CDPH Update

Future of school masking

Based on our data, it is reasonable that we're getting close to a point where state masking requirements can be relaxed.

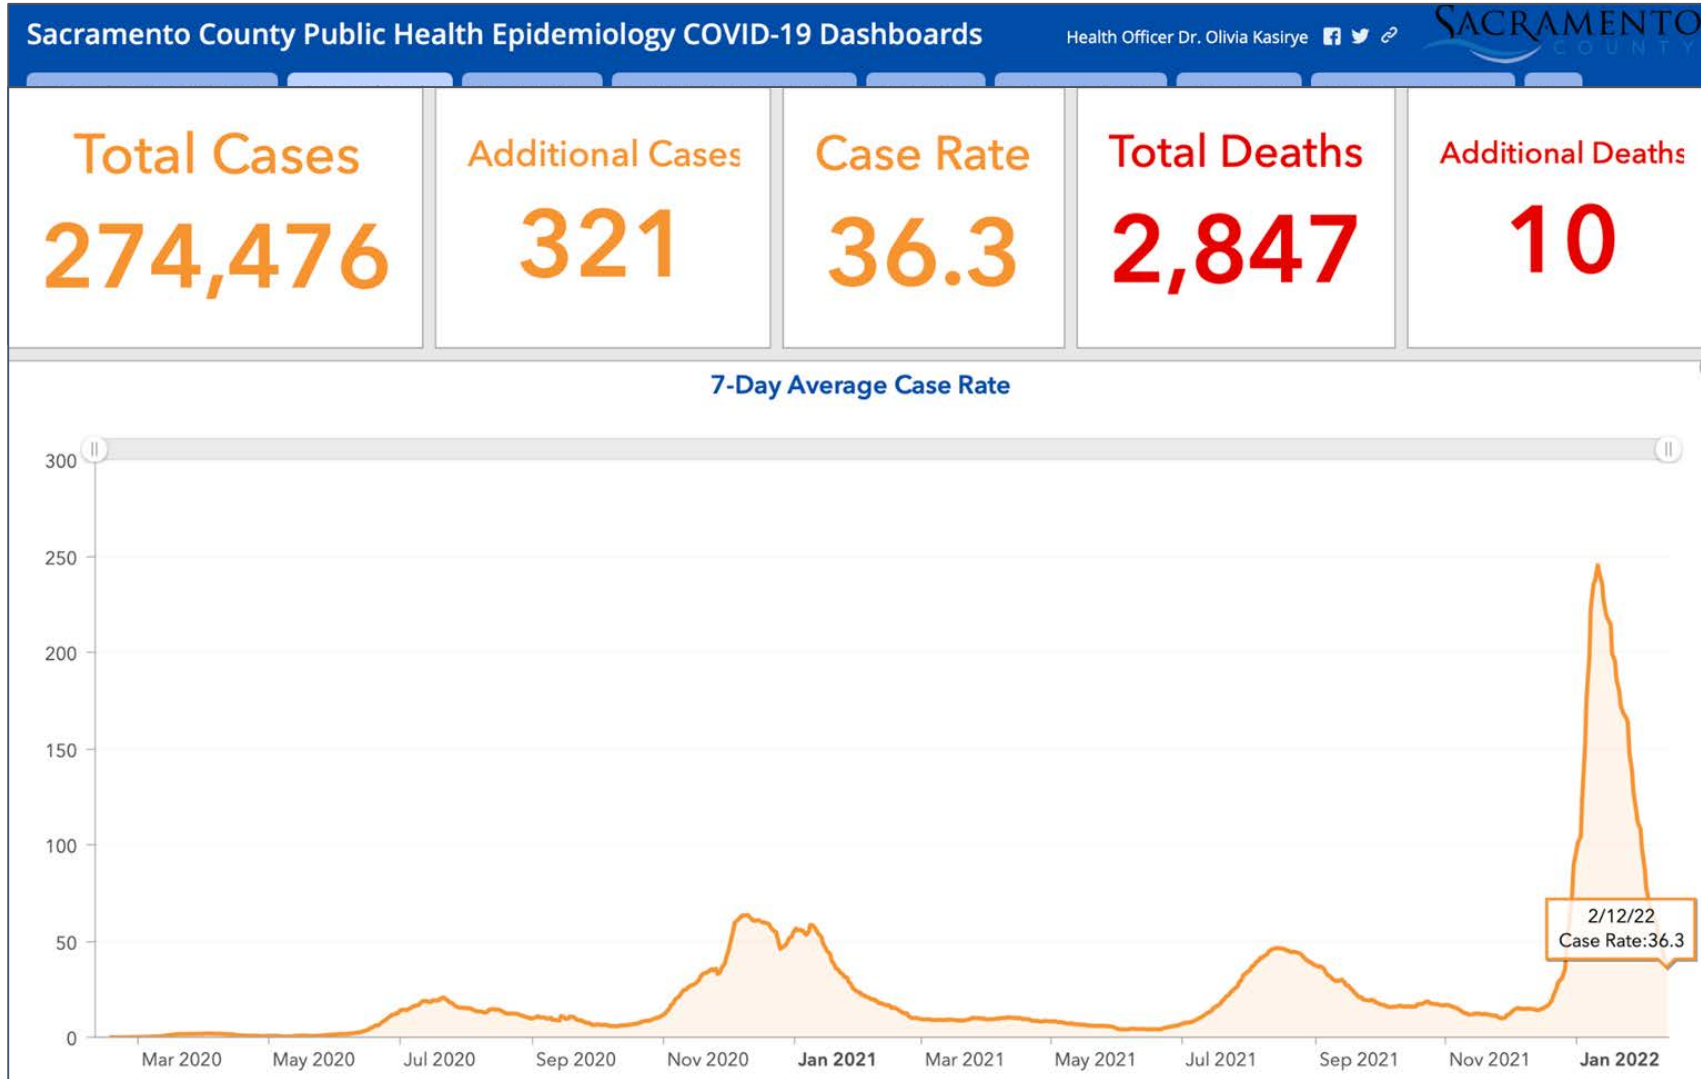

- Remaining vigilant on surveillance, continue to track data and conditions.
- We must ensure that any decision, protects the health and well being of students and staff.
- We must remain humble to the unpredictability of this virus.

FEBRUARY 15
No change to school masking requirement

- School Masking still required
- **Feb 28** - discuss moving masking requirement to a masking recommendation *based on local conditions*
- Metrics for consideration:
 - case rates
 - hospitalizations
 - vaccination rates
 - national/global trends

Sacramento County COVID-19 Case Rates

- Omicron variant spread widely in Sacramento County
- 36.3 cases per 100k residents
- 33.9% positivity rate last week

Board Resolution 3233: Vaccination or Testing

*“That all SCUSD students . . . and staff not yet vaccinated (first or second dose) . . . or are not yet eligible for vaccination, as well as those students and staff with exemptions or conditional admissions, **will be tested** for COVID-19 on a regular routine basis based on public health recommendations for testing cadence, available staffing, and testing resources[.]”*

VACCINE

- **Weekly Vaccine Clinics** throughout the district
- **75+ vaccine clinics** to date
- **28,000+ vaccines**
- **Limited access to California Immunization Registry (CAIR)** - COVID vaccine not yet a school required vaccine, therefore not able to access this resources without parent permission

COVID-19 Student Vaccination Progress

Recommendation: On February 28, CDPH will announce an update on lifting K-12 required mitigation measures. Should lifting of mitigation measures be associated to vaccination rates, the District will extend the vaccine or testing implementation deadline to the March 3, 2022 Board meeting for a final deadline recommendation.

