the LEA is located, or the State Superintendent of Public Instruction pursuant to the provisions of California Education Code section 56366(c) (2).

To the fullest extent allowed by law, CONTRACTOR shall indemnify and hold LEA and its Board Members, administrators, employees, agents, attorneys, volunteers, and subcontractors ("LEA Indemnities") harmless against all liability, loss, damage and expense (including reasonable attorneys' fees) resulting from or arising out of this Master Contract or its performance, to the extent that such loss, expense, damage or liability was proximately caused by negligence, intentional act, or willful act or omission of CONTRACTOR, including, without limitation, its agents, employees, subcontractors or anyone employed directly or indirectly by it (excluding LEA and LEA Indemnities). The duty and obligation to defend shall arise immediately upon tender of a claim or lawsuit to the CONTRACTOR. LEA represents that it is self-insured in compliance with the laws of the State of California, that the self-insurance covers district employees acting within the course and scope of their respective duties and that its self-insurance covers the LEA's indemnification obligations under this Master Contract.

17. INDEPENDENT CONTRACTOR

Nothing herein contained will be construed to imply a joint venture, partnership or principal-agent relationship between the LEA and CONTRACTOR. CONTRACTOR shall provide all services under this Contract as an independent contractor, and neither party shall have the authority to bind or make any commitment on behalf of the other. Nothing contained in this Contract shall be deemed to create any association, partnership, joint venture or relationship of principal and agent, master and servant, or employer and employee between the parties or any affiliates of the parties, or between the LEA and any individual assigned by CONTRACTOR to perform any services for the LEA.

If the LEA is determined to be a partner, joint venture, co-principle, employer or co-employer of CONTRACTOR, CONTRACTOR shall indemnify and hold harmless the LEA from and against any and all claims for loss, liability, or damages arising from that determination, as well as any expenses, costs, taxes, penalties and interest charges incurred by the LEA as a result of that holding.

18. SUBCONTRACTING

CONTRACTOR shall provide written notification to LEA before subcontracting for special education and/or related services pursuant to this Master Contract. In the event LEA determines that it can provide the subcontracted service(s) at a lower rate, LEA may elect to provide such service(s). If LEA elects to provide such service(s), LEA shall provide written notification to CONTRACTOR within five (5) days of receipt of CONTRACTOR's original notice and CONTRACTOR shall not subcontract for said service(s).

CONTRACTOR shall incorporate all of the provisions of this Master Contract in all subcontracts, to the fullest extent reasonably possible. Furthermore, when CONTRACTOR enters into subcontracts for the provision of special education and/or related services (including, but not limited to, transportation) for any student, CONTRACTOR shall cause each subcontractor to procure and maintain insurance during the term of each subcontract. Such subcontractor's insurance shall comply with the provisions of Section 15. Each subcontractor shall furnish the LEA with original endorsements and certificates of insurance effecting coverage required by Section 15. The endorsements are to be signed by a person authorized by that insurer to bind coverage on its behalf. The endorsements are to be on forms as required by the LEA. All endorsements are to be received and approved by the LEA before the subcontractor's work commences. The Commercial General Liability and Automobile Liability policies shall name the LEA/SELPA and the LEA Board of Education as additional insured.

As an alternative to the LEA's forms, a subcontractor's insurer may provide complete, certified copies of all required insurance policies, including endorsements affecting the coverage required by this Master Contract. All Certificates of Insurance must reference the LEA contract number, name of the school or agency submitting the certificate, indication if NPS or NPA, and the location of the school or agency submitting the certificate. In addition, all subcontractors must meet the requirements as contained in Section 45 Clearance Requirements and Section 46 Staff Qualifications of this Master Contract.

Pursuant to California Education code section 56042, an attorney or advocate for a parent of an individual with exceptional needs shall not recommend placement at CONTRACTOR's facility if the attorney or advocate is employed or contracted by the CONTRACTOR, or will receive a benefit from the CONTRACTOR, or otherwise has a conflict of interest.

Unless CONTRACTOR and LEA otherwise agree in writing, LEA shall neither execute an ISA with CONTRACTOR nor amend an existing ISA for a student when a recommendation for special education and/or related services is based in whole or in part on assessment(s) or reports provided by CONTRACTOR to the student without prior written authorization by LEA. This paragraph shall apply to CONTRACTOR regardless of when an assessment is performed or a report is prepared (i.e., before or after the student is enrolled in CONTRACTOR's school/agency) or whether an assessment of the student is performed or a report is prepared in the normal course of the services provided to the student by CONTRACTOR. To avoid conflict of interest, and in order to ensure the appropriateness of an Independent Educational Evaluation (hereinafter referred to as "IEE") and its recommendations, the LEA may, in its discretion, not fund an IEE by an evaluator who provides ongoing service(s) or is sought to provide service(s) to the student for whom the IEE is requested. Likewise, the LEA may, in its discretion, not fund services through the evaluator whose IEE the LEA agrees to fund. When no other appropriate assessor is available, LEA may request and if CONTRACTOR agrees, the CONTRACTOR may provide an IEE.

When CONTRACTOR is a NPA, CONTRACTOR acknowledges that its authorized representative has read and understands Education Code section 56366.3 which provides, in relevant part, that no special education and/or related services provided by CONTRACTOR shall be paid for by LEA if provided by an individual who is or was an employee of LEA within the three hundred and sixty five (365) days prior to executing this contract. This provision does not apply to any person who is able to provide designated instruction and services during the extended school year because he or she is otherwise employed for up to ten months of the school year by LEA.

CONTRACTOR shall not admit a student living within the jurisdictional boundaries of the LEA on a private pay or tuition free "scholarship" basis and concurrently or subsequently advise/request parent(s) to pursue funding for the admitted school year from the LEA through due process proceedings.

In the event a NPS is unable to fill a vacant teaching position responsible for direct instruction to students, and the vacancy has direct impact on the California Department of Education Certification of that school, the NPS shall develop a plan to ensure appropriate coverage of students by first utilizing existing certificated staff. The NPS and the LEA may agree to one 30 school day period per contract year where class size may be increased to ensure coverage by an appropriately credentialed teacher. Such an agreement shall be in writing and signed by both parties. This provision does not apply to a NPA.

Any instructional days provided without this written agreement shall be at the sole financial responsibility of the CONTRACTOR.

26. DATA REPORTING

CONTRACTOR shall agree to provide to the LEA all data related to student information and billing information with LEA. CONTRACTOR shall agree to provide data related to all sections of this contract, including student discipline as noted below, and requested by and in the format required by the LEA. It is understood that all NPS/A shall utilize the LEA approved electronic IEP system for all IEP development, service tracking documentation, and progress reporting, unless otherwise agreed to by the LEA. CONTRACTOR and LEA shall ensure that LRE placement options are addressed at all IEP team meetings regarding students for whom ISAs have been or may be executed. This shall include IEP team consideration of supplementary aids and services, goals and objectives necessary for placement in the LRE and necessary to enable students to transition to less restrictive settings.

When an IEP team has determined that a student should be transitioned into the public school setting, CONTRACTOR shall assist the LEA in implementing the IEP team's recommended activities to support the transition.

If the Individualized Education Program ("IEP") team determines that a student's behavior impedes his or her learning or the learning of others, the IEP team is required to consider the use of positive behavioral interventions and supports, and other strategies, to address that behavior, consistent with Section 1414(d)(3)(B)(i) and (d)(4) of Title 20 of the United States Code and associated federal regulations. This could mean that instead of developing a Behavior Intervention Plan ("BIP"), the IEP team may conclude it is sufficient to address the student's behavioral problems through the development of behavioral goals and behavioral interventions to support those goals.

CONTRACTOR shall maintain a written policy pursuant to California Education Code section 56521.1 regarding emergency interventions and behavioral emergency reports. CONTRACTOR shall ensure that all of its staff members are trained in crisis intervention, emergency procedures, and evidenced-based practices and interventions specific to the unique behavioral needs of the CONTRACTOR's pupil population. Emergency interventions may only be used to control unpredictable, spontaneous behavior that poses clear and present danger of serious physical harm to the individual with exceptional needs, or others, and that cannot be immediately prevented by a response less restrictive than the temporary application of a technique used to contain the behavior. If a situation requires prolonged use of emergency intervention, staff must seek assistance from the school site administrator or a law enforcement agency.

CONTRACTOR shall complete a behavior emergency report when an emergency occurs that is defined as a serious, dangerous behavior that staff has determined to present a clear and present danger to others. It requires a non-violent physical intervention to protect the safety of student, self, or others and a physical intervention has been used; or a physical intervention has not been used, but an injury or serious property damage has occurred. Personal Safety Techniques may or may not have been used. Emergencies ***require*** a behavior emergency report form be completed and submitted to the LEA within twenty-four (24) hours for administrative action. CONTRACTOR shall notify Parent within twenty-four (24) hours via telephone. If the student's IEP does not contain a Behavior Intervention Plan ("BIP") or Positive Behavior Intervention Plan ("PBIP"), an IEP team shall schedule a meeting to review the behavior emergency report, determine if there is a necessity for a functional behavioral assessment, and to determine an interim plan. If the student already has a BIP, the IEP team shall review and modify the BIP if a new serious behavior has been exhibited or existing behavioral interventions have proven to be ineffective. CONTRACTOR shall schedule with LEA an IEP meeting within two (2) days.

Pursuant to Education Code section 56521.2, CONTRACTOR shall not authorize, order, consent to, or pay for the following interventions, or any other interventions similar to or like the following: (1) Any intervention that is designed to, or likely to, cause physical pain, including, but not limited to, electric-shock (2) An intervention that involves the release of noxious, toxic, or otherwise unpleasant sprays, mists, or substances in proximity to the face of the individual. (5) Restrictive interventions that employ a device, material, or objects that simultaneously immobilize all four extremities, including the procedure known as prone containment, except that prone containment or similar techniques may be used by trained personnel as a limited emergency intervention. (6) Locked seclusion, unless it is in a facility otherwise licensed or permitted by state law to use a locked room. (7) An intervention that precludes adequate supervision of the individual. (8) An intervention that deprives the individual of one or more of his or her senses. (b) In the case of a child whose behavior impedes the child's learning or that of others, the individualized education program team shall consider the use of positive behavioral interventions and supports, and other strategies, to address that behavior, consistent with Section 1414(d)(3)(B)(i) and (d)(4) of Title 20 of the United States Code and associated federal regulations.

All restraint practices must be reviewed and revised when they have an adverse effect on a student and are used repeatedly for an individual child, either on multiple occasions within the same classroom or multiple uses by the same individual. CONTRACTOR shall notify the student's parent/guardian when any type of physical or mechanical restraint or seclusion has been used. Upon the use of any type of physical or mechanical restraint or seclusions of a District student, CONTRACTOR shall complete a BER per the reporting and notification requirements listed above.

as otherwise mutually agreed upon by CONTRACTOR and LEA, CONTRACTOR shall provide LEA, on a monthly basis, a written report of all incidents in which a statutory offense is committed by any LEA student, regardless if it results in a disciplinary action of suspension or expulsion. This includes all statutory offenses as described in Education Codes 48900 and 48915.CONTRACTOR shall also include incidents resulting in the use of a behavioral restraint and/or seclusion even if they were not a result of a violation of Education Code Sections 48900 and 48915.

When CONTRACTOR seeks to remove a student from his/her current educational placement for disciplinary reasons, CONTRACTOR shall immediately submit a written discipline report to the LEA. Written discipline reports shall include, but not be limited to: the student's name; the time, date, and description of the misconduct; the disciplinary action taken by CONTRACTOR; and the rationale for such disciplinary action. A copy of the student's behavior plan, if any, shall be submitted with the written discipline report. CONTRACTOR and LEA agree to participate in a manifestation determination at an IEP meeting no later than the tenth (10^{th}) day of suspension.

32. IEP TEAM MEETINGS

An IEP team meeting shall be convened at least annually to evaluate: (1) the educational progress of each student placed with CONTRACTOR, including all state assessment results pursuant to the requirements of Education Code section 52052; (2) whether or not the needs of the student continue to be best met at the NPS; and (3) whether changes to the student's IEP are necessary, including whether the student may be transitioned to a public school setting. (California Education Code sections 56366 (a) (2) (B) (i) and (ii)) and pursuant to California Education Code section 56345 (b) (4).)

If the LEA student is to be transferred from a NPS setting into a regular class setting in a public school for any part of the school day, the IEP team shall document, if appropriate, a description of activities provided to integrate the student into the regular education program, including the nature of each activity as well as the time spent on the activity each day or week and a description of the activities provided to support the transition of the student from the special education program into the regular education program. Each student shall be allowed to provide confidential input to any representative of his or her IEP team. Except as otherwise provided in the Master Contract, CONTRACTOR and LEA shall participate in all IEP team meetings regarding students for whom ISAs have been or may be executed. At any time during the term of this Master Contract, the parent, the CONTRACTOR or the LEA may request a review of the student's IEP, subject to all procedural safeguards required by law, including reasonable notice given to, and participation of, the CONTRACTOR in the meeting. Every effort shall be made to schedule IEP team meetings at a time and place that is mutually convenient to parent, CONTRACTOR and LEA. CONTRACTOR shall provide to LEA assessments and written assessment reports by service providers upon request and/or pursuant to LEA policy and procedures. It is understood that attendance at an IEP meeting is part of CONTRACTOR'S professional responsibility and is not a billable service under this Master Contract.

