**Division:** Facilities Support Services

**Recommendation:** The Superintendent recommends the board receive an update to the construction projects currently being designed at Cesar Chavez, Edward Kemble, Nicholas, and Oak Ridge Elementary Schools

**Background/Rationale:** Using the Facilities Master Plan, including the equity index, three properties (four schools) were identified as needing a modernized or new campus. This process began in May 2022 to develop a design team, capture stakeholder comments, and begin design on what will be three new schools.

**Financial Considerations:** The cost of these projects, identified using the Facilities Master Plan, are supported by the voter approved Bond, Measure H.

**LCAP Goal(s):** Safe, Emotionally Healthy and Engaged Students; Family and Community Engagement; Operational Excellence

**Documents Attached:**