家長通知書

SCUSD 學區將為所有在 Primary Health 報名參加健康措施的個人, 提供常規例行的 COVID-19 監測檢測。

在學年期間, 家長只需在此鏈接報名一次
<https://my.primary.health/scusd-edu>

簡單、容易、自拭的檢測。

如果您已經在學校為學生報名 COVID-19 檢測, 他們將自動在校園內進行檢測。

請注意, 1月31日之後, 所有尚未接種疫苗的學生, 都必須參加例行的和定期的檢測。

我們學區盡力採取一切可能措施來減緩和阻止 COVID-19 的傳播, 定期檢測是一種我們可以採取的策略, 我們也採取其他健康和安全措施, 例如疫苗接種、戴面罩和生病時待在家裡。

Dear Sacramento City Unified School District Families,

We are excited to inform you that we will begin a limited distribution of more at-home COVID test kits to our students and staff tomorrow (Friday, February 11).

Looking Forward - Return to Health Revisions

Following established COVID health and safety protocols, return to the following activities when Sacramento County case rates are *under 50 cases per 100K residents and holds for 2 weeks*

- Field trips
- Extra-curricular activities held during and after school
- Non-essential tournaments or competitions
- Group Orientations/In-School tours
- Remove outdoor masking requirement where there is space for physical distancing

[Sac County COVID Dashboard](#)

- 2/8 dropped below 50 new cases a day
- 2/22 earliest we may lift temporary restrictions

Next Steps

- Actively target outreach efforts to the 3,174 number of students and staff not yet vaccinated or registered
- Communicate vaccination mandate impact on staffing and services to students and families
- Continue consulting with SCPH on fluidity of public health guidelines & revise plans in response
- On February 28, CDPH will announce an update on lifting K-12 required mitigation measures. Should lifting of mitigation measures be associated to vaccination rates, the District will extend the vaccine or testing implementation deadline to the March 3, 2022 Board meeting for a final deadline recommendation.