It is understood that the CONTRACTOR shall utilize the approved electronic IEP system of the LEA for all IEP planning and progress reporting at the LEA's discretion. The LEA or SELPA may provide training for any CONTRACTOR to ensure access to the approved system. The CONTRACTOR shall maintain confidentiality of all IEP data on the approved system and shall protect the password requirements of the system. When a student dis-enrolls from the NPS/NPA, the NPS/NPA and LEA shall discontinue use of the approved system for that student.

Changes in any student's educational program, including instruction, services, or instructional setting provided under this Master Contract, may only be made on the basis of revisions to the student's IEP. In the event that the CONTRACTOR believes the student requires a change of placement, the CONTRACTOR may request a review of the student's IEP for the purposes of consideration of a change in the student's placement. 57. RIGHT TO WITHHOLD PAYMENT

LEA may withhold payment to CONTRACTOR when: (a) CONTRACTOR has failed to perform, in whole or in part, under the terms of this contract; (b) CONTRACTOR has billed for services rendered on days other than billable days of attendance or for days when student was not in attendance and/or did not receive services; (c) CONTRACTOR was overpaid by LEA as determined by inspection, review, and/or audit of its program, work, and/or records; (d) CONTRACTOR has failed to provide supporting documentation with an invoice, as required by EC 56366(c)(2); (e) education and/or related services are provided to students by personnel who are not appropriately credentialed, licensed, or otherwise qualified; (f) LEA has not received prior to school closure or contract termination, all documents concerning one or more students enrolled in CONTRACTOR's educational program; (g) CONTRACTOR fails to confirm a student's change of residence to another district or confirms the change or residence to another district, but fails to notify LEA within five (5) days of such confirmation; or (h) CONTRACTOR receives payment from Medi-Cal or from any other agency or funding source for a service provided to a student. It is understood that no payments shall be made for any invoices that are not received by six (6) months following the close of the prior fiscal year, for services provided in that year.

Final payment to CONTRACTOR in connection with the cessation of operations and/or termination of a Master Contract will be subject to the same documentation standards described for all payment claims for regular ongoing operations. In addition, final payment may be withheld by the LEA until completion of a review or audit, if deemed necessary by the LEA. Such review or audit will be completed within ninety (90) days. The final payment may be adjusted to offset any previous payments to the CONTRACTOR determined to have been paid in error or in anticipation of correction of documentation deficiencies by the CONTRACTOR that remain uncorrected.

The amount which may be withheld by LEA with respect to each of the subparagraphs of the preceding paragraph are as follows: (a) the value of the service CONTRACTOR failed to perform; (b) the amount of overpayment; (c) the entire amount of the invoice for which satisfactory documentation has not been provided by CONTRACTOR; (d) the amount invoiced for services provided by the individual not appropriately credentialed, licensed, or otherwise qualified; (e) the proportionate amount of the invoice related to the

applicable pupil for the time period from the date the violation occurred and until the violation is cured; or (f) the amount paid to CONTRACTOR by Medi-Cal or another agency or funding source for the service provided to the student.

If LEA determines that cause exists to withhold payment to CONTRACTOR, LEA shall, within ten (10) business days of this determination, provide to CONTRACTOR written notice that LEA is withholding payment. Such notice shall specify the basis or bases for LEA's withholding payment and the amount to be withheld. Within thirty (30) days from the date of receipt of such notice, CONTRACTOR shall take all necessary and appropriate action to correct the deficiencies that form the basis for LEA's withholding payment or submit a written request for extension of time to correct the deficiencies. Upon receipt of CONTRACTOR's written request showing good cause, LEA shall extend CONTRACTOR's time to correct deficiencies (usually an additional thirty (30) days), otherwise payment will be denied.

If after subsequent request for payment has been denied and CONTRACTOR believes that payment should not be withheld, CONTRACTOR shall send written notice to LEA specifying the reason it believes payment should not be withheld. LEA shall respond to CONTRACTOR's notice within thirty (30) business days by indicating that a warrant for the amount of payment will be made or stating the reason LEA believes payment should not be made. If LEA fails to respond within thirty (30) business days or a dispute regarding the withholding of payment continues after the LEA's response to CONTRACTOR's notice, CONTRACTOR may invoke the following escalation policy.

After forty-five (45) business days: The CONTRACTOR may notify the Authorized LEA's Representative of the dispute in writing. The LEA Authorized Representative shall respond to the CONTRACTOR in writing within fifteen (15) business days.

After sixty (60) business days: Disagreements between the LEA and CONTRACTOR concerning the Master Contract may be appealed to the County Superintendent of Schools or the State Superintendent of Public Instruction pursuant to the provisions of California Education Code Section 56366(c) (2).

58. PAYMENT FROM OUTSIDE AGENCIES

CONTRACTOR shall notify LEA when Medi-Cal or any other agency is billed for the costs associated with the provision of special education and/or related services to students. Upon request, CONTRACTOR shall provide to LEA any and all documentation regarding reports, billing, and/or payment by Medi-Cal or any other agency for the costs associated with the provision of special education and/or related services to students.

59. PAYMENT FOR ABSENCES

NONPUBLIC SCHOOL STAFF ABSENCE

Whenever a classroom teacher employed by CONTRACTOR is absent, CONTRACTOR shall provide an appropriately credentialed substitute teacher in the absent teacher's classroom in accordance with California Education Code section 56061. CONTRACTOR shall provide to LEA documentation of substitute coverage pursuant to the LEA Procedures. Substitute teachers shall remain with their assigned class during all instructional time. LEA will not pay for instruction and/or services unless said instruction or service is provided by an appropriately credentialed substitute teacher.

Whenever a related service provider is absent, CONTRACTOR shall provide a qualified (as defined in Section 7 of this agreement and as determined by LEA) substitute. LEA will not pay for services unless a qualified substitute is provided and/or CONTRACTOR provides documentation evidencing the provision of "make-up" services by a qualified service provider within thirty (30) calendar days from the date on which the services should have been provided unless otherwise agreed in student's IEP.

NONPUBLIC SCHOOL STUDENT ABSENCE

If CONTRACTOR is a NPS, no later than the tenth (10^{th}) cumulative day of a student's unexcused absence, CONTRACTOR shall notify the LEA of such absence as specified in the LEA Procedures.

Criteria for a billable day for payment purposes is one (1) day of attendance as defined in California Education Code, sections 46010, 46010.3 and 46307. LEA shall not pay for services provided on days that a student's attendance does not qualify for Average Daily Attendance (ADA) reimbursement under state law. *Per Diem* rates for students whose IEPs authorize less than a full instructional day may be adjusted on a pro rata basis in accordance with the actual proportion of the school day the student was served. LEA shall not be responsible for payment of related services for days on which a student's attendance does not qualify for Average Daily Attendance ("ADA") reimbursement under state law, nor shall student be eligible for make-up services.

NONPUBLIC AGENCY STAFF ABSENCE

When CONTRACTOR is a NPA and CONTRACTOR's service provider is absent, CONTRACTOR shall provide a qualified (as defined in Section 7 of this agreement and as determined by LEA) substitute, unless LEA provides appropriate coverage in lieu of CONTRACTOR's service providers. LEA shall not pay for services unless a qualified substitute is provided and/or CONTRACTOR provides documentation evidencing the provision of "make-up" services by a qualified service provider within thirty (30) calendar days from the date on which the services should have been provided. CONTRACTOR shall not "bank" or "carry over" make up service hours under any circumstances, unless otherwise agreed to in writing by CONTRACTOR and LEA. In the event services were not provided, reasons for why the services were not provided shall be included.

NONPUBLIC AGENCY STUDENT ABSENCE

If CONTRACTOR is a NPA, it shall notify LEA of the absence of a student no later than the fifth (5^{th}) consecutive service day of the student's absence. LEA shall not be responsible for the payment of services when a student is absent.

60. LEA and/or NONPUBLIC SCHOOL CLOSURE DUE TO EMERGENCY

The following shall apply in the event of a LEA or NPS school closure due to an emergency consistent with guidelines followed by LEAs under Education Code Section 41422:

a. If CONTRACTOR remains open during an emergency and serves students appropriately as delineated in the ISA, CONTRACTOR shall receive payment, regardless of whether a sending LEA is open or closed.

a. NPS School Closure- If the LEA is able to obtain alternative placement for the student, CONTRACTOR shall not receive payment for days the student is not in attendance due to school closure. If the LEA is unable to obtain an alternative placement, CONTRACTOR shall receive payment consistent with the signed ISA, as though the student were continuing in their regular attendance, until alternative placement can be found.

b. LEA and NPS School Closure- On days the LEA is funded, CONTRACTOR shall receive payment consistent with the signed ISA, until alternative placement can be found. If the LEA is able to obtain alternative placement for the student, CONTRACTOR shall not receive payment for days the student is not in attendance due to school closure.

When the emergency school closure is lifted, CONTRACTOR shall notify the LEAs it serves of any lost instructional minutes. CONTRACTOR and LEAs shall work collaboratively to determine the need for make-up days or service changes, and shall work together to amend IEP and ISA paperwork as appropriate.

61. INSPECTION AND AUDIT

The CONTRACTOR shall maintain and the LEA shall have the right to examine and audit all of the books, records, documents, accounting procedures and practices and other evidence that reflect all costs claimed to have been incurred or fees claimed to have been earned under this Agreement.

CONTRACTOR shall provide access to LEA to all records including, but not limited to: student records as defined by California Education Code section 49061(b); registers and roll books of teachers; daily service logs and notes or other documents used to record the provision of related services; Medi-Cal/daily service logs and notes used to record provision of services provided by instructional assistants, behavior intervention aides, bus aides, and supervisors; absence verification records (parent/doctor notes, telephone logs, and related documents); bus rosters; staff lists specifying credentials held, business licenses held, documents evidencing other qualifications, , dates of hire, and dates of termination; staff time sheets; non-paid staff and volunteer sign-in sheets; transportation and other related service subcontracts; school calendars; bell/class schedules when applicable; liability and worker's compensation insurance policies; state NPS/A certifications; by-laws; lists of current board of directors/trustees, if incorporated; other documents evidencing financial expenditures; federal/state payroll quarterly reports Form 941/DE3DP; and bank statements and canceled checks or facsimile thereof. Such access shall include unannounced inspections by LEA. CONTRACTOR shall make available to LEA all budgetary information including operating budgets submitted by CONTRACTOR to LEA for the relevant contract period being audited.

CONTRACTOR shall make all records available at the office of LEA or CONTRACTOR's offices (to be specified by LEA) at all reasonable times and without charge. All records shall be provided to LEA within five (5) working days of a written request from LEA. CONTRACTOR shall, at no cost to LEA, provide assistance for such examination or audit. LEA's rights under this section shall also include access to CONTRACTOR's offices for purposes of interviewing CONTRACTOR's employees. If any document or evidence is stored in an electronic form, a hard copy shall be made available to the LEA, unless the LEA agrees to the use of the electronic format.

CONTRACTOR shall obtain from its subcontractors and suppliers written agreements to the requirements of this section and shall provide a copy of such agreements to LEA upon request by LEA.

If an inspection, review, or audit by LEA, a state agency, a federal agency, and/or an independent agency/firm determines that CONTRACTOR owes LEA monies as a result of CONTRACTOR's over billing or failure to perform, in whole or in part, any of its obligations under this Master Contract, LEA shall provide to CONTRACTOR written notice demanding payment from CONTRACTOR and specifying the basis or bases for such demand. Unless CONTRACTOR and LEA otherwise agree in writing, CONTRACTOR shall pay to LEA the full amount owed as a result of CONTRACTOR's over billing and/or failure to perform, in whole or in part, any of its obligations under this Master Contract, as determined by an inspection, review, or audit by LEA, a state agency, a federal agency, and/or an independent agency/firm. CONTRACTOR shall make such payment to LEA within thirty (30) days of receipt of LEA's written notice demanding payment.

62. RATE SCHEDULE

The attached rate schedule (Exhibit A) limits the number of students that may be enrolled and maximum dollar amount of the contract. It may also limit the maximum number of students that can be provided specific services. Per Diem rates for students whose IEPs authorize less than a full instructional day may be adjusted proportionally. In such cases only, the adjustments in basic education rate shall be based on the required minimum number of minutes per grade level as noted in California Education Code Section 46200-46208.

Special education and/or related services offered by CONTRACTOR shall be provided by qualified personnel as per State and Federal law, and the codes and charges for such educational and/or related services during the term of this contract, shall be as stated in Exhibit A.

63. DEBARMENT CERTIFICATION

MASTER CONTRACT
GENERAL AGREEMENT FOR NONSECTARIAN, NONPUBLIC SCHOOL/AGENCY SERVICES
2021-2022

AUTHORIZATION FOR MASTER CONTRACT AND GENERAL PROVISIONS

1. MASTER CONTRACT

This Master Contract (or "Contract") is entered into on July 1, 2021, between the Sacramento City Unified School District (hereinafter referred to as the local educational agency "LEA" or "District"), a member of the Sacramento City Unified School District SELPA, and Beach Cities Learning, LLC - Learn Academy (nonpublic, nonsectarian school or agency), hereinafter referred to as NPS/A or "CONTRACTOR" for the purpose of providing special education and/or related services to students with exceptional needs under the authorization of California Education Code sections 56157, 56361 and 56365 *et seq*. and Title 5 of the California Code of Regulations section 3000 *et seq*., AB490 (Chapter 862, Statutes of 2003) and AB1858 (Chapter 914, Statutes of 2004). It is understood that this agreement does not commit LEA to pay for special education and/or related services provided to any student, or CONTRACTOR to provide such special education and/or related services, unless and until an authorized LEA representative approves the provision of special education and/or related services by CONTRACTOR.

