Recommendation: Approve Resolution No. 3349 authorizing the district to apply for and sign applications for local, state, and federal programs and grants pertaining to low emission vehicle incentive programs.

Background/Rationale: Sacramento City Unified School District (SCUSD) is continuing on the process to electrify their yellow and white fleets over time. This will help the District achieve carbon neutrality by 2045, which is set by California Executive Order B-55-18, 2018, as well as eliminate harmful diesel emission pollution. There are many local, state, and federal grants and programs helping districts offset the costs of electrifying their fleets.

Financial Considerations: None. This is to apply for local, state, and federal grants and programs helping District's offset the costs of electrifying their fleets.

LCAP Goal(s): College, Career and Life Ready Graduates; Safe, Emotionally Healthy and Engaged Students; Family and Community Engagement; Operational Excellence