Upon acceptance of a student, LEA shall submit to CONTRACTOR an Individual Services Agreement (hereinafter referred to as "ISA"). Unless otherwise agreed in writing, these forms shall acknowledge CONTRACTOR's obligation to provide all relevant services specified in the student's Individualized Education Program (hereinafter referred to as "IEP"). The ISA shall be executed within ninety (90) days of a student's enrollment. LEA and CONTRACTOR shall enter into an ISA for each student served by CONTRACTOR. As available and appropriate, the LEA shall make available access to any electronic IEP system and/or electronic database for ISA developing including invoicing.

Unless placement and/or services is made pursuant to an Office of Administrative Hearings (hereinafter referred to as "OAH") order, a lawfully executed settlement agreement between LEA and parent or authorized by LEA for a transfer student pursuant to California Education Code section 56325, LEA is not responsible for the costs associated with NPS placement or NPS/A services until the date on which an IEP team meeting is convened, the IEP team determines that a NPS placement is appropriate, and the IEP is signed by the student's parent.

2. CERTIFICATION AND LICENSES

CONTRACTOR shall be certified by the California Department of Education (hereinafter referred to as "CDE") as a NPS/A. All NPS/A services shall be provided consistent with the area of certification and licensure specified by CDE Certification and as defined in California Education Code, section 56366 *et seq* and within the professional scope of practice of each provider's license, certification and/or credential. A current copy of CONTRACTOR's NPS/A certification or a waiver of such certification issued by the CDE pursuant to Education Code section 56366.2 must be provided to LEA on or before the date this Agreement is executed by CONTRACTOR. This Master Contract shall be null and void if such certification or waiver is expired, revoked, rescinded, or otherwise nullified during the effective period of this Master Contract. Total student enrollment shall be limited to capacity as stated on CDE certification and in Section 24 of the Master Contract.

In addition to meeting the certification requirements of the State of California, a CONTRACTOR that operates a program outside of this State shall be certified and all staff persons providing services to pupils

shall be certified and/or licensed by that state to provide, respectively, special education and related services and designated instruction and related services to pupils under the federal Individuals with Disabilities Education Act (20 U.S.C. Sec. 1400 et seq.).

If CONTRACTOR is a licensed children's institution (hereinafter referred to as "LCI"), CONTRACTOR shall be licensed by the state, or other public agency having delegated authority by contract with the state to license, to provide nonmedical care to children, including, but not limited to, individuals with exceptional needs. The LCI must also comply with all licensing requirements relevant to the protection of the child, and have a special permit, if necessary, to meet the needs of each child so placed. If the CONTRACTOR operates a program outside of this State, CONTRACTOR must obtain all required licenses from the appropriate licensing agency in both California and in the state where the LCI is located.

With respect to CONTRACTOR's certification, failure to notify the LEA and CDE in writing of any changes in: (1) credentialed/licensed staff; (2) ownership; (3) management and/or control of the agency; (4) major modification or relocation of facilities; or (5) significant modification of the program may result in the suspension or revocation of CDE certification and/or suspension or termination of this Master Contract by the LEA.

3. COMPLIANCE WITH LAWS, STATUTES, REGULATIONS

During the term of this Master Contract, unless otherwise agreed, CONTRACTOR shall comply with all applicable federal, state, and local statutes, laws, ordinances, rules, policies and regulations. CONTRACTOR shall also comply with all applicable LEA policies and procedures unless, taking into consideration all of the surrounding facts and circumstances, a policy or policies or a portion of a policy does not reasonably apply to CONTRACTOR. CONTRACTOR hereby acknowledges and agrees that it accepts all risks and responsibilities for its failure to comply with LEA policies and shall indemnify LEA under the provisions of Section 16 of this Agreement for all liability, loss, damage and expense (including reasonable attorneys' fees) resulting from or arising out of CONTRACTOR's failure to comply with applicable LEA policies (e.g., those policies relating to; the provision of special education and/or related services, facilities for individuals with exceptional needs, student enrollment and transfer, student inactive status, corporal punishment, student discipline, and positive behavior interventions).

CONTRACTOR acknowledges and understands that LEA may report to the CDE any violations of the provisions of this Master Contract; and that this may result in the suspension and/or revocation of CDE nonpublic school/agency certification pursuant to California Education Code section 56366.4(a).

4. TERM OF MASTER CONTRACT

The term of this Master Contract shall be from July 1, 2021 to June 30, 2022 (Title 5 California Code of Regulations section 3062(a)) unless otherwise stated. Neither the CONTRACTOR nor the LEA is required to renew this Master Contract in subsequent contract years. The parties acknowledge that any subsequent Master Contract is to be re-negotiated prior to June 30, 2022. In the event the contract negotiations are not agreed to by June 30th, the most recently executed Master Contract will remain in effect for 90 days. (Title 5 California Code of Regulations section 3062(d)) No Master Contract will be offered unless and until all of the contracting requirements have been satisfied. The offer of a Master Contract to a CONTRACTOR is at the sole discretion of the LEA.

The provisions of this Master Contract apply to CONTRACTOR and any of its employees or independent contractors. Notice of any change in CONTRACTOR's ownership or authorized representative shall be provided in writing to LEA within thirty (30) calendar days of change of ownership or change of authorized representative.

5. INTEGRATION/CONTINUANCE OF CONTRACT FOLLOWING EXPIRATION OR TERMINATION

This Master Contract includes each ISA and they are incorporated herein by this reference. This Master Contract supersedes any prior or contemporaneous written or oral understanding or agreement. This Master Contract may be amended only by written amendment executed by both parties.

CONTRACTOR shall provide the LEA with information as requested in writing to secure a Master Contract or a renewal.

At a minimum, such information shall include copies of current teacher credentials and clearance, insurance documentation and CDE certification. The LEA may require additional information as applicable. If the application packet is not completed and returned to District, no Master Contract will be issued. If CONTRACTOR does not return the Master Contract to LEA duly signed by an authorized representative within ninety (90) calendar days of issuance by LEA, the new contract rates will not take effect until the newly executed Master Contract is received by LEA and will not be retroactive to the first day of the new Master Contract's effective date. If CONTRACTOR fails to execute the new Master Contract within such ninety-day period, all payments shall cease until such time as the new Master Contract for the current school year is signed and returned to LEA by CONTRACTOR. (California Education Code section 56366(c)(1) and (2)). In the event that this Master Contract expires or terminates, CONTRACTOR shall continue to be bound to all of the terms and conditions of the most recent executed Master Contract between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized students at the discretion of the LEA.

6. INDIVIDUAL SERVICES AGREEMENT ("ISA")

This Agreement shall include an ISA developed for each student to whom CONTRACTOR is to provide special education and/or related services. An ISA shall only be issued for students enrolled with the approval of the LEA pursuant to Education Code section 56366 (a)(2)(A). An ISA may be effective for more than one contract year provided that there is a concurrent Master Contract in effect. In the event that this Master Contract expires or terminates, CONTRACTOR, shall continue to be bound to all of the terms and conditions of the most recent executed ISAs between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized students.

Any and all changes to a student's educational placement/program provided under this Master Contract and/or an ISA shall be made solely on the basis of a revision to the student's IEP or by written agreement between the parent and LEA. At any time during the term of this Master Contract, a student's parent, CONTRACTOR, or LEA may request a review of a student's IEP subject to all procedural safeguards required by law.

Unless otherwise provided in this Master Contract, the CONTRACTOR shall provide all services specified in the IEP unless the CONTRACTOR and the LEA agree otherwise in the ISA. (California Education Code sections 56366(a) (5) and 3062(e)). In the event the CONTRACTOR is unable to provide a specific service at any time during the life of the ISA, the CONTRACTOR shall notify the LEA in writing within five (5) business days of the last date a service was provided. CONTRACTOR shall provide any and all subsequent compensatory service hours awarded to student as a result of lack of provision of services while student was served by the NPS/A.

If a parent or LEA contests the termination of an ISA by initiating a due process proceeding with the OAH, CONTRACTOR shall abide by the "stay-put" requirement of state and federal law unless the parent agrees otherwise or an Interim Alternative Educational Setting is deemed lawful and appropriate by LEA or OAH consistent with Section 1415 (k)(1)(7) of Title 20 of the United States Code. CONTRACTOR shall adhere to all LEA requirements concerning changes in placement.

Disagreements between LEA and CONTRACTOR concerning the formulation of an ISA or the Master Contract may be appealed to the County Superintendent of Schools of the County where the LEA is located, or the State Superintendent of Public Instruction pursuant to the provisions of California Education Code section 56366(c) (2).

Nothing herein contained will be construed to imply a joint venture, partnership or principal-agent relationship between the LEA and CONTRACTOR. CONTRACTOR shall provide all services under this Contract as an independent contractor, and neither party shall have the authority to bind or make any commitment on behalf of the other. If the LEA is determined to be a partner, joint venture, co-principle, employer or co-employer of CONTRACTOR, CONTRACTOR shall indemnify and hold harmless the LEA from and against any and all claims for loss, liability, or damages arising from that determination, as well as any expenses, costs, taxes, penalties and interest charges incurred by the LEA as a result of that holding.

This paragraph shall apply to CONTRACTOR regardless of when an assessment is performed or a report is prepared (i.e., before or after the student is enrolled in CONTRACTOR's school/agency) or whether an assessment of the student is performed or a report is prepared in the normal course of the services provided to the student by CONTRACTOR. To avoid conflict of interest, and in order to ensure the appropriateness of an Independent Educational Evaluation (hereinafter referred to as "IEE") and its recommendations, the LEA may, in its discretion, not fund an IEE by an evaluator who provides ongoing service(s) or is sought to provide service(s) to the student for whom the IEE is requested. Likewise, the LEA may, in its discretion, not fund services through the evaluator whose IEE the LEA agrees to fund. When no other appropriate assessor is available, LEA may request and if CONTRACTOR agrees, the CONTRACTOR may provide an IEE.

CONTRACTOR and LEA shall ensure that LRE placement options are addressed at all IEP team meetings regarding students for whom ISAs have been or may be executed. This shall include IEP team consideration of supplementary aids and services, goals and objectives necessary for placement in the LRE and necessary to enable students to transition to less restrictive settings.

When an IEP team has determined that a student should be transitioned into the public school setting, CONTRACTOR shall assist the LEA in implementing the IEP team's recommended activities to support the transition.

When CONTRACTOR is a NPS, per implementation of Senate Bill 484, CONTRACTOR shall administer all Statewide assessments within the California Assessment of Student Performance and Progress ("CAASPP"), Desired Results Developmental Profile ("DRDP"), California Alternative Assessment ("CAA"), achievement and abilities tests (using LEA-authorized assessment instruments), the Fitness Gram, , the English Language Proficiency Assessments for California ("ELPAC"), and as appropriate to the student, and mandated by LEA pursuant to LEA and state and federal guidelines.

If the Individualized Education Program ("IEP") team determines that a student's behavior impedes his or her learning or the learning of others, the IEP team is required to consider the use of positive behavioral interventions and supports, and other strategies, to address that behavior, consistent with Section 1414(d)(3)(B)(i) and (d)(4) of Title 20 of the United States Code and associated federal regulations. This could mean that instead of developing a Behavior Intervention Plan ("BIP"), the IEP team may conclude it is sufficient to address the student's behavioral problems through the development of behavioral goals and behavioral interventions to support those goals.

CONTRACTOR shall maintain a written policy pursuant to California Education Code section 56521.1 regarding emergency interventions and behavioral emergency reports. CONTRACTOR shall ensure that all of its staff members are trained in crisis intervention, emergency procedures, and evidenced-based practices and interventions specific to the unique behavioral needs of the CONTRACTOR's pupil population. Emergency interventions may only be used to control unpredictable, spontaneous behavior that poses clear and present danger of serious physical harm to the individual with exceptional needs, or others, and that cannot be immediately prevented by a response less restrictive than the temporary application of a technique used to contain the behavior. If a situation requires prolonged use of emergency intervention, staff must seek assistance from the school site administrator or a law enforcement agency.

CONTRACTOR shall complete a behavior emergency report when an emergency occurs that is defined as a serious, dangerous behavior that staff has determined to present a clear and present danger to others. It requires a non-violent physical intervention to protect the safety of student, self, or others and a physical intervention has been used; or a physical intervention has not been used, but an injury or serious property damage has occurred. Personal Safety Techniques may or may not have been used. Emergencies ***require*** a behavior emergency report form be completed and submitted to the LEA within twenty-four (24) hours for administrative action. CONTRACTOR shall notify Parent within twenty-four (24) hours via telephone. If the student's IEP does not contain a Behavior Intervention Plan ("BIP") or Positive Behavior Intervention Plan ("PBIP"), an IEP team shall schedule a meeting to review the behavior emergency report, determine if there is a necessity for a functional behavioral assessment, and to determine an interim plan. If the student already has a BIP, the IEP team shall review and modify the BIP if a new serious behavior has been exhibited or existing behavioral interventions have proven to be ineffective. CONTRACTOR shall schedule with LEA an IEP meeting within two (2) days.

Pursuant to Education Code section 56521.2, CONTRACTOR shall not authorize, order, consent to, or pay for the following interventions, or any other interventions similar to or like the following: (1) Any intervention that is designed to, or likely to, cause physical pain, including, but not limited to, electric-shock (2) An intervention that involves the release of noxious, toxic, or otherwise unpleasant sprays, mists, or substances in proximity to the face of the individual. (4) An intervention that is designed to subject, used to subject, or likely to subject, the individual to verbal abuse, ridicule, or humiliation, or that can be expected to cause excessive emotional trauma. (5) Restrictive interventions that employ a device, material, or objects that simultaneously immobilize all four extremities, including the procedure known as prone containment, except that prone containment or similar techniques may be used by trained personnel as a limited emergency intervention. (6) Locked seclusion, unless it is in a facility otherwise licensed or permitted by state law to use a locked room. (7) An intervention that precludes adequate supervision of the individual. (8) An intervention that deprives the individual of one or more of his or her senses. (b) In the case of a child whose behavior impedes the child's learning or that of others, the individualized education program team shall consider the use of positive behavioral interventions and supports, and other strategies, to address that behavior, consistent with Section 1414(d)(3)(B)(i) and (d)(4) of Title 20 of the United States Code and associated federal regulations.

All restraint practices must be reviewed and revised when they have an adverse effect on a student and are used repeatedly for an individual child, either on multiple occasions within the same classroom or multiple uses by the same individual. CONTRACTOR shall notify the student's parent/guardian when any type of physical or mechanical restraint or seclusion has been used. Upon the use of any type of physical or mechanical restraint or seclusions of a District student, CONTRACTOR shall complete a BER per the reporting and notification requirements listed above.

This includes all statutory offenses as described in Education Codes 48900 and 48915.CONTRACTOR shall also include incidents resulting in the use of a behavioral restraint and/or seclusion even if they were not a result of a violation of Education Code Sections 48900 and 48915.

When CONTRACTOR seeks to remove a student from his/her current educational placement for disciplinary reasons, CONTRACTOR shall immediately submit a written discipline report to the LEA. Written discipline reports shall include, but not be limited to: the student's name; the time, date, and description of the misconduct; the disciplinary action taken by CONTRACTOR; and the rationale for such disciplinary action. A copy of the student's behavior plan, if any, shall be submitted with the written discipline report. In the event that the CONTRACTOR believes the student requires a change of placement, the CONTRACTOR may request a review of the student's IEP for the purposes of consideration of a change in the student's placement. Student is entitled to remain in the last agreed upon and implemented placement unless parent

CONTRACTOR shall notify LEA within forty-five (45) days if any such licenses, certifications or waivers are expired, suspended, revoked, rescinded, challenged pursuant to an administrative or legal complaint or lawsuit, or otherwise nullified during the effective period of this Master Contract. The LEA shall not be obligated to pay for any services provided by a person whose such licenses, certifications or waivers are expired, suspended, revoked, rescinded, or otherwise nullified during the period which such person is providing services under this Master Contract. Failure to notify the LEA and CDE of any changes in

47. STAFF ABSENCE

When CONTRACTOR is a NPA and/or related services provider, and CONTRACTOR's service provider is absent, CONTRACTOR shall provide a qualified (as defined in Section 7 of this agreement and as determined by LEA) substitute, unless LEA provides appropriate coverage in lieu of CONTRACTOR's service providers. It is understood that the parent of a student shall not be deemed to be a qualified substitute for their student. LEA will not pay for services unless a qualified substitute is provided and/or CONTRACTOR provides documentation evidencing the provision of "make-up" services by a qualified service provider within thirty (30) calendar days from the date on which the services should have been provided. CONTRACTOR shall not "bank" or "carry over" make up service hours under any circumstances, unless otherwise agreed to in writing by CONTRACTOR and authorized LEA representative.

The names of any adult caregiver other than the parent shall be provided to the LEA prior to the start of any home-based services, including written and signed authorization in emergency situations. The adult caregiver cannot also be an employee or volunteer associated with the NPS/NPA service provider. CONTRACTOR shall be responsible for any structural changes and/or modifications to CONTRACTOR's facilities as required complying with applicable federal, state, and local laws, regulations, and ordinances. Failure to notify the LEA and CDE of any changes in, major modification or relocation of facilities may result in the suspension or revocation of CDE certification and/or suspension or termination of this Master Contract by the LEA.

51. ADMINISTRATION OF MEDICATION

CONTRACTOR shall comply with the requirements of California Education Code section 49423 when CONTRACTOR serves a student that is required to take prescription and/or over-the-counter medication during the school day. CONTRACTOR may designate personnel to assist the student with the administration of such medication after the student's parent(s) provides to CONTRACTOR: (a) a written statement from a physician detailing the type, administration method, amount, and time schedules by which such medication shall be taken; and (b) a written statement from the student's parent(s) granting CONTRACTOR permission to administer medication(s) as specified in the physician's statement. A written statement acknowledging the legal requirements of such reporting and verification of staff adherence to such reporting shall be submitted to the LEA.

54. SEXUAL HARASSMENT

56. ENROLLMENT, CONTRACTING, SERVICE TRACKING, ATTENDANCE REPORTING, AND BILLING PROCEDURES

CONTRACTOR shall assure that the school or agency has the necessary financial resources to provide an appropriate education for the students enrolled and will distribute those resources in such a manner to implement the IEP and ISA for each and every student.

CONTRACTOR shall comply with all LEA procedures concerning enrollment, contracting, attendance reporting, service tracking and billing including requirements of electronic billing as specified by the LEA Procedures. CONTRACTOR shall be paid for the provision of special education and/or related services specified in the student's IEP and ISA. All payments by LEA shall be made in accordance with the terms and conditions of this Master Contract and governed by all applicable federal and state laws.

CONTRACTOR shall maintain separate registers for the basic education program, each related service, and services provided by instructional assistants, behavior intervention aides and bus aides. Original attendance forms (i.e., roll books for the basic education program, service tracking documents and notes for instructional assistants, behavioral intervention aides, bus aides, and each related service) shall be completed by the actual service provider whose signature shall appear on such forms and shall be available for review, inspection, or audit by LEA during the effective period of this contract and for a period of five (5) years thereafter. CONTRACTOR shall verify the accuracy of minutes of reported attendance that is the basis of services being billed for payment.

CONTRACTOR shall submit invoices and related documents to LEA for payment, for each calendar month when education or related services were provided. Invoices and related documents shall be properly submitted electronically and in addition, on an LEA form with signatures in the manner prescribed by LEA. At a minimum, each invoice must contain the following information: month of service; specific days and times of services coordinated by the LEA approved calendar unless otherwise specified in the IEP or agreed to by the LEA; name of staff who provided the service; approved cost of each invoice; total for each service and total for the monthly invoice; date invoice was mailed; signature of NPS/NPA administrator authorizing that the information is accurate and consistent with the ISA, CDE certificates and staff notification; verification that attendance report is attached as appropriate; indication of any made-up session consistent with this contract; verification that progress reports have been provided consistent with the ISA (monthly or quarterly unless specified otherwise on the ISA); and name or initials of each student for when the service was provided.

In the event services were not provided, rationale for why the services were not provided shall be included.

Such an invoice is subject to all conditions of this contract. At the discretion of the LEA, an electronic invoice may be required provided such notice has been made in writing and training provided to the CONTRACTOR at no additional charge for such training.

Invoices shall be submitted no later than thirty (30) days after the end of the attendance accounting period in which the services were rendered. LEA shall make payment to CONTRACTOR based on the number of billable days of attendance and hours of service at rates specified in this contract within forty-five (45) days of LEA's receipt of properly submitted hard copy of invoices prepared and submitted as specified in California Education Code Section 56366.5 and the LEA. CONTRACTOR shall correct deficiencies and submit rebilling invoices no later than thirty (30) calendar days after the invoice is returned by LEA. LEA shall pay properly submitted re-billing invoices no later than forty-five (45) days after the date a completely corrected re-billing invoice is received by LEA.

In no case shall initial payment claim submission for any Master Contract fiscal year (July through June) extend beyond December 31st after the close of the fiscal year. In no case shall any rebilling for the Master Contract fiscal year (July through June) extend beyond six (6) months after the close of the fiscal year unless approved by the LEA to resolve billing issues including re-billing issues directly related to a delay in obtaining information from the Commission on Teacher Credentialing regarding teacher qualification, but no later than twelve (12) months from the close of the fiscal year. If the billing or re-billing error is the responsibility of the LEA, then no limit is set provided that the LEA and CONTRACTOR have communicated such concerns in writing during the 12-month period following the close of the fiscal year. LEA will not pay mileage for NPA employee.

57. RIGHT TO WITHHOLD PAYMENT

LEA may withhold payment to CONTRACTOR when: (a) CONTRACTOR has failed to perform, in whole or in part, under the terms of this contract; (b) CONTRACTOR has billed for services rendered on days other than billable days of attendance or for days when student was not in attendance and/or did not receive services; (c) CONTRACTOR was overpaid by LEA as determined by inspection, review, and/or audit of its program, work, and/or records; (d) CONTRACTOR has failed to provide supporting documentation with an invoice, as required by EC 56366(c)(2); (e) education and/or related services are provided to students by personnel who are not appropriately credentialed, licensed, or otherwise qualified; (f) LEA has not received prior to school closure or contract termination, all documents concerning one or more students enrolled in CONTRACTOR's educational program; (g) CONTRACTOR fails to confirm a student's change of residence to another district or confirms the change or residence to another district, but fails to notify LEA within five (5) days of such confirmation; or (h) CONTRACTOR receives payment from Medi-Cal or from any other agency or funding source for a service provided to a student. It is understood that no payments shall be made for any invoices that are not received by six (6) months following the close of the prior fiscal year, for services provided in that year.

Final payment to CONTRACTOR in connection with the cessation of operations and/or termination of a Master Contract will be subject to the same documentation standards described for all payment claims for regular ongoing operations. In addition, final payment may be withheld by the LEA until completion of a review or audit, if deemed necessary by the LEA. Such review or audit will be completed within ninety (90) days. The final payment may be adjusted to offset any previous payments to the CONTRACTOR determined to have been paid in error or in anticipation of correction of documentation deficiencies by the CONTRACTOR that remain uncorrected.

The amount which may be withheld by LEA with respect to each of the subparagraphs of the preceding paragraph are as follows: (a) the value of the service CONTRACTOR failed to perform; (b) the amount of overpayment; (c) the entire amount of the invoice for which satisfactory documentation has not been provided by CONTRACTOR; (d) the amount invoiced for services provided by the individual not appropriately credentialed, licensed, or otherwise qualified; (e) the proportionate amount of the invoice related to the

applicable pupil for the time period from the date the violation occurred and until the violation is cured; or (f) the amount paid to CONTRACTOR by Medi-Cal or another agency or funding source for the service provided to the student.

If LEA determines that cause exists to withhold payment to CONTRACTOR, LEA shall, within ten (10) business days of this determination, provide to CONTRACTOR written notice that LEA is withholding payment. Such notice shall specify the basis or bases for LEA's withholding payment and the amount to be withheld. Within thirty (30) days from the date of receipt of such notice, CONTRACTOR shall take all necessary and appropriate action to correct the deficiencies that form the basis for LEA's withholding payment or submit a written request for extension of time to correct the deficiencies. Upon receipt of CONTRACTOR's written request showing good cause, LEA shall extend CONTRACTOR's time to correct deficiencies (usually an additional thirty (30) days), otherwise payment will be denied.

If after subsequent request for payment has been denied and CONTRACTOR believes that payment should not be withheld, CONTRACTOR shall send written notice to LEA specifying the reason it believes payment should not be withheld. LEA shall respond to CONTRACTOR's notice within thirty (30) business days by indicating that a warrant for the amount of payment will be made or stating the reason LEA believes payment should not be made. If LEA fails to respond within thirty (30) business days or a dispute regarding the withholding of payment continues after the LEA's response to CONTRACTOR's notice, CONTRACTOR may invoke the following escalation policy.

After forty-five (45) business days: The CONTRACTOR may notify the Authorized LEA's Representative of the dispute in writing. The LEA Authorized Representative shall respond to the CONTRACTOR in writing within fifteen (15) business days.

After sixty (60) business days: Disagreements between the LEA and CONTRACTOR concerning the Master Contract may be appealed to the County Superintendent of Schools or the State Superintendent of Public Instruction pursuant to the provisions of California Education Code Section 56366(c) (2).

58. PAYMENT FROM OUTSIDE AGENCIES

CONTRACTOR shall notify LEA when Medi-Cal or any other agency is billed for the costs associated with the provision of special education and/or related services to students. Upon request, CONTRACTOR shall provide to LEA any and all documentation regarding reports, billing, and/or payment by Medi-Cal or any other agency for the costs associated with the provision of special education and/or related services to students.

59. PAYMENT FOR ABSENCES

CONTRACTOR shall provide to LEA documentation of substitute coverage pursuant to the LEA Procedures. Substitute teachers shall remain with their assigned class during all instructional time. LEA will not pay for instruction and/or services unless said instruction or service is provided by an appropriately credentialed substitute teacher.

Whenever a related service provider is absent, CONTRACTOR shall provide a qualified (as defined in Section 7 of this agreement and as determined by LEA) substitute. LEA will not pay for services unless a qualified substitute is provided and/or CONTRACTOR provides documentation evidencing the provision of "make-up" services by a qualified service provider within thirty (30) calendar days from the date on which the services should have been provided unless otherwise agreed in student's IEP.

NONPUBLIC SCHOOL STUDENT ABSENCE

LEA shall not pay for services provided on days that a student's attendance does not qualify for Average Daily Attendance (ADA) reimbursement under state law. *Per Diem* rates for students whose IEPs authorize less than a full instructional day may be adjusted on a pro rata basis in accordance with the actual proportion of the school day the student was served. LEA shall not be responsible for payment of related services for days on which a student's attendance does not qualify for Average Daily Attendance ("ADA") reimbursement under state law, nor shall student be eligible for make-up services.

NONPUBLIC AGENCY STAFF ABSENCE

LEA shall not pay for services unless a qualified substitute is provided and/or CONTRACTOR provides documentation evidencing the provision of "make-up" services by a qualified service provider within thirty (30) calendar days from the date on which the services should have been provided. CONTRACTOR shall not "bank" or "carry over" make up service hours under any circumstances, unless otherwise agreed to in writing by CONTRACTOR and LEA. In the event services were not provided, reasons for why the services were not provided shall be included.

NONPUBLIC AGENCY STUDENT ABSENCE

If CONTRACTOR is a NPA, it shall notify LEA of the absence of a student no later than the fifth (5^{th}) consecutive service day of the student's absence. LEA shall not be responsible for the payment of services when a student is absent.

60. LEA and/or NONPUBLIC SCHOOL CLOSURE DUE TO EMERGENCY

The following shall apply in the event of a LEA or NPS school closure due to an emergency consistent with guidelines followed by LEAs under Education Code Section 41422:

a. If CONTRACTOR remains open during an emergency and serves students appropriately as delineated in the ISA, CONTRACTOR shall receive payment, regardless of whether a sending LEA is open or closed.

a. NPS School Closure- If the LEA is able to obtain alternative placement for the student, CONTRACTOR shall not receive payment for days the student is not in attendance due to school closure. If the LEA is unable to obtain an alternative placement, CONTRACTOR shall receive payment consistent with the signed ISA, as though the student were continuing in their regular attendance, until alternative placement can be found.

b. LEA and NPS School Closure- On days the LEA is funded, CONTRACTOR shall receive payment consistent with the signed ISA, until alternative placement can be found. If an inspection, review, or audit by LEA, a state agency, a federal agency, and/or an independent agency/firm determines that CONTRACTOR owes LEA monies as a result of CONTRACTOR's over billing or failure to perform, in whole or in part, any of its obligations under this Master Contract, LEA shall provide to CONTRACTOR written notice demanding payment from CONTRACTOR and specifying the basis or bases for such demand. Unless CONTRACTOR and LEA otherwise agree in writing, CONTRACTOR shall pay to LEA the full amount owed as a result of CONTRACTOR's over billing and/or failure to perform, in whole or in part, any of its obligations under this Master Contract, as determined by an inspection, review, or audit by LEA, a state agency, a federal agency, and/or an independent agency/firm. 1. MASTER CONTRACT

This Master Contract (or "Contract") is entered into on July 1, 2021, between the Sacramento City Unified School District (hereinafter referred to as the local educational agency "LEA" or "District"), a member of the Sacramento City Unified School District SELPA, and Capital Kids Occupational Therapy, Inc. (nonpublic, nonsectarian school or agency), hereinafter referred to as NPS/A or "CONTRACTOR" for the purpose of providing special education and/or related services to students with exceptional needs under the authorization of California Education Code sections 56157, 56361 and 56365 *et seq*. and Title 5 of the California Code of Regulations section 3000 *et seq*., AB490 (Chapter 862, Statutes of 2003) and AB1858 (Chapter 914, Statutes of 2004). It is understood that this agreement does not commit LEA to pay for special education and/or related services provided to any student, or CONTRACTOR to provide such special education and/or related services, unless and until an authorized LEA representative approves the provision of special education and/or related services by CONTRACTOR.

Upon acceptance of a student, LEA shall submit to CONTRACTOR an Individual Services Agreement (hereinafter referred to as "ISA"). Unless otherwise agreed in writing, these forms shall acknowledge CONTRACTOR's obligation to provide all relevant services specified in the student's Individualized Education Program (hereinafter referred to as "IEP"). The ISA shall be executed within ninety (90) days of a student's enrollment. LEA and CONTRACTOR shall enter into an ISA for each student served by CONTRACTOR. As available and appropriate, the LEA shall make available access to any electronic IEP system and/or electronic database for ISA developing including invoicing.

Unless placement and/or services is made pursuant to an Office of Administrative Hearings (hereinafter referred to as "OAH") order, a lawfully executed settlement agreement between LEA and parent or authorized by LEA for a transfer student pursuant to California Education Code section 56325, LEA is not responsible for the costs associated with NPS placement or NPS/A services until the date on which an IEP team meeting is convened, the IEP team determines that a NPS placement is appropriate, and the IEP is signed by the student's parent.

2. CERTIFICATION AND LICENSES

CONTRACTOR shall be certified by the California Department of Education (hereinafter referred to as "CDE") as a NPS/A. All NPS/A services shall be provided consistent with the area of certification and licensure specified by CDE Certification and as defined in California Education Code, section 56366 *et seq* and within the professional scope of practice of each provider's license, certification and/or credential. A current copy of CONTRACTOR's NPS/A certification or a waiver of such certification issued by the CDE pursuant to Education Code section 56366.2 must be provided to LEA on or before the date this Agreement is executed by CONTRACTOR. This Master Contract shall be null and void if such certification or waiver is expired, revoked, rescinded, or otherwise nullified during the effective period of this Master Contract. Total student enrollment shall be limited to capacity as stated on CDE certification and in Section 24 of the Master Contract.

In addition to meeting the certification requirements of the State of California, a CONTRACTOR that operates a program outside of this State shall be certified and all staff persons providing services to pupils

shall be certified and/or licensed by that state to provide, respectively, special education and related services and designated instruction and related services to pupils under the federal Individuals with Disabilities Education Act (20 U.S.C. Sec. 1400 et seq.).

If CONTRACTOR is a licensed children's institution (hereinafter referred to as "LCI"), CONTRACTOR shall be licensed by the state, or other public agency having delegated authority by contract with the state to license, to provide nonmedical care to children, including, but not limited to, individuals with exceptional needs. The LCI must also comply with all licensing requirements relevant to the protection of the child, and have a special permit, if necessary, to meet the needs of each child so placed. If the CONTRACTOR operates a program outside of this State, CONTRACTOR must obtain all required licenses from the appropriate licensing agency in both California and in the state where the LCI is located.

With respect to CONTRACTOR's certification, failure to notify the LEA and CDE in writing of any changes in: (1) credentialed/licensed staff; (2) ownership; (3) management and/or control of the agency; (4) major modification or relocation of facilities; or (5) significant modification of the program may result in the suspension or revocation of CDE certification and/or suspension or termination of this Master Contract by the LEA.

3. COMPLIANCE WITH LAWS, STATUTES, REGULATIONS

During the term of this Master Contract, unless otherwise agreed, CONTRACTOR shall comply with all applicable federal, state, and local statutes, laws, ordinances, rules, policies and regulations. CONTRACTOR shall also comply with all applicable LEA policies and procedures unless, taking into consideration all of the surrounding facts and circumstances, a policy or policies or a portion of a policy does not reasonably apply to CONTRACTOR. CONTRACTOR hereby acknowledges and agrees that it accepts all risks and responsibilities for its failure to comply with LEA policies and shall indemnify LEA under the provisions of Section 16 of this Agreement for all liability, loss, damage and expense (including reasonable attorneys' fees) resulting from or arising out of CONTRACTOR's failure to comply with applicable LEA policies (e.g., those policies relating to; the provision of special education and/or related services, facilities for individuals with exceptional needs, student enrollment and transfer, student inactive status, corporal punishment, student discipline, and positive behavior interventions).

CONTRACTOR acknowledges and understands that LEA may report to the CDE any violations of the provisions of this Master Contract; and that this may result in the suspension and/or revocation of CDE nonpublic school/agency certification pursuant to California Education Code section 56366.4(a).

4. TERM OF MASTER CONTRACT

The term of this Master Contract shall be from July 1, 2021 to June 30, 2022 (Title 5 California Code of Regulations section 3062(a)) unless otherwise stated. Neither the CONTRACTOR nor the LEA is required to renew this Master Contract in subsequent contract years. The parties acknowledge that any subsequent Master Contract is to be re-negotiated prior to June 30, 2022. In the event the contract negotiations are not agreed to by June 30th, the most recently executed Master Contract will remain in effect for 90 days. (Title 5 California Code of Regulations section 3062(d)) No Master Contract will be offered unless and until all of the contracting requirements have been satisfied. The offer of a Master Contract to a CONTRACTOR is at the sole discretion of the LEA.

The provisions of this Master Contract apply to CONTRACTOR and any of its employees or independent contractors. Notice of any change in CONTRACTOR's ownership or authorized representative shall be provided in writing to LEA within thirty (30) calendar days of change of ownership or change of authorized representative.

This Master Contract includes each ISA and they are incorporated herein by this reference. This Master Contract supersedes any prior or contemporaneous written or oral understanding or agreement. This Master Contract may be amended only by written amendment executed by both parties.

CONTRACTOR shall provide the LEA with information as requested in writing to secure a Master Contract or a renewal.

At a minimum, such information shall include copies of current teacher credentials and clearance, insurance documentation and CDE certification. The LEA may require additional information as applicable. If the application packet is not completed and returned to District, no Master Contract will be issued. If CONTRACTOR does not return the Master Contract to LEA duly signed by an authorized representative within ninety (90) calendar days of issuance by LEA, the new contract rates will not take effect until the newly executed Master Contract is received by LEA and will not be retroactive to the first day of the new Master Contract's effective date. If CONTRACTOR fails to execute the new Master Contract within such ninety-day period, all payments shall cease until such time as the new Master Contract for the current school year is signed and returned to LEA by CONTRACTOR. (California Education Code section 56366(c)(1) and (2)). In the event that this Master Contract expires or terminates, CONTRACTOR shall continue to be bound to all of the terms and conditions of the most recent executed Master Contract between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized students at the discretion of the LEA.

6. INDIVIDUAL SERVICES AGREEMENT ("ISA")

This Agreement shall include an ISA developed for each student to whom CONTRACTOR is to provide special education and/or related services. An ISA shall only be issued for students enrolled with the approval of the LEA pursuant to Education Code section 56366 (a)(2)(A). Any and all changes to a student's educational placement/program provided under this Master Contract and/or an ISA shall be made solely on the basis of a revision to the student's IEP or by written agreement between the parent and LEA. At any time during the term of this Master Contract, a student's parent, CONTRACTOR, or LEA may request a review of a student's IEP subject to all procedural safeguards required by law.

Unless otherwise provided in this Master Contract, the CONTRACTOR shall provide all services specified in the IEP unless the CONTRACTOR and the LEA agree otherwise in the ISA. (California Education Code sections 56366(a) (5) and 3062(e)). In the event the CONTRACTOR is unable to provide a specific service at any time during the life of the ISA, the CONTRACTOR shall notify the LEA in writing within five (5) business days of the last date a service was provided. CONTRACTOR shall provide any and all subsequent compensatory service hours awarded to student as a result of lack of provision of services while student was served by the NPS/A.

If a parent or LEA contests the termination of an ISA by initiating a due process proceeding with the OAH, CONTRACTOR shall abide by the "stay-put" requirement of state and federal law unless the parent agrees otherwise or an Interim Alternative Educational Setting is deemed lawful and appropriate by LEA or OAH consistent with Section 1415 (k)(1)(7) of Title 20 of the United States Code. CONTRACTOR shall adhere to all LEA requirements concerning changes in placement.

Disagreements between LEA and CONTRACTOR concerning the formulation of an ISA or the Master Contract may be appealed to the County Superintendent of Schools of the County where the LEA is located, or the State Superintendent of Public Instruction pursuant to the provisions of California Education Code section 56366(c) (2).

17. INDEPENDENT CONTRACTOR

Nothing herein contained will be construed to imply a joint venture, partnership or principal-agent relationship between the LEA and CONTRACTOR. CONTRACTOR shall provide all services under this Contract as an independent contractor, and neither party shall have the authority to bind or make any commitment on behalf of the other. Nothing contained in this Contract shall be deemed to create any association, partnership, joint venture or relationship of principal and agent, master and servant, or employer and employee between the parties or any affiliates of the parties, or between the LEA and any individual assigned by CONTRACTOR to perform any services for the LEA.

If the LEA is determined to be a partner, joint venture, co-principle, employer or co-employer of CONTRACTOR, CONTRACTOR shall indemnify and hold harmless the LEA from and against any and all claims for loss, liability, or damages arising from that determination, as well as any expenses, costs, taxes, penalties and interest charges incurred by the LEA as a result of that holding.

18. SUBCONTRACTING

CONTRACTOR shall provide written notification to LEA before subcontracting for special education and/or related services pursuant to this Master Contract. In the event LEA determines that it can provide the subcontracted service(s) at a lower rate, LEA may elect to provide such service(s). If LEA elects to provide such service(s), LEA shall provide written notification to CONTRACTOR within five (5) days of receipt of CONTRACTOR's original notice and CONTRACTOR shall not subcontract for said service(s).

CONTRACTOR shall incorporate all of the provisions of this Master Contract in all subcontracts, to the fullest extent reasonably possible. Unless CONTRACTOR and LEA otherwise agree in writing, LEA shall neither execute an ISA with CONTRACTOR nor amend an existing ISA for a student when a recommendation for special education and/or related services is based in whole or in part on assessment(s) or reports provided by CONTRACTOR to the student without prior written authorization by LEA. This paragraph shall apply to CONTRACTOR regardless of when an assessment is performed or a report is prepared (i.e., before or after the student is enrolled in CONTRACTOR's school/agency) or whether an assessment of the student is performed or a report is prepared in the normal course of the services provided to the student by CONTRACTOR. To avoid conflict of interest, and in order to ensure the appropriateness of an Independent Educational Evaluation (hereinafter referred to as "IEE") and its recommendations, the LEA may, in its discretion, not fund an IEE by an evaluator who provides ongoing service(s) or is sought to provide service(s) to the student for whom the IEE is requested. Likewise, the LEA may, in its discretion, not fund services through the evaluator whose IEE the LEA agrees to fund. When no other appropriate assessor is available, LEA may request and if CONTRACTOR agrees, the CONTRACTOR may provide an IEE.

When CONTRACTOR is a NPA, CONTRACTOR acknowledges that its authorized representative has read and understands Education Code section 56366.3 which provides, in relevant part, that no special education and/or related services provided by CONTRACTOR shall be paid for by LEA if provided by an individual who is or was an employee of LEA within the three hundred and sixty five (365) days prior to executing this contract. This provision does not apply to any person who is able to provide designated instruction and services during the extended school year because he or she is otherwise employed for up to ten months of the school year by LEA.

CONTRACTOR shall not admit a student living within the jurisdictional boundaries of the LEA on a private pay or tuition free "scholarship" basis and concurrently or subsequently advise/request parent(s) to pursue funding for the admitted school year from the LEA through due process proceedings.

20. NON-DISCRIMINATION

CONTRACTOR shall not, in employment or operation of its programs, unlawfully discriminate on the basis of gender, nationality, national origin, ancestry, race, color, ethnicity, ethnic group affiliation, religion, age, marital status, pregnancy or parental status, sex, sexual orientation, gender, gender identity or expression, physical or mental disability, genetic information or any other classification protected by federal or state law or the perception of one or more of such characteristics or association with a person or group with one or more of these actual or perceived characteristics.

If the Individualized Education Program ("IEP") team determines that a student's behavior impedes his or her learning or the learning of others, the IEP team is required to consider the use of positive behavioral interventions and supports, and other strategies, to address that behavior, consistent with Section 1414(d)(3)(B)(i) and (d)(4) of Title 20 of the United States Code and associated federal regulations. This could mean that instead of developing a Behavior Intervention Plan ("BIP"), the IEP team may conclude it is sufficient to address the student's behavioral problems through the development of behavioral goals and behavioral interventions to support those goals.

CONTRACTOR shall maintain a written policy pursuant to California Education Code section 56521.1 regarding emergency interventions and behavioral emergency reports. CONTRACTOR shall ensure that all of its staff members are trained in crisis intervention, emergency procedures, and evidenced-based practices and interventions specific to the unique behavioral needs of the CONTRACTOR's pupil population. If a situation requires prolonged use of emergency intervention, staff must seek assistance from the school site administrator or a law enforcement agency.

CONTRACTOR shall complete a behavior emergency report when an emergency occurs that is defined as a serious, dangerous behavior that staff has determined to present a clear and present danger to others. It requires a non-violent physical intervention to protect the safety of student, self, or others and a physical intervention has been used; or a physical intervention has not been used, but an injury or serious property damage has occurred. Personal Safety Techniques may or may not have been used. Emergencies ***require*** a behavior emergency report form be completed and submitted to the LEA within twenty-four (24) hours for administrative action. CONTRACTOR shall notify Parent within twenty-four (24) hours via telephone. If the student's IEP does not contain a Behavior Intervention Plan ("BIP") or Positive Behavior Intervention Plan ("PBIP"), an IEP team shall schedule a meeting to review the behavior emergency report, determine if there is a necessity for a functional behavioral assessment, and to determine an interim plan. If the student already has a BIP, the IEP team shall review and modify the BIP if a new serious behavior has been exhibited or existing behavioral interventions have proven to be ineffective. CONTRACTOR shall schedule with LEA an IEP meeting within two (2) days.

Pursuant to Education Code section 56521.2, CONTRACTOR shall not authorize, order, consent to, or pay for the following interventions, or any other interventions similar to or like the following: (1) Any intervention that is designed to, or likely to, cause physical pain, including, but not limited to, electric-shock (2) An intervention that involves the release of noxious, toxic, or otherwise unpleasant sprays, mists, or substances in proximity to the face of the individual. (5) Restrictive interventions that employ a device, material, or objects that simultaneously immobilize all four extremities, including the procedure known as prone containment, except that prone containment or similar techniques may be used by trained personnel as a limited emergency intervention. (6) Locked seclusion, unless it is in a facility otherwise licensed or permitted by state law to use a locked room. (7) An intervention that precludes adequate supervision of the individual. (8) An intervention that deprives the individual of one or more of his or her senses. (b) In the case of a child whose behavior impedes the child's learning or that of others, the individualized education program team shall consider the use of positive behavioral interventions and supports, and other strategies, to address that behavior, consistent with Section 1414(d)(3)(B)(i) and (d)(4) of Title 20 of the United States Code and associated federal regulations.

All restraint practices must be reviewed and revised when they have an adverse effect on a student and are used repeatedly for an individual child, either on multiple occasions within the same classroom or multiple uses by the same individual. CONTRACTOR shall notify the student's parent/guardian when any type of physical or mechanical restraint or seclusion has been used. This includes all statutory offenses as described in Education Codes 48900 and 48915.CONTRACTOR shall also include incidents resulting in the use of a behavioral restraint and/or seclusion even if they were not a result of a violation of Education Code Sections 48900 and 48915.

When CONTRACTOR seeks to remove a student from his/her current educational placement for disciplinary reasons, CONTRACTOR shall immediately submit a written discipline report to the LEA. Written discipline reports shall include, but not be limited to: the student's name; the time, date, and description of the misconduct; the disciplinary action taken by CONTRACTOR; and the rationale for such disciplinary action. A copy of the student's behavior plan, if any, shall be submitted with the written discipline report. The LEA or SELPA may provide training for any CONTRACTOR to ensure access to the approved system. When a student dis-enrolls from the NPS/NPA, the NPS/NPA and LEA shall discontinue use of the approved system for that student.

Changes in any student's educational program, including instruction, services, or instructional setting provided under this Master Contract, may only be made on the basis of revisions to the student's IEP. In the event that the CONTRACTOR believes the student requires a change of placement, the CONTRACTOR may request a review of the student's IEP for the purposes of consideration of a change in the student's placement. Student is entitled to remain in the last agreed upon and implemented placement unless parent

SACRAMENTO CITY UNIFIED SCHOOL DISTRICT
MASTER CONTRACT
GENERAL AGREEMENT FOR NONSECTARIAN, NONPUBLIC SCHOOL/AGENCY SERVICES
2021-2022

AUTHORIZATION FOR MASTER CONTRACT AND GENERAL PROVISIONS

1. MASTER CONTRACT

This Master Contract (or "Contract") is entered into on July 1, 2021, between the Sacramento City Unified School District (hereinafter referred to as the local educational agency "LEA" or "District"), a member of the Sacramento City Unified School District SELPA, and Capitol Speech & Rehabilitaion Services, Inc. (nonpublic, nonsectarian school or agency), hereinafter referred to as NPS/A or "CONTRACTOR" for the purpose of providing special education and/or related services to students with exceptional needs under the authorization of California Education Code sections 56157, 56361 and 56365 *et seq*. and Title 5 of the California Code of Regulations section 3000 *et seq*., AB490 (Chapter 862, Statutes of 2003) and AB1858 (Chapter 914, Statutes of 2004). It is understood that this agreement does not commit LEA to pay for special education and/or related services provided to any student, or CONTRACTOR to provide such special education and/or related services, unless and until an authorized LEA representative approves the provision of special education and/or related services by CONTRACTOR.

Upon acceptance of a student, LEA shall submit to CONTRACTOR an Individual Services Agreement (hereinafter referred to as "ISA"). Unless otherwise agreed in writing, these forms shall acknowledge CONTRACTOR's obligation to provide all relevant services specified in the student's Individualized Education Program (hereinafter referred to as "IEP"). The ISA shall be executed within ninety (90) days of a student's enrollment. LEA and CONTRACTOR shall enter into an ISA for each student served by CONTRACTOR. As available and appropriate, the LEA shall make available access to any electronic IEP system and/or electronic database for ISA developing including invoicing.

Unless placement and/or services is made pursuant to an Office of Administrative Hearings (hereinafter referred to as "OAH") order, a lawfully executed settlement agreement between LEA and parent or authorized by LEA for a transfer student pursuant to California Education Code section 56325, LEA is not responsible for the costs associated with NPS placement or NPS/A services until the date on which an IEP team meeting is convened, the IEP team determines that a NPS placement is appropriate, and the IEP is signed by the student's parent.

2. CERTIFICATION AND LICENSES

CONTRACTOR shall be certified by the California Department of Education (hereinafter referred to as "CDE") as a NPS/A. All NPS/A services shall be provided consistent with the area of certification and licensure specified by CDE Certification and as defined in California Education Code, section 56366 *et seq* and within the professional scope of practice of each provider's license, certification and/or credential. A current copy of CONTRACTOR's NPS/A certification or a waiver of such certification issued by the CDE pursuant to Education Code section 56366.2 must be provided to LEA on or before the date this Agreement is executed by CONTRACTOR. This Master Contract shall be null and void if such certification or waiver is expired, revoked, rescinded, or otherwise nullified during the effective period of this Master Contract. Total student enrollment shall be limited to capacity as stated on CDE certification and in Section 24 of the Master Contract.

In addition to meeting the certification requirements of the State of California, a CONTRACTOR that operates a program outside of this State shall be certified and all staff persons providing services to pupils

shall be certified and/or licensed by that state to provide, respectively, special education and related services and designated instruction and related services to pupils under the federal Individuals with Disabilities Education Act (20 U.S.C. Sec. 1400 et seq.).

If CONTRACTOR is a licensed children's institution (hereinafter referred to as "LCI"), CONTRACTOR shall be licensed by the state, or other public agency having delegated authority by contract with the state to license, to provide nonmedical care to children, including, but not limited to, individuals with exceptional needs. The LCI must also comply with all licensing requirements relevant to the protection of the child, and have a special permit, if necessary, to meet the needs of each child so placed. If the CONTRACTOR operates a program outside of this State, CONTRACTOR must obtain all required licenses from the appropriate licensing agency in both California and in the state where the LCI is located.

With respect to CONTRACTOR's certification, failure to notify the LEA and CDE in writing of any changes in: (1) credentialed/licensed staff; (2) ownership; (3) management and/or control of the agency; (4) major modification or relocation of facilities; or (5) significant modification of the program may result in the suspension or revocation of CDE certification and/or suspension or termination of this Master Contract by the LEA.

3. COMPLIANCE WITH LAWS, STATUTES, REGULATIONS

During the term of this Master Contract, unless otherwise agreed, CONTRACTOR shall comply with all applicable federal, state, and local statutes, laws, ordinances, rules, policies and regulations. CONTRACTOR shall also comply with all applicable LEA policies and procedures unless, taking into consideration all of the surrounding facts and circumstances, a policy or policies or a portion of a policy does not reasonably apply to CONTRACTOR. CONTRACTOR hereby acknowledges and agrees that it accepts all risks and responsibilities for its failure to comply with LEA policies and shall indemnify LEA under the provisions of Section 16 of this Agreement for all liability, loss, damage and expense (including reasonable attorneys' fees) resulting from or arising out of CONTRACTOR's failure to comply with applicable LEA policies (e.g., those policies relating to; the provision of special education and/or related services, facilities for individuals with exceptional needs, student enrollment and transfer, student inactive status, corporal punishment, student discipline, and positive behavior interventions).

CONTRACTOR acknowledges and understands that LEA may report to the CDE any violations of the provisions of this Master Contract; and that this may result in the suspension and/or revocation of CDE nonpublic school/agency certification pursuant to California Education Code section 56366.4(a).

4. TERM OF MASTER CONTRACT

The term of this Master Contract shall be from July 1, 2021 to June 30, 2022 (Title 5 California Code of Regulations section 3062(a)) unless otherwise stated. Neither the CONTRACTOR nor the LEA is required to renew this Master Contract in subsequent contract years. The parties acknowledge that any subsequent Master Contract is to be re-negotiated prior to June 30, 2022. In the event the contract negotiations are not agreed to by June 30th, the most recently executed Master Contract will remain in effect for 90 days. (Title 5 California Code of Regulations section 3062(d)) No Master Contract will be offered unless and until all of the contracting requirements have been satisfied. The offer of a Master Contract to a CONTRACTOR is at the sole discretion of the LEA.

The provisions of this Master Contract apply to CONTRACTOR and any of its employees or independent contractors. Notice of any change in CONTRACTOR's ownership or authorized representative shall be provided in writing to LEA within thirty (30) calendar days of change of ownership or change of authorized representative.

5. INTEGRATION/CONTINUANCE OF CONTRACT FOLLOWING EXPIRATION OR TERMINATION

This Master Contract includes each ISA and they are incorporated herein by this reference. This Master Contract supersedes any prior or contemporaneous written or oral understanding or agreement. This Master Contract may be amended only by written amendment executed by both parties.

CONTRACTOR shall provide the LEA with information as requested in writing to secure a Master Contract or a renewal.

At a minimum, such information shall include copies of current teacher credentials and clearance, insurance documentation and CDE certification. The LEA may require additional information as applicable. If the application packet is not completed and returned to District, no Master Contract will be issued. If CONTRACTOR does not return the Master Contract to LEA duly signed by an authorized representative within ninety (90) calendar days of issuance by LEA, the new contract rates will not take effect until the newly executed Master Contract is received by LEA and will not be retroactive to the first day of the new Master Contract's effective date. If CONTRACTOR fails to execute the new Master Contract within such ninety-day period, all payments shall cease until such time as the new Master Contract for the current school year is signed and returned to LEA by CONTRACTOR. (California Education Code section 56366(c)(1) and (2)). In the event that this Master Contract expires or terminates, CONTRACTOR shall continue to be bound to all of the terms and conditions of the most recent executed Master Contract between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized students at the discretion of the LEA.

6. INDIVIDUAL SERVICES AGREEMENT ("ISA")

This Agreement shall include an ISA developed for each student to whom CONTRACTOR is to provide special education and/or related services. An ISA shall only be issued for students enrolled with the approval of the LEA pursuant to Education Code section 56366 (a)(2)(A). An ISA may be effective for more than one contract year provided that there is a concurrent Master Contract in effect. In the event that this Master Contract expires or terminates, CONTRACTOR, shall continue to be bound to all of the terms and conditions of the most recent executed ISAs between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized students.

Any and all changes to a student's educational placement/program provided under this Master Contract and/or an ISA shall be made solely on the basis of a revision to the student's IEP or by written agreement between the parent and LEA. At any time during the term of this Master Contract, a student's parent, CONTRACTOR, or LEA may request a review of a student's IEP subject to all procedural safeguards required by law.

Unless otherwise provided in this Master Contract, the CONTRACTOR shall provide all services specified in the IEP unless the CONTRACTOR and the LEA agree otherwise in the ISA. (California Education Code sections 56366(a) (5) and 3062(e)). In the event the CONTRACTOR is unable to provide a specific service at any time during the life of the ISA, the CONTRACTOR shall notify the LEA in writing within five (5) business days of the last date a service was provided. CONTRACTOR shall provide any and all subsequent compensatory service hours awarded to student as a result of lack of provision of services while student was served by the NPS/A.

If a parent or LEA contests the termination of an ISA by initiating a due process proceeding with the OAH, CONTRACTOR shall abide by the "stay-put" requirement of state and federal law unless the parent agrees otherwise or an Interim Alternative Educational Setting is deemed lawful and appropriate by LEA or OAH consistent with Section 1415 (k)(1)(7) of Title 20 of the United States Code. CONTRACTOR shall adhere to all LEA requirements concerning changes in placement.

Disagreements between LEA and CONTRACTOR concerning the formulation of an ISA or the Master Contract may be appealed to the County Superintendent of Schools of the County where the LEA is located, or the State Superintendent of Public Instruction pursuant to the provisions of California Education Code section 56366(c) (2).

To the fullest extent allowed by law, CONTRACTOR shall indemnify and hold LEA and its Board Members, administrators, employees, agents, attorneys, volunteers, and subcontractors ("LEA Indemnities") harmless against all liability, loss, damage and expense (including reasonable attorneys' fees) resulting from or arising out of this Master Contract or its performance, to the extent that such loss, expense, damage or liability was proximately caused by negligence, intentional act, or willful act or omission of CONTRACTOR, including, without limitation, its agents, employees, subcontractors or anyone employed directly or indirectly by it (excluding LEA and LEA Indemnities). The duty and obligation to defend shall arise immediately upon tender of a claim or lawsuit to the CONTRACTOR. LEA represents that it is self-insured in compliance with the laws of the State of California, that the self-insurance covers district employees acting within the course and scope of their respective duties and that its self-insurance covers the LEA's indemnification obligations under this Master Contract.

17. INDEPENDENT CONTRACTOR

Nothing herein contained will be construed to imply a joint venture, partnership or principal-agent relationship between the LEA and CONTRACTOR. CONTRACTOR shall provide all services under this Contract as an independent contractor, and neither party shall have the authority to bind or make any commitment on behalf of the other. Nothing contained in this Contract shall be deemed to create any association, partnership, joint venture or relationship of principal and agent, master and servant, or employer and employee between the parties or any affiliates of the parties, or between the LEA and any individual assigned by CONTRACTOR to perform any services for the LEA.

If the LEA is determined to be a partner, joint venture, co-principle, employer or co-employer of CONTRACTOR, CONTRACTOR shall indemnify and hold harmless the LEA from and against any and all claims for loss, liability, or damages arising from that determination, as well as any expenses, costs, taxes, penalties and interest charges incurred by the LEA as a result of that holding.

18. SUBCONTRACTING

CONTRACTOR shall provide written notification to LEA before subcontracting for special education and/or related services pursuant to this Master Contract. In the event LEA determines that it can provide the subcontracted service(s) at a lower rate, LEA may elect to provide such service(s). If LEA elects to provide such service(s), LEA shall provide written notification to CONTRACTOR within five (5) days of receipt of CONTRACTOR's original notice and CONTRACTOR shall not subcontract for said service(s).

CONTRACTOR shall incorporate all of the provisions of this Master Contract in all subcontracts, to the fullest extent reasonably possible. Furthermore, when CONTRACTOR enters into subcontracts for the provision of special education and/or related services (including, but not limited to, transportation) for any student, CONTRACTOR shall cause each subcontractor to procure and maintain insurance during the term of each subcontract. Such subcontractor's insurance shall comply with the provisions of Section 15. Each subcontractor shall furnish the LEA with original endorsements and certificates of insurance effecting coverage required by Section 15. The endorsements are to be signed by a person authorized by that insurer to bind coverage on its behalf. The endorsements are to be on forms as required by the LEA. All endorsements are to be received and approved by the LEA before the subcontractor's work commences. The Commercial General Liability and Automobile Liability policies shall name the LEA/SELPA and the LEA Board of Education as additional insured.

As an alternative to the LEA's forms, a subcontractor's insurer may provide complete, certified copies of all required insurance policies, including endorsements affecting the coverage required by this Master Contract. All Certificates of Insurance must reference the LEA contract number, name of the school or agency submitting the certificate, indication if NPS or NPA, and the location of the school or agency submitting the certificate. In addition, all subcontractors must meet the requirements as contained in Section 45 Clearance Requirements and Section 46 Staff Qualifications of this Master Contract.

Pursuant to California Education code section 56042, an attorney or advocate for a parent of an individual with exceptional needs shall not recommend placement at CONTRACTOR's facility if the attorney or advocate is employed or contracted by the CONTRACTOR, or will receive a benefit from the CONTRACTOR, or otherwise has a conflict of interest.

Unless CONTRACTOR and LEA otherwise agree in writing, LEA shall neither execute an ISA with CONTRACTOR nor amend an existing ISA for a student when a recommendation for special education and/or related services is based in whole or in part on assessment(s) or reports provided by CONTRACTOR to the student without prior written authorization by LEA. This paragraph shall apply to CONTRACTOR regardless of when an assessment is performed or a report is prepared (i.e., before or after the student is enrolled in CONTRACTOR's school/agency) or whether an assessment of the student is performed or a report is prepared in the normal course of the services provided to the student by CONTRACTOR. To avoid conflict of interest, and in order to ensure the appropriateness of an Independent Educational Evaluation (hereinafter referred to as "IEE") and its recommendations, the LEA may, in its discretion, not fund an IEE by an evaluator who provides ongoing service(s) or is sought to provide service(s) to the student for whom the IEE is requested. Likewise, the LEA may, in its discretion, not fund services through the evaluator whose IEE the LEA agrees to fund. When no other appropriate assessor is available, LEA may request and if CONTRACTOR agrees, the CONTRACTOR may provide an IEE.

When CONTRACTOR is a NPA, CONTRACTOR acknowledges that its authorized representative has read and understands Education Code section 56366.3 which provides, in relevant part, that no special education and/or related services provided by CONTRACTOR shall be paid for by LEA if provided by an individual who is or was an employee of LEA within the three hundred and sixty five (365) days prior to executing this contract. This provision does not apply to any person who is able to provide designated instruction and services during the extended school year because he or she is otherwise employed for up to ten months of the school year by LEA.

CONTRACTOR shall not admit a student living within the jurisdictional boundaries of the LEA on a private pay or tuition free "scholarship" basis and concurrently or subsequently advise/request parent(s) to pursue funding for the admitted school year from the LEA through due process proceedings.

In the event a NPS is unable to fill a vacant teaching position responsible for direct instruction to students, and the vacancy has direct impact on the California Department of Education Certification of that school, the NPS shall develop a plan to ensure appropriate coverage of students by first utilizing existing certificated staff. The NPS and the LEA may agree to one 30 school day period per contract year where class size may be increased to ensure coverage by an appropriately credentialed teacher. Such an agreement shall be in writing and signed by both parties. This provision does not apply to a NPA.

Any instructional days provided without this written agreement shall be at the sole financial responsibility of the CONTRACTOR.

26. DATA REPORTING

CONTRACTOR shall agree to provide to the LEA all data related to student information and billing information with LEA. CONTRACTOR shall agree to provide data related to all sections of this contract, including student discipline as noted below, and requested by and in the format required by the LEA. It is understood that all NPS/A shall utilize the LEA approved electronic IEP system for all IEP development, service tracking documentation, and progress reporting, unless otherwise agreed to by the LEA. CONTRACTOR and LEA shall ensure that LRE placement options are addressed at all IEP team meetings regarding students for whom ISAs have been or may be executed. This shall include IEP team consideration of supplementary aids and services, goals and objectives necessary for placement in the LRE and necessary to enable students to transition to less restrictive settings.

When an IEP team has determined that a student should be transitioned into the public school setting, CONTRACTOR shall assist the LEA in implementing the IEP team's recommended activities to support the transition.

If the Individualized Education Program ("IEP") team determines that a student's behavior impedes his or her learning or the learning of others, the IEP team is required to consider the use of positive behavioral interventions and supports, and other strategies, to address that behavior, consistent with Section 1414(d)(3)(B)(i) and (d)(4) of Title 20 of the United States Code and associated federal regulations. This could mean that instead of developing a Behavior Intervention Plan ("BIP"), the IEP team may conclude it is sufficient to address the student's behavioral problems through the development of behavioral goals and behavioral interventions to support those goals.

CONTRACTOR shall maintain a written policy pursuant to California Education Code section 56521.1 regarding emergency interventions and behavioral emergency reports. CONTRACTOR shall ensure that all of its staff members are trained in crisis intervention, emergency procedures, and evidenced-based practices and interventions specific to the unique behavioral needs of the CONTRACTOR's pupil population. Emergency interventions may only be used to control unpredictable, spontaneous behavior that poses clear and present danger of serious physical harm to the individual with exceptional needs, or others, and that cannot be immediately prevented by a response less restrictive than the temporary application of a technique used to contain the behavior. If a situation requires prolonged use of emergency intervention, staff must seek assistance from the school site administrator or a law enforcement agency.

CONTRACTOR shall complete a behavior emergency report when an emergency occurs that is defined as a serious, dangerous behavior that staff has determined to present a clear and present danger to others. It requires a non-violent physical intervention to protect the safety of student, self, or others and a physical intervention has been used; or a physical intervention has not been used, but an injury or serious property damage has occurred. Personal Safety Techniques may or may not have been used. Emergencies ***require*** a behavior emergency report form be completed and submitted to the LEA within twenty-four (24) hours for administrative action. CONTRACTOR shall notify Parent within twenty-four (24) hours via telephone. If the student's IEP does not contain a Behavior Intervention Plan ("BIP") or Positive Behavior Intervention Plan ("PBIP"), an IEP team shall schedule a meeting to review the behavior emergency report, determine if there is a necessity for a functional behavioral assessment, and to determine an interim plan. If the student already has a BIP, the IEP team shall review and modify the BIP if a new serious behavior has been exhibited or existing behavioral interventions have proven to be ineffective. CONTRACTOR shall schedule with LEA an IEP meeting within two (2) days.

Pursuant to Education Code section 56521.2, CONTRACTOR shall not authorize, order, consent to, or pay for the following interventions, or any other interventions similar to or like the following: (1) Any intervention that is designed to, or likely to, cause physical pain, including, but not limited to, electric-shock (2) An intervention that involves the release of noxious, toxic, or otherwise unpleasant sprays, mists, or substances in proximity to the face of the individual. (5) Restrictive interventions that employ a device, material, or objects that simultaneously immobilize all four extremities, including the procedure known as prone containment, except that prone containment or similar techniques may be used by trained personnel as a limited emergency intervention. (6) Locked seclusion, unless it is in a facility otherwise licensed or permitted by state law to use a locked room. (7) An intervention that precludes adequate supervision of the individual. (8) An intervention that deprives the individual of one or more of his or her senses. (b) In the case of a child whose behavior impedes the child's learning or that of others, the individualized education program team shall consider the use of positive behavioral interventions and supports, and other strategies, to address that behavior, consistent with Section 1414(d)(3)(B)(i) and (d)(4) of Title 20 of the United States Code and associated federal regulations.

All restraint practices must be reviewed and revised when they have an adverse effect on a student and are used repeatedly for an individual child, either on multiple occasions within the same classroom or multiple uses by the same individual. CONTRACTOR shall notify the student's parent/guardian when any type of physical or mechanical restraint or seclusion has been used. Upon the use of any type of physical or mechanical restraint or seclusions of a District student, CONTRACTOR shall complete a BER per the reporting and notification requirements listed above.

as otherwise mutually agreed upon by CONTRACTOR and LEA, CONTRACTOR shall provide LEA, on a monthly basis, a written report of all incidents in which a statutory offense is committed by any LEA student, regardless if it results in a disciplinary action of suspension or expulsion. This includes all statutory offenses as described in Education Codes 48900 and 48915.CONTRACTOR shall also include incidents resulting in the use of a behavioral restraint and/or seclusion even if they were not a result of a violation of Education Code Sections 48900 and 48915.

When CONTRACTOR seeks to remove a student from his/her current educational placement for disciplinary reasons, CONTRACTOR shall immediately submit a written discipline report to the LEA. Written discipline reports shall include, but not be limited to: the student's name; the time, date, and description of the misconduct; the disciplinary action taken by CONTRACTOR; and the rationale for such disciplinary action. A copy of the student's behavior plan, if any, shall be submitted with the written discipline report. CONTRACTOR and LEA agree to participate in a manifestation determination at an IEP meeting no later than the tenth (10^{th}) day of suspension.

32. IEP TEAM MEETINGS

An IEP team meeting shall be convened at least annually to evaluate: (1) the educational progress of each student placed with CONTRACTOR, including all state assessment results pursuant to the requirements of Education Code section 52052; (2) whether or not the needs of the student continue to be best met at the NPS; and (3) whether changes to the student's IEP are necessary, including whether the student may be transitioned to a public school setting. (California Education Code sections 56366 (a) (2) (B) (i) and (ii)) and pursuant to California Education Code section 56345 (b) (4).)

If the LEA student is to be transferred from a NPS setting into a regular class setting in a public school for any part of the school day, the IEP team shall document, if appropriate, a description of activities provided to integrate the student into the regular education program, including the nature of each activity as well as the time spent on the activity each day or week and a description of the activities provided to support the transition of the student from the special education program into the regular education program. Each student shall be allowed to provide confidential input to any representative of his or her IEP team. Except as otherwise provided in the Master Contract, CONTRACTOR and LEA shall participate in all IEP team meetings regarding students for whom ISAs have been or may be executed. At any time during the term of this Master Contract, the parent, the CONTRACTOR or the LEA may request a review of the student's IEP, subject to all procedural safeguards required by law, including reasonable notice given to, and participation of, the CONTRACTOR in the meeting. Every effort shall be made to schedule IEP team meetings at a time and place that is mutually convenient to parent, CONTRACTOR and LEA. CONTRACTOR shall provide to LEA assessments and written assessment reports by service providers upon request and/or pursuant to LEA policy and procedures. It is understood that attendance at an IEP meeting is part of CONTRACTOR'S professional responsibility and is not a billable service under this Master Contract.

It is understood that the CONTRACTOR shall utilize the approved electronic IEP system of the LEA for all IEP planning and progress reporting at the LEA's discretion. The LEA or SELPA may provide training for any CONTRACTOR to ensure access to the approved system. The CONTRACTOR shall maintain confidentiality of all IEP data on the approved system and shall protect the password requirements of the system. When a student dis-enrolls from the NPS/NPA, the NPS/NPA and LEA shall discontinue use of the approved system for that student.

Changes in any student's educational program, including instruction, services, or instructional setting provided under this Master Contract, may only be made on the basis of revisions to the student's IEP. In the event that the CONTRACTOR believes the student requires a change of placement, the CONTRACTOR may request a review of the student's IEP for the purposes of consideration of a change in the student's placement. 57. RIGHT TO WITHHOLD PAYMENT

LEA may withhold payment to CONTRACTOR when: (a) CONTRACTOR has failed to perform, in whole or in part, under the terms of this contract; (b) CONTRACTOR has billed for services rendered on days other than billable days of attendance or for days when student was not in attendance and/or did not receive services; (c) CONTRACTOR was overpaid by LEA as determined by inspection, review, and/or audit of its program, work, and/or records; (d) CONTRACTOR has failed to provide supporting documentation with an invoice, as required by EC 56366(c)(2); (e) education and/or related services are provided to students by personnel who are not appropriately credentialed, licensed, or otherwise qualified; (f) LEA has not received prior to school closure or contract termination, all documents concerning one or more students enrolled in CONTRACTOR's educational program; (g) CONTRACTOR fails to confirm a student's change of residence to another district or confirms the change or residence to another district, but fails to notify LEA within five (5) days of such confirmation; or (h) CONTRACTOR receives payment from Medi-Cal or from any other agency or funding source for a service provided to a student. It is understood that no payments shall be made for any invoices that are not received by six (6) months following the close of the prior fiscal year, for services provided in that year.

Final payment to CONTRACTOR in connection with the cessation of operations and/or termination of a Master Contract will be subject to the same documentation standards described for all payment claims for regular ongoing operations. In addition, final payment may be withheld by the LEA until completion of a review or audit, if deemed necessary by the LEA. Such review or audit will be completed within ninety (90) days. The final payment may be adjusted to offset any previous payments to the CONTRACTOR determined to have been paid in error or in anticipation of correction of documentation deficiencies by the CONTRACTOR that remain uncorrected.

The amount which may be withheld by LEA with respect to each of the subparagraphs of the preceding paragraph are as follows: (a) the value of the service CONTRACTOR failed to perform; (b) the amount of overpayment; (c) the entire amount of the invoice for which satisfactory documentation has not been provided

by CONTRACTOR; (d) the amount invoiced for services provided by the individual not appropriately credentialed, licensed, or otherwise qualified; (e) the proportionate amount of the invoice related to the applicable pupil for the time period from the date the violation occurred and until the violation is cured; or (f) the amount paid to CONTRACTOR by Medi-Cal or another agency or funding source for the service provided to the student.

If LEA determines that cause exists to withhold payment to CONTRACTOR, LEA shall, within ten (10) business days of this determination, provide to CONTRACTOR written notice that LEA is withholding payment. Such notice shall specify the basis or bases for LEA's withholding payment and the amount to be withheld. Within thirty (30) days from the date of receipt of such notice, CONTRACTOR shall take all necessary and appropriate action to correct the deficiencies that form the basis for LEA's withholding payment or submit a written request for extension of time to correct the deficiencies. Upon receipt of CONTRACTOR's written request showing good cause, LEA shall extend CONTRACTOR's time to correct deficiencies (usually an additional thirty (30) days), otherwise payment will be denied.

If after subsequent request for payment has been denied and CONTRACTOR believes that payment should not be withheld, CONTRACTOR shall send written notice to LEA specifying the reason it believes payment should not be withheld. LEA shall respond to CONTRACTOR's notice within thirty (30) business days by indicating that a warrant for the amount of payment will be made or stating the reason LEA believes payment should not be made. If LEA fails to respond within thirty (30) business days or a dispute regarding the withholding of payment continues after the LEA's response to CONTRACTOR's notice, CONTRACTOR may invoke the following escalation policy.

After forty-five (45) business days: The CONTRACTOR may notify the Authorized LEA's Representative of the dispute in writing. The LEA Authorized Representative shall respond to the CONTRACTOR in writing within fifteen (15) business days.

After sixty (60) business days: Disagreements between the LEA and CONTRACTOR concerning the Master Contract may be appealed to the County Superintendent of Schools or the State Superintendent of Public Instruction pursuant to the provisions of California Education Code Section 56366(c) (2).

58. PAYMENT FROM OUTSIDE AGENCIES

CONTRACTOR shall notify LEA when Medi-Cal or any other agency is billed for the costs associated with the provision of special education and/or related services to students. Upon request, CONTRACTOR shall provide to LEA any and all documentation regarding reports, billing, and/or payment by Medi-Cal or any other agency for the costs associated with the provision of special education and/or related services to students.

59. PAYMENT FOR ABSENCES

NONPUBLIC SCHOOL STAFF ABSENCE

Whenever a classroom teacher employed by CONTRACTOR is absent, CONTRACTOR shall provide an appropriately credentialed substitute teacher in the absent teacher's classroom in accordance with California Education Code section 56061. CONTRACTOR shall provide to LEA documentation of substitute coverage pursuant to the LEA Procedures. Substitute teachers shall remain with their assigned class during all instructional time. LEA will not pay for instruction and/or services unless said instruction or service is provided by an appropriately credentialed substitute teacher.

Whenever a related service provider is absent, CONTRACTOR shall provide a qualified (as defined in Section 7 of this agreement and as determined by LEA) substitute. LEA will not pay for services unless a qualified substitute is provided and/or CONTRACTOR provides documentation evidencing the provision of

"make-up" services by a qualified service provider within thirty (30) calendar days from the date on which the services should have been provided unless otherwise agreed in student's IEP.

NONPUBLIC SCHOOL STUDENT ABSENCE

LEA shall not pay for services provided on days that a student's attendance does not qualify for Average Daily Attendance (ADA) reimbursement under state law. *Per Diem* rates for students whose IEPs authorize less than a full instructional day may be adjusted on a pro rata basis in accordance with the actual proportion of the school day the student was served. LEA shall not be responsible for payment of related services for days on which a student's attendance does not qualify for Average Daily Attendance ("ADA") reimbursement under state law, nor shall student be eligible for make-up services.

NONPUBLIC AGENCY STAFF ABSENCE

When CONTRACTOR is a NPA and CONTRACTOR's service provider is absent, CONTRACTOR shall provide a qualified (as defined in Section 7 of this agreement and as determined by LEA) substitute, unless LEA provides appropriate coverage in lieu of CONTRACTOR's service providers. LEA shall not pay for services unless a qualified substitute is provided and/or CONTRACTOR provides documentation evidencing the provision of "make-up" services by a qualified service provider within thirty (30) calendar days from the date on which the services should have been provided. CONTRACTOR shall not "bank" or "carry over" make up service hours under any circumstances, unless otherwise agreed to in writing by CONTRACTOR and LEA. In the event services were not provided, reasons for why the services were not provided shall be included.

NONPUBLIC AGENCY STUDENT ABSENCE

If CONTRACTOR is a NPA, it shall notify LEA of the absence of a student no later than the fifth (5^{th}) consecutive service day of the student's absence. LEA shall not be responsible for the payment of services when a student is absent.

60. LEA and/or NONPUBLIC SCHOOL CLOSURE DUE TO EMERGENCY

The following shall apply in the event of a LEA or NPS school closure due to an emergency consistent with guidelines followed by LEAs under Education Code Section 41422:

a. If CONTRACTOR remains open during an emergency and serves students appropriately as delineated in the ISA, CONTRACTOR shall receive payment, regardless of whether a sending LEA is open or closed.

a. NPS School Closure- If the LEA is able to obtain alternative placement for the student, CONTRACTOR shall not receive payment for days the student is not in attendance due to school closure. If the LEA is unable to obtain an alternative placement, CONTRACTOR shall receive payment consistent with the signed ISA, as though the student were continuing in their regular attendance, until alternative placement can be found.

b. LEA and NPS School Closure- On days the LEA is funded, CONTRACTOR shall receive payment consistent with the signed ISA, until alternative placement can be found. If the LEA is able to obtain alternative placement for the student, CONTRACTOR shall not receive payment for days the student is not in attendance due to school closure.

When the emergency school closure is lifted, CONTRACTOR shall notify the LEAs it serves of any lost instructional minutes. CONTRACTOR and LEAs shall work collaboratively to determine the need for make-up days or service changes, and shall work together to amend IEP and ISA paperwork as appropriate.

Such access shall include unannounced inspections by LEA. CONTRACTOR shall make available to LEA all budgetary information including operating budgets submitted by CONTRACTOR to LEA for the relevant contract period being audited.

CONTRACTOR shall make all records available at the office of LEA or CONTRACTOR's offices (to be specified by LEA) at all reasonable times and without charge. All records shall be provided to LEA within five (5) working days of a written request from LEA. CONTRACTOR shall, at no cost to LEA, provide assistance for such examination or audit. LEA's rights under this section shall also include access to CONTRACTOR's offices for purposes of interviewing CONTRACTOR's employees. If any document or evidence is stored in an electronic form, a hard copy shall be made available to the LEA, unless the LEA agrees to the use of the electronic format.

CONTRACTOR shall obtain from its subcontractors and suppliers written agreements to the requirements of this section and shall provide a copy of such agreements to LEA upon request by LEA.

If an inspection, review, or audit by LEA, a state agency, a federal agency, and/or an independent agency/firm determines that CONTRACTOR owes LEA monies as a result of CONTRACTOR's over billing or failure to perform, in whole or in part, any of its obligations under this Master Contract, LEA shall provide to CONTRACTOR written notice demanding payment from CONTRACTOR and specifying the basis or bases for such demand. Unless CONTRACTOR and LEA otherwise agree in writing, CONTRACTOR shall pay to LEA the full amount owed as a result of CONTRACTOR's over billing and/or failure to perform, in whole or in part, any of its obligations under this Master Contract, as determined by an inspection, review, or audit by LEA, a state agency, a federal agency, and/or an independent agency/firm. CONTRACTOR shall make such payment to LEA within thirty (30) days of receipt of LEA's written notice demanding payment.

62. RATE SCHEDULE

The attached rate schedule (Exhibit A) limits the number of students that may be enrolled and maximum dollar amount of the contract. It may also limit the maximum number of students that can be provided specific services. Per Diem rates for students whose IEPs authorize less than a full instructional day may be adjusted proportionally. In such cases only, the adjustments in basic education rate shall be based on the required minimum number of minutes per grade level as noted in California Education Code Section 46200-46208.
